**MoAS, Lady Ellyn O'Ronowe deGraye:**

Wants feedback from Populace about opening in-person A&S classes, following local guidance. Email thoughts and opinions, and what you'd like to do.

**Missiles Marshals**

Tentative plan is to change location for archery & thrown weapons to their home, run as an all-day opportunity. Need to complete inventory & discuss sanitization needs with Seneschal/B&B. All day would allow people to cycle in and out, and reduce number on site at

one time. Have discussed doing time slots in the future if needed. Trying to get Missile activities going again.

### **Treasurer**

Bank just over \$10k, all deposits from cancelled events returned. Looking for a deputy. Opening Financial Committee for new members soon, announcements forthcoming.
