Message from the Baron and Baroness

Greetings to the good gentles of Elfsea and Dragonsfire Tor,

Braggart's War has kicked off! The theme this year is Early period versus Late period. The principals for this are Duke Hrafn for early and Maestro Vincente for late. The kick-off during court was well received by the Kingdom. Baroness Janie and Lord Franklin are the stewards. Good plans have already begun. There will be many opportunities to volunteer.

Thank you for all of the award recommendations we have received over the past month. This is a good trend and we encourage you to keep them coming in. We have four opportunities a year for Baronial awards.

We have always felt that hosting events was like hosting a party at your home. People are attending our events from other parts of the Kingdom and it is up to the members of the Barony to create a fun and inviting experience. Please take a moment to volunteer at Defender or Guardian of the Tor.

After hosting, we visit our friends. Check out the Kingdom Calendar. There are many fun events being held around the kingdom. Travel and have fun.

We are very pleased with the Barony. We have a healthy bank account as a result of all the hard work and good financial decisions over the past year or two. All of the officer positions are filled by capable and enthusiastic individuals. We have also had a steady influx of newcomers. We hope that you are as pleased as we are.

Take care and we'll see you around!

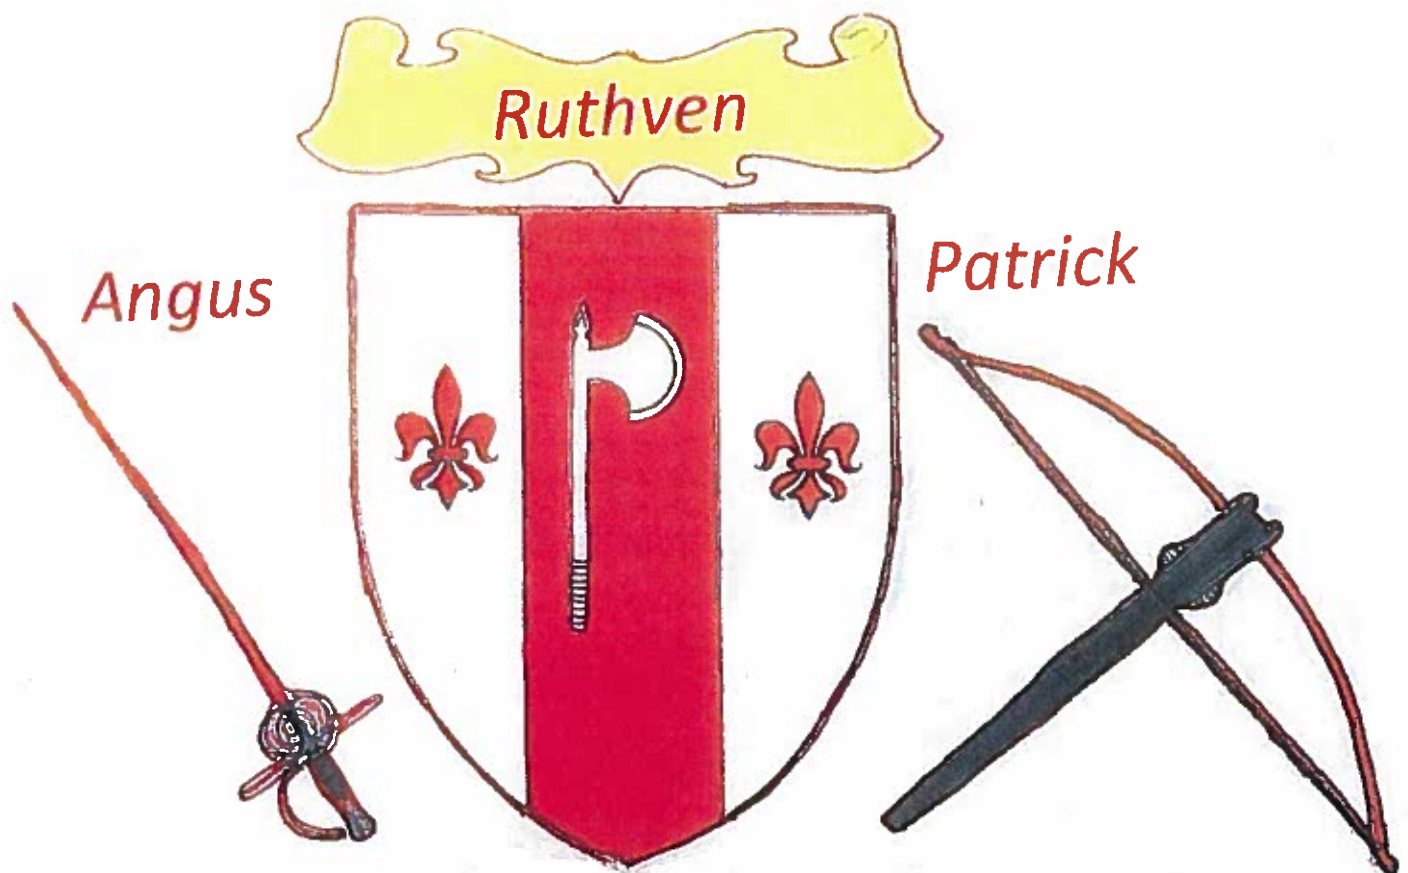

William and Cassandra
Baron and Baroness
