CHRONICLER: BANTIARNA CAILLEACH DHE INGHEAN UI CHAERBHAILL
CHRONICLER@NAMRON.ANSTEORRA.ORG

Greetings, Namron!

What Viking weather we have had this last month! This winter has been an exceptional time for getting all our fancy wool garb out and we have most enjoyed seeing all the “garb in snow” photos you all have been sharing. Namron, as always, pulled together and supported each other during this last serious cold snap. It makes us proud to see the members of our populace checking on and taking care of each in times of need. That is what makes Namron, Namron.

Hopefully all that bitter weather is behind us and now we can look forward to springtime. We have an excellent outdoor themed virtual Beltane being planned and organized by Fru Kolfinna. We are working on ways for the SCA to be involved with the Norman Medieval Fair, which is coming up soon in its new virtual format. Be on the lookout for ways to be involved with those in the next few weeks.

Yours in Service,

Micolay and Uliana

From the Herald

Greetings, Namron!

I am excited to step up as Namron's herald and delighted for the opportunity to serve the barony. I would like to thank Villana Palazolo for all her hard work as my predecessor, and for setting the bar high. I would also like to thank Their Excellencies Micolay and Ulianna Haiduk for allowing me to serve the barony.

I am looking forward to helping those in this barony work on registering their personal heraldry. I cannot wait to share my enthusiasm for heraldry with the lovely populace!

Yours in service,

FROM THE MINISTER OF ARTS AND SCIENCE

Greetings Namron!

It's hard to believe that it is March already! It will be almost a year since we went to a stand still. But in that time we have had a lot of amazing Arts and Science still going strong in The Barony of Namron!

Last month we had Frú Kolfinna have an amazing zoom class on herbs and gardening in Oklahoma!

FireStorm Ink has been meeting and having classes every Tuesday via Zoom. They have been putting out some amazing art work.

Her Excellency Katerina Giovanni is going strong with her prodigy and service minded Academy. The classes have been very informative and enjoyable. Everyone should try to attend one if not all!!!

In April, we will have Her Excellency Baronova Ulianna will be teaching a class on soft leather book binding.

I can't wait to see everyone when we can all get together in person to enjoy this fabulous adventure we all love!

Everyone stay healthy and safe!!

FROM THE WEBMINISTER

We have a website!

And we even have a cool URL: www.BaronyofNamron.com - not all baronies can brag of the same.

Hi there, I'm the new Webminister and I have plans! No, I won't be redesigning the beautiful new site. However, I do plan to add links to the Ansteorra Wiki any/where I can. Do **you** have a wiki page yet? Did you know Ansteorra has a Wiki? You can check it out here: [Ansteorra History Wiki](#)

To get started creating a Wiki about YOU, go to the [Ansteorra Historian's Submission Form](#). I will specifically be looking for Ansteorra Wiki pages for all of our current officers.

If you have any suggestions, feedback or corrections for the Namron website, remember we have a Website Change Request Form... [on our website!](#) If you should be listed on the Baronial OP, but are missing, please let me know.

In service,

From the Rapier Marshall

Greetings, Namron,

Spring is just around the corner!

This time last year, I was encouraging you to make sure you were ready for Gulf War and coming to practice. Since then, we haven't been able to meet for practice, and I know it's been hard to put up with no in-person events and practice, but I am so glad that we've had the virtual outlets to keep in touch and keep skills sharp.

We aren't quite ready to meet in person, again, but things are looking better.

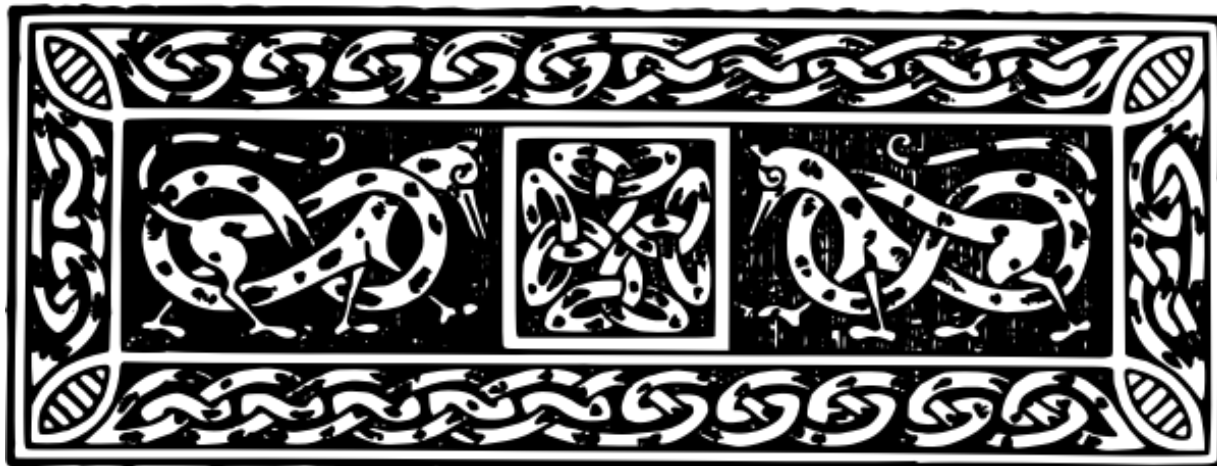

My time as Rapier Marshal is almost up. I am looking for someone to take over in May. If you are interested in the position, please contact me so we can transition smoothly.

I hope to see people in person again, soon.

Yours in Service,

Lady Sabine Fulhaberin
Rapier Marshal

FROM THE MINISTER OF CHILDREN

Happy March Namron!

Can you feel it? Spring is near! Warmer weather, flowers, sunshine. For me, I look forward to being able to get outside and enjoy the warmth.

This month, I don't have much to add to this awesome Plume, but I would like to challenge all the children to a pre-spring activity. I have been lucky enough to find some beautiful painted rocks in various places while walking. I don't take them with me, but they bring joy. With spring so near, and warmer weather, more people will be out and about. So here's my challenge...

I want to challenge the kids to paint a few rocks and place them around your neighborhood or a park, (with adult supervision of course). Paint whatever on said rocks, add a kind word or phrase if you want, then take them with you. You can even leave them in various other public places. Bring joy to others by sharing a bit of beauty! You can even share the SCA by adding Namron or SCA to the rocks.

Here are a few exam different rocks off the web. Once I find, (or buy), some rocks for us to paint, I plan on having fun with my girls.

Last example. For an added activity, you can make a travel Tic Tac Toe! Just but 5 rocks similar and another 5 rocks similar and you have your pieces. Then you can sew up a quick little bag with the Tic Tac Toe board.

Have fun spreading kindness!
