Greetings to the good gentles of Elfsea and Dragonsfire Tor,

We'll open this month by adding our congratulations to the new Heirs, Prince Gabriel and Princess Sonja. We are looking forward to working with them again during their reign. The Barony has submitted a bid to host their Coronation.

We also attended the Investiture of Baron Peter Rhys Connor and Baroness Sarah Fynn. We believe that our two Baronies are entering a great period of time. The relationship that we have with our cousins will help bring our two groups even closer together. We are already seeing this in that we intend to camp as neighbors at Gulf Wars this year and have shared camp activities.

January was also full of officer changes. Lady Flavia Vibiana is our Chamberlain. Conall Ramsay is our Rapier Marshal and Duke Lochlan Dunn is our Minister of Arts and Sciences. Please join us in welcoming our new officers!

Gulf War planning is going strong. There are plenty of opportunities to help with Gulf War preparations. We will have another workday on February 25th.

The Barony accepted House Stonefalcon's bid for Defender. Stonefalcon is a great group of people who have served the Barony and surrounding groups over the years. This will be a wonderful event! Look to the Facebook page and email lists for more information.

2017 will be another busy year. We are off to a good start. Let's keep things moving forward!

Officer Reports

Minister of Arts and Sciences:

(moas@elfsea.ansteorra.org)

Greetings Elfsea,

The Arts & Sciences are alive and well in Elfsea. I have spent my first month in office getting a feel for who is doing what and have found most of us are doing some form of art and that is great news indeed! I have also discovered that on the whole we as a Barony are not working together on many of these art projects as of late which is a missed opportunity to build even more amazing friendships. We are lucky though, the guilds are all in place to make that happen! Starting in February a number of guilds have said they will be hosting group project nights which is tremendous news for us here in Elfsea as there are many truly talented artists here aching to teach, learn, and help. To everyone who has or is soon to volunteer, THANK YOU!! I will report on those work nights as they manifest.

I have been asking a "Question of the Week" about what types of projects are going on, favorite books, etc.. and there has been a tremendous positive response so I will continue to post the questions.

The plan for my tenure in this office is to promote the growth of the arts through regular communication with the members of the Barony from this office, continual positive recognition for those that participate in the arts within the Barony, facilitation of newcomer's participation in the arts within the Barony, and a revitalization of local guilds by promoting Baronial group projects. To that end please do not hesitate to contact me if you have any questions, comments, suggestions, or concerns and I will gladly help in any way I can.

In Service,
Duke Lochlan Dünn, Elfsea Minister of Arts and Sciences

(moc@elfsea.ansteorra.org)

Greetings Elfsea,

We have had a fantastic Start to the year!

We have many wonderful events coming up, ***Gulf Wars***, ***Coronation***, and ***Elfsea Defender!*** All of these are going to be family friendly and have activities for the young members of our Barony.

We also have ***Youth Academy*** Every month! Currently it is being held alongside Elfsea Academie (7 Pm first Monday of the Month at Buffalo Wild Wings in Bedford), so please come out bring your kids and everyone can learn something new.

We are starting a ***Youth Combat*** program and more information will be shortly forthcoming. If your child is interested please check our Facebook page or Email me at moc@elfsea.ansteorra.org for more information. With that, we are looking for Equipment for both youth Rapier and Boffer. So If you have anything sitting around please feel free contact me to donate it.

Also parents please add yourself to the **Ansteorra Minister of Children** FB page. This is a great way to find out what's coming for the youth of Ansteorra.

Thank you for all your help making our Barony great for SCAdians of all ages!

Don Alaric's Quote

"A student said to his Master, "You teach me fighting, but you speak of peace. How do you reconcile the two?"

The Master replied, "It is better to be a warrior in the midst of a garden than to be a gardener in the midst of a war."
