The official Newsletter of the Canton of Dragonsfire Tor

Message from the Lord and Lady of Dragonfire Tor

Greetings Unto our Beloved Canton!

At last! The snow and ice have melted and Spring has arrived in the lands of Ansterorra. We are pleased to be enjoying warm sun and breezy days. We hope the new weather lifts your hearts and eases some of the greyness this plague and forced exile has pushed upon us. We were pleased to see, and participate in, the fun monotony breakers you all participated in! The SCA in the snow pictures were some of the best spirit lifters seen and the online chats and gatherings have been relaxing and full of laughter.

As many of you may already know, the SCA Board of Directors passed a Resolution to Lift Suspension of In-Person Activity in the SCA as of June 1st, 2021. Please know that we are as excited as you that there now seems to be a light at the end of this tunnel. We will be working in close contact with our Seneschal staff and Canton officers to decide what a return to activities will look like for the Tor in the near future. While we miss all of you terribly, we will need a short amount of time to figure out how to work within the guidelines set forth in the new resolution. Please know.. WE MISS YOU ALL. We want to get back to our shared social Society and we want all of you, newcomers and seasoned alike, to be able to get back to what you love the most about the SCA. If you have read the resolution and have questions, concerns, or suggestions please feel free to send them to our Seneschal, Lord Eoghan, or to Us. We will answer the questions we can and seek answers for those that We cannot.

We would like to remind you that we have an open officer position at this time. The office of Exchequer is open for applications and Master Caelin is currently serving an extended term.

Continued on next page

As activities open and more people are allowed to gather will keep you aware of Our plans to attend or travel to events. Until then, continue to support and care for each other just as you have been doing. Dragonsfire Tor is a shining example of compassionate action and we are so proud to be your Lord and Lady.

We hope to see you soon.

In Service to the Dream,

Baron Kazimierz and Baroness Katheryn

Baron and Baroness of Elfsea

Lord and Lady of Dragonsfire Tor
