MESSAGE FROM THE BARON & BARONESS

Greetings to the good gentles of Elfsea and Dragonsfire Tor,

Well, the time has come. This will be our last letter as your Baron and Baroness. It has been a privilege to serve in this capacity. You have given us your time, help and affection. We will still be active within the Barony and help to promote its good name throughout the Kingdom. A few people deserve special mention.

Lady Aaliz – you have been the head of our entourage for the entirety of our reign. You contributed to our success. Knowing that we had coverage at events and support when we traveled took pressure off of us and allowed us to focus on the Barony.

Honorable Lord Franklin – your friendship is valuable to us. Your companionship helped us through many road trips and long hours. You helped to keep us grounded.

Honorable Lady Eleanor – you were always present wherever we traveled. You supported us with dignity and grace, always available.

Paul Gerard – son, you were amazing throughout all of the long hours and late calls. You always jumped in to help us and whomever else needed it. You sacrificed along with us on this journey. We will always be grateful that we were able to share this with you.

There are many others who have helped us along the way. We have tried to say thank you often and make sure that you all know how much we appreciate you.

It has been our honor to serve as the Baron and Baroness of this excellent group.

William and Cassandra
Baron and Baroness
