o Important note from the Kingdom Seneschal – Baronial Reviews

Greetings,

At the last Round Table, a new addition to the Kingdom Seneschal's Handbook was signed. The Kingdom Seneschal has been tasked to initiate a baronial opinion survey on behalf of the Crown every three years after every major change of Landed Nobility. This is a chance for members of a baronial populace to provide any and all thoughts and feedback directly to the Crown on the health of their group. It is not a formal action, nor are there any formalized follow-up actions.

The first batch of baronies to be surveyed will be Namron, Bonwicke, and Bjornsborg. More will follow at a later date. I am asking the seneschals of these three groups to post this missive to your local e-lists and Facebook lists, and to publish it in your next local newsletter. Please send all feedback directly to the Crown ONLY at crown@ansteorra.org. Please be sure to put the words "Baronial Survey - [name of your Barony]" in the subject line of your missive. Your opinions and feedback will be held in the strictest confidence by the Crown. The feedback period is open immediately, and runs until the end of September.

Modius, Kingdom Seneschal

PS. Please send all feedback ONLY to CROWN@ANSTEORRA.ORG.

o October Populace Meeting
