Greetings to the good gentles of Elfsea and Dragonsfire Tor,

Greetings to the good gentles of Elfsea and Dragonsfire Tor,

October was another great month! This group just keeps piling up the good months. It opened with a wonderful Baronial College. Thank you to Lady Astridr for putting it together, Mistress Adelaide for drumming up great classes and Lady Aoife for a tasty sideboard. This was followed by the Coronation of Their Majesties Jason and Margherita. It is an honor every time we can give our oaths.

The Arlington Library Medieval Festival demo was outstanding. Over 50 people participated. They were from Elfsea, Dragonsfire Tor, Steppes, Glaslyn and Emerald Keep. This has the potential to become a very large multi-group demo. Sir Arthur set a good foundation. We have received good response for the Open Garage and A&S day on the last weekend in October.

Looking ahead, we will be attending the Boy Scout Jamboree demo. Lord Franklin has shared good ideas and put in good work. This demo is important as it is our 'payment' to the Boy Scouts which lets us use their campgrounds at a reduced rate. We have a very good relationship with the scouts.

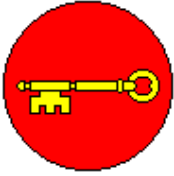

We'll end this month's letter with a thank you to Lady Aoife for your tenure as our Seneschal. You came in during a rough time in the Barony and provided structure. You have served the Barony well and have earned a much-deserved break.

Let's have another great month!

Greetings, Elfsea.

As I write my final Seneschal greeting to the populace, I am stunned at how quickly time has flown by. As a barony, we have definitely seen some times—and no Seneschal could have asked for better support and sage guidance than I was blessed to receive during my tenure. If I was successful at any portion of this assignment—it was because of an energized and engaged populace and officer corps willing to step in, step up, and make things happen. As a team, we rocked it out. As a family, we made it fun.

The Elfsea officers have, quite frankly, amazed me. Through the natural progressions of the various positions, I have been blessed to work with over 23 diverse individuals who freely volunteered their time, sweat equity, and knowledge to ensure that the business of the barony remained in excellent shape at all times. These leaders invested a lot of themselves to ensure the success of Elfsea--- and each of them has my utmost respect and gratitude.

Truly, the crux of success rests in our incredible populace. Consisting of all levels of this society, Elfsea membership boasts an impressive list of achievements over the past 24 months. From finalizing sustainable budgets, to accurate inventories, to event planning and execution, to meeting attendance, arts and sciences, volunteerism, and simply sharing the wealth of expertise and asking the appropriate questions, this populace has definitely taken care of business. Elfsea, you have my heart. Thank you for a job well done.

On November 22nd, I move on to my next adventure. The Kingdom and Their Excellencies William and Cassandra have allowed me to turn over the business of the barony into the capable hands of HE Master Caelin on Andrede. Master Caelin has done many times many good works for the barony and is a very experienced Seneschal. I have every confidence he will receive the same

support and assistance that you extended to me during my tenure. He is lucky indeed because he is getting the pearl of this kingdom. Because, of course, Elfsea rocks!

In January 2015, a great many people took a risk and placed their faith in a newcomer. It has been my absolute honor to serve this barony-- and it is my sincerest hope that each of those people found their faith to have been well met.

In Service Always,
Lady Aoife Ruadh inghean Ragnail

NOVEMBER 2016 MEETINGS:

POPULACE

Greetings Elfsea

I'm excited to be the new Seneschal as of November 22nd! Aoife has been an unbelievably good Seneschal and I hope to do as well. She will initially be my Emergency Replacement (ER) deputy to ensure a smooth transition, but I expect her to move into new and exciting roles in a few months. I will welcome anyone who wants eventually to be a Baronial Seneschal to become a deputy.

I am very happy with the change fronted by the Baron and Baroness to make most of our moot meetings more informal with modern clothing and a more business and fun orientation. We will still do a court format quarterly with the next one in December I believe.

I'm looking forward to working with the B&B as they work with you, the populace, to find what directions the Barony should take and then lead us there. The office of the Seneschal will do whatever necessary to implement such plans with occasional changes to meet Kingdom and Society laws and policies. Let the B&B and me know what you would like the Barony to do.

In service to Elfsea and Ansteorra,
HE Caelin on Andrede

Greetings Elfsea!

We had an amazing demo at the Arlington Medieval Arts Festival on the 28th and I would like to thank all the fighters who came and brought their enthusiasm, honor and Energy! Many onlookers expressed interest in the martial aspect of our society and hopefully soon we will have new faces at practice. Fighting at demos brings up the excitement and draws people in!

Don Alaric's Quote

"A student said to his Master, "You teach me fighting, but you speak of peace. How do you reconcile the two?"

The Master replied, "It is better to be a warrior in the midst of a garden than to be a gardener in the midst of a war."

Boy Scout Demo – November 12, 2016

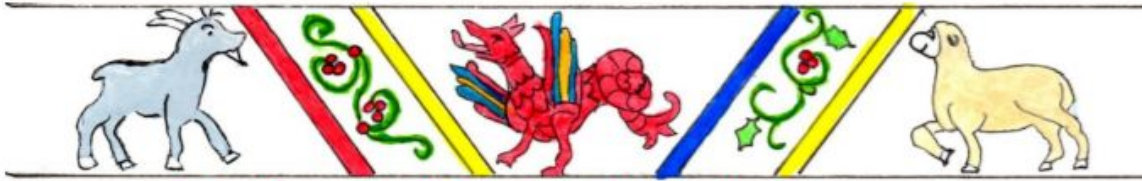

Greetings,

I have been given the honor to be Elfsea's Event Steward for the BSA Demo being held November 12, 2016. I will be working with the Scouts and Elfsea to set up the activities Scouts would like. I will ask each of Elfsea's Officers to be responsible for their part of the event and if they will not be able to attend, I will ask them to please find someone to take their place. I.e. Marshals will make arrangements for fighters to attend and set up the list fields and have fighter support. A&S minister will be responsible for securing and setting up A&S displays. Our Hospitaler will set up and man a "Welcome to the SCA" both with printed handouts. The Cooks Guild, I hope, will help with a meal plan. I will also be recruiting SCA members to run the activities the Scouts want us to have for them.

Last time this was a camping event and I think it would help if we camped at this one. Friday will be spent setting up our camps and the pavilions and the different activity areas. This will allow us to be ready first thing Saturday morning.

Please plan to attend and help out because this event and our relationship with the Scouts gives Elfsea great rewards

In your Service,
Lord Franklin Whitenhale of Cheshire
