December: We will not have a winter gathering & potluck. Instead, we are working on alternate activities: virtual feast & social time, games, bardic. Instead of Dirty Santa, there will be a gift exchange with sign-up coming soon. It will be similar to Sable Swap; participants will be paired up and share a gift. It doesn't have to be homemade, could be purchased (\$15 or less), but should be usable within the SCA. Details to be posted soon. Due by 29 November. At December Pop, we will open the gifts on screen. You can specify a single family gift or individual gifts when you sign up.
