FROM THE CHRONICLER

Greetings unto the Populace.~

Happy November, Namron,

As this year draws to a close, I've taken a minute to reflect on what I *do* have which makes life a little more bearable during this year of plague. Things that I am *thankful* for, if you will. There are many that are for necessities (I have a roof over my head), conveniences (I have heated seats in the magic wagon that takes me to & from work every day), and sappy sentimental things (I have such wonderful friends in my life, like YOU!) And when I stop and think about these things when I'm grumblng about a bad day or a stubbed toe, I feel better. Because, in the end, it's the little things you are thankful for that make you happy that makes every day count.

What are you thankful for this year? Take a minute to think about it. I bet you'll get a few smiles out of it, too.

Any submissions you would like to make for the December issue of *The Plume* are due by November 26, 2020. For submissions, please contact me at

From the Seneschal

*Greetings,
Good Gentles of the Storm,*

As Autumn's winds blow through our bones, we move into a colder, darker time of year. The days are shorter and the nights longer. We yearn for warm chats with friends and family around crackling fires. It is soup and stew season, a time for heavy baked goods and cozy blankets. Take advantage of the moments you can this season, being mindful of the looming plague which threatens our populace members in varying degrees. While we may not be gathering in large groups this season, take heart in knowing that we are all still here, missing you as much as you miss everyone else.

The business of the Barony moves forward, regardless of season or plague. We are currently accepting applications

for two Financial Committee Members-at-Large and a Hospitaler through November 5, 2020. Another officer position will open for applications soon, so watch Facebook and the email list for details. I will likely cancel the November Business Meeting, unless we have urgent business that makes itself known. An announcement will happen at the November Populace Meeting, with official postings to follow.

Take care of your families and yourselves, and please reach out to Their Excellencies or myself should you need anything.

In Service to the Dream,

Frú Kolfinna Egilsdóttir

From the Web Minister

DEAREST POPULACE OF NAMRON,

Hello all, your friendly neighborhood webguy here. Did you know we have a website?

October sure was an awesome month. I personally celebrated the beginning of my "Towel Year" birthday... (That's my 42nd, for all you non Douglas Adams fans), as well as my wedding anniversary to my wonderful (and extremely hot) wife Kolfinna. We celebrated another birthday for one of our boys as well. We have a lot of celebrating here starting mid September all the way through October if you couldn't tell.

We also had an amazing virtual Protectorate, in case you missed it somehow. A lot of people joined in and we got to see some pumpkins being smashed, flung, stabbed, shot, and bashed by our marshals. Let me tell you, they made some great videos for the Barony's YouTube channel. We also received some submissions for our Youtube challenge; congratulations to The Dread Pirate Captain Savage! His video won the populace vote. Head over to the [Barony's YouTube channel](#) to check it out. While you're at it, create a video for us and you, too, can be featured on there!

The other real exciting thing that happened involved the <drum roll/> launch of the website redesign!

[BaronyOfNamron.com](#) got an overhaul and update to all our content. It's now full of all the resources, links, information, and 8 essential vitamins. Okay, maybe no vitamins.

The Baronial Award Database (some call it the O.P.) or Namron's B.A.D. list got an overhaul, as well. Make sure you visit the new website and submit any changes that you think need to be made, as well as send in any and all information about awards you've gotten or others have received that are missing. You can find the Website Change request form under the Webminister's page.

Yes, the website's address is still: www.Ansteorra.org/Namron but we also own the domain of www.baronyofnamron.com

THANK YOU ALL FOR MAKING THIS BARONY AWESOME
EVEN IN THESE UNPREDICTABLE AND UNPRESENTED TIMES.

I would also like to thank those that scoured the strands of the website to help me find all my lost items during Virtual Protectorate. We had a lot of people looking but alas only one can win a competition. Congratulations to Lady Voislava Pevtsova for winning the Storm the Website competition. She will be receiving a handmade propane tank box donated by Saltwood Studios.

I would like to mention Lady Koia Karasova and Lady Cailleach Ui Chaerbhail for both being the first to find all ten of my missing items, and a few extras I forgot were there! Thank you, Ladies. Also, a very special thank you for HE Kyna Terricsdottir (did you she is not listed in the Baronial BAD, it's like she's never gotten a baronial award only given them) for trying so hard to find them all and giving a chuckle throughout the morning while she scraped through every page to find them.

Thank you all for being the best part of the SCA

FROM THE WORKBENCH OF THE KNIGHT MARSHAL

Greetings, Namron-

There are only a few short months to get ready for Crown tourney, (if we get to have one).

Warriors!

Get your armor ready!

The time draws nigh!

We have been at full stop for quite a while, so there is that. I expect a few more weeks at full stop.

I have been working on armor for Namron. Not much else is going on here, just anxiously awaiting getting to hit my friends with sticks again.

Ragnar Kelson of Durham
KNIGHT MARSHAL, NAMRON

From the Rapier Marshal

Greetings Wonderful Barony!

Another month has come and gone. It looks like we still won't have practice for a while, but I have good news! I am working on getting details squared away, but when we can have practice, Namron will have a couple of blades, a dagger, and some new armor in loaner gear! I'll post pictures on the Barony and Storm Weasle Facebook pages when I get them.

Yours in Service,
*Lady Sabine
Fulhaberin*
