CHRONICLER: FRÚ SIGRIÐR

CHRONICLER@NAMRON.ANSTEORRA.ORG

Greetings Good Gentles of Namron!

The winds (and rains as it may seem) of Spring are upon us. We want to thank Fru Kolfinna and all of those that helped her for a most excellent Virtual Beltane! I know that we enjoyed getting outside and enjoying all of the fun activities. While we are looking forward to eventing again in-person, this was a fun alternative!

Speaking of in-person events, there are several opportunities coming up in the next months, including

Myrgenfeld's Collegium with the Royal Huntsman Championship and Northkeep's Castellan and Kingdom Middle Eastern Dance Championship (including the investiture of their new Baron and Baroness) as well as Queen's Champion and Crown Tournament. If you are planning to attend these or any other in-person events, please be sure to follow the event pages for event guidelines and requirements and be sure to pre-register as all events are currently capped at 150 attendees

and everyone must be pre-registered. There are also upcoming virtual events for those interested in attending things online. The Barony of Bonwicke will be selecting their Arts and Sciences Champion and there are numerous Known World Symposiums you can participate in!

Weather permitting, both Namron and Skorragardr will be resuming in-person populace meetings in June. Please remember that as we ease into restarting these in-person activities, masks covering the nose and mouth must be worn at all times (for anyone over the age of 4, regardless of vaccine status or other health conditions), food and drink cannot be provided or shared with others, and social distancing is required (6

feet between groups family groups). Also remember that for the foreseeable future our meetings will be held outside so dress accordingly, bring a chair or blanket to sit on, and restrooms are not available. Practices are also resuming (also weather permitting) so be on the lookout for announcements and updates from our marshals!

We also welcomed a new addition to our family this month - Oliver Joseph was born on May 14th and we are excited he is here! Alice is excited to be a big sister and we are settling into a new routine.

Yours in Service,

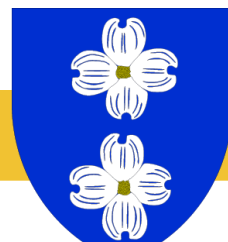

Baron Micolay and Baronowa Uliana

FROM THE HERALD

What's good, Namron?

Your semi-virtual local herald here at herald@namron.ansteorra.org or on Facebook for all your heraldry needs! Do you want to work on a name or a device? Are you looking to add another badge or two to the mix? Or perhaps you're satisfied with your current heraldry and want to chat about heraldry jokes. Whether you want to work on submitting your idea, don't even have an idea to start with, or just have strong opinions to share on your

favorite ordinaries, I eagerly await your communications!

Also, did you know you can recommend a member of our very own populace for an award? Let the rest of the Kingdom know how awesome our populace is by following the instructions on <https://ansteorra.org/namron/officers/herald/awards/>

FROM THE MINISTER OF ARTS AND SCIENCE

Hello Namron!

I hope everyone is as excited as I'm!! We can start seeing everyone at events, pop meeting, we can have Arts and science again in person!!!! If you have something that you want to teach, I want to make it happen! Pm me or send smoke signals, just let me know!

We have such talented artists in our Barony and Principality! Firestorm Ink has met via Zoom the whole pandemic!!

I again must give a shout out to Baroness Caterina for the awesome classes she has put together! Thank you!!!

Now that brings me to the new projects I'd like to get started! It will involve as many of the great members of our populace that would like to participate.

First, let's have a fun *garb swap*! It's been a wild and crazy year! So why not do a garb swap and brighten up everyone's garb! I know I have garb that I can't wear anymore or I don't wanna wear. I have some that can probably be donated to the loaner garb closet, too.

The other suggestion that was given to me by Vigdis. (Thank you so much) and I love this idea! Have you ever seen a dress or that certain Garb you've been wanting to make? Have you tried it on yet? Do you know if it's something that will look good on you? These are very important questions. The solution is... to try on garb beforehand! Get with me and let's get this one rolling!

That's it for now! But you. Never know. I'm always thinking up new ones!! Have a great June bring on Summer on the 21!!!!

NAMRON POPULACE MEETING:

NAMRON BUSINESS MEETING:

JUNE 17, 2021 AT 7:30 PM

FROM THE THROWN WEAPONS AND ARCHERY MARSHALS

Hail and Salutations Namron!

Greetings from the desks of your missile marshals, Namron!

We've been granted permission to hold missile practice! However, Mother Nature is a fickle mistress. Spring time in Oklahoma tends to be a soggy affair, and we are at the whim of the weather. We will keep you updated shortly before each practice is to happen whether we will have to cancel or not.

We also have a new task at hand. Over the years we've noticed that participation in our missile activities tends to be spotty. One solution we've been discussing is finding a more central practice space. It is likely that this will take some time, more so now with our new normal taking form as we speak. We'd like to enlist your help. If you spot something while you're out and about, or if you hear something through the grapevine, let us know, and we'll look into it! Contact either Marshal, and we'll get back to you asap.

Remember, you can reach out to either of us for any Archery or Thrown Weapons stuff at any time.

Joyfully yours in service,

Órlaith inghean Uí Wallacháin

NAMRON THROWN WEAPONS MARSHAL

&

Raulff Smeithberde

ARCHERY MARSHAL

From the Rapier Marshal

Greetings, Namron,

I have so much to tell you!

We have held practices on Tuesdays at Earlywine Park for a few weeks when the weather has allowed. It's so good to get back out there! There have only been about five or six of us out there, but it's been great. We've even seen a few people who haven't been around for a while (even pre-pandemic!)

Practices will be every Tuesday night at 7 pm at Earlywine Park until further notice, depending on the weather. Bring hydration and wear a mask. Next practice, I intend to hold a rapier 101 class for anyone who needs it.

We have a few events coming up very soon as well! There will be a tournament at Myrgenfeld's event and Her Majesty is seeking her champion on June 12th! There will be limited numbers of participants, so make sure you get signed up as soon as you can. Be prepared if you are joining the lyst. Have plenty of water and snacks, and bring your own shade as well. Masks will have to be worn.

Speaking of which, I experimented with a new mask at our last practice. I sewed a couple of shank buttons to the side of my hood, just in front of my ears. I fit six inches of elastic into the mask and wrapped the elastic loops around the buttons. It worked well. If you're interested in trying it out, I have supplies to make more!

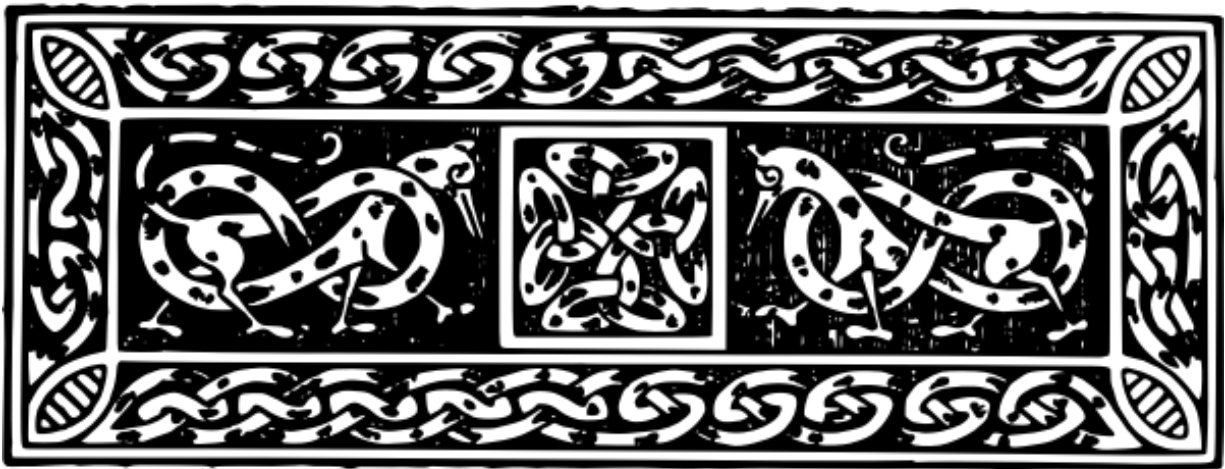

As practices and in-person events begin again, we are still looking for a new Baronial Rapier Marshal. I have thoroughly enjoyed my time in the office, but it is time to step down and give someone else the opportunity.

Yours in Service,

Lady Sabine Fulhaberin

Rapier Marshal

FROM THE MINISTER OF CHILDREN

Happy May Namron!

Greetings Namron!

It's finally Summer! Yahoo! The SCA is opening back up, events are happening, soon I'll be able to see so many awesome people and the wonderful kids of Namron and more. Yay!

My deputy Anna and I have been working on ideas for MoC activities for future events and possibly some outside of events. Hopefully, I'll have a date soon for a meeting with anyone interested in becoming a deputy for MoC or willing to teach a class. I'm interested in teaching kids about the different peers and all the services kids can help with. So if anyone would be interested in helping with that, let me know. Namron's first in person event is still months away, so we have time to prep and plan!

This month's activity, Medieval Art!

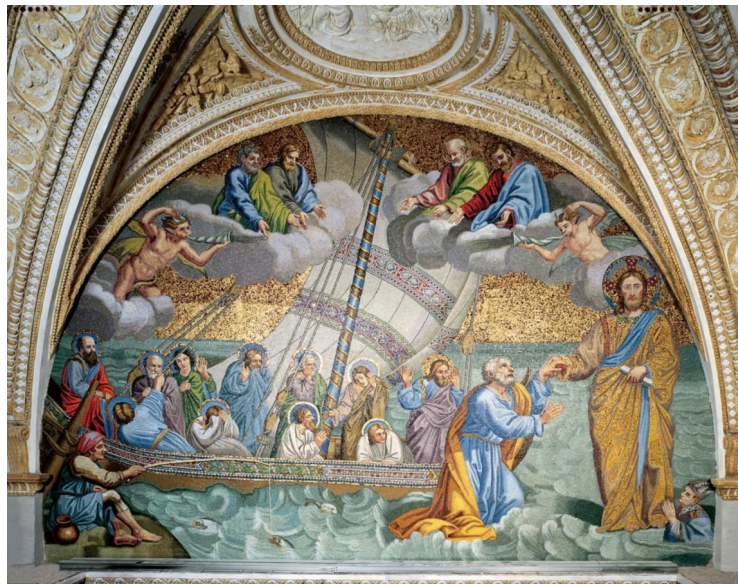

Giotto was an Italian painter in the 1300s. He is known for adding depth to pictures by adding the background and for making his people look more life-like by adding emotions. Giotto mainly painted frescos. A fresco is a painting done on wet plaster; the color really sinks in and gives the color a glowing look to it.

Giotto's artwork includes...

St. Francis Preaching to the Birds

And...

Navicella, a Mosaic in Old St. Peter's Basilica

Making Homemade Egg Based Paint!

Giotto used an egg based tempera paint. So we are going to make our own egg based paint for our artwork.

First, crush up some chalk using a rock, or anything handy. You can use a rolling pin for ease, put the chalk in a zip lock bag to keep things clean.

Mix up 2 egg yolks with 2 TAB water. Then add it to the chalk. Your paint is ready to go. (You can use muffin tins to keep the paint separate.)

Unlike other artists of his day, Giotto used bright colors in his paintings. He was also the first major artist to convey emotions in his painting.

Notice the yellow halo around people's heads. Giotto painted scenes from the Bible and like others from his time used halos to depict saints.

All info for this activity was found at...
