

## *2006 Kingdom Dance and Music Symposium*

---

### **Pepper's Black**

4 Couple squares.

**Slipping Ring:** Take hands in circle and Slip left for 16 counts. Slip right for 16 counts. Face partner and Set and Turn Single. Set and Turn Single again.

#### **Two-Handed Turns with Left Couple:**

Head couple does a double and curtsy towards Side couple on left, then back to place.

That Side couple does a double and curtsy to same Head couple, then back to place.

Those couples do two-handed turns with their opposites.

Then two-handed turns with one's partner back to place.

**Two-Handed Turns with Right Couple:** Repeat prior action but with Side couple on right.

#### **Square Hey with Left Couple:**

Head couple does a double and curtsy towards Side couple on left, then back to place.

That Side couple does a double and curtsy to same Head couple, then back to place.

Those couples take right hands with opposites and pass through, take left hands with partner and pass through.

Take right hands with opposites and pass through, then take left hands with partner and pass through back to place. [You may simply pass shoulders instead of take hands]

**Square Hey with Right Couple:** Repeat prior action but with Side couple on right.

#### **Steal a Lord:**

Head couple does a double towards Side couple on left, With Head Lord taking Side Lord's hand.

Trio does a double and curtsy to lone Woman, then back to place.

Keeping handholds of trio. Woman goes between the arch of two men. Then Side Man goes through the arch of head couple and lets go hands to walk back to place

#### **Steal a Lady:**

Head couple does a double towards Side couple on right, With Head Lady taking Side Lady's hand.

Trio does a double and curtsy to lone Man, then back to place.

Keeping handholds of trio. Man goes between the arch of two women. Then Side Woman goes through the arch of head couple and lets go hands to walk back to place
