Greetings Good Gentles of Namron!

Greetings Namron!

Welcome back to in person events! We are excited that we get to start seeing you all in person again. We polled the populace and it looks like most people would like to have our meetings indoors, so we have July and August meetings scheduled for the Norman Central Library in the Oklahoma Room. This is a new venue for us and we are hopeful that we find new people excited about the middle ages by meeting in a public place. Since it is an indoor meeting, the

SCA is still requiring face masks be properly worn by everyone over the age of 4. We also have both rapier and chivalric practices happening weekly now, where as of July 1st, we no longer are required to wear face-coverings. We hope you can join us at some of these activities.

As we get back into the swing of SCA activities, we encourage you to find ways to be involved in the activities you love. That could be attending martial practices, serving in an officer role, or helping with our upcoming Protectorate event.

If you would like help finding a way to become more involved, please reach out to us and we can help you find your place in our Barony!

It has been a while since the SCA has done things in large groups. As we get back into the habit of events and activities, let's all remember to

be welcoming to everyone, stay hydrated, and be kind! Basically, keep doing the things that make Namron the great Barony it is!

From the Seneschal

meetings Namron

As I write this many things are happening! TE and I are discussing July's populous meeting, we are getting ready for our first event back in person, and we are ALL hoping our garb still fits from the long hiatus!

The reopening plan is changing daily, so please make sure to keep an eye open for any changes that may affect you. As of July 1st, all activities are able to be held, indoors or out, as long as masks are worn inside, and social distance is maintained. Groups can not yet offer food or drink (other than single serve water) so remember to bring your own when you are going to events and activities. As of right now all events are still pre-register only. If you are interested in going to an

event, and are unsure how to register, please let me know and we can help you.

The Barony currently has a few open offices. These include Thrown Weapons Marshal, Archery Marshal, Hospitaler, Youth Chivalric Marshal, Youth Rapier Marshal and Rapier Marshal. If you are interested in any of these offices, please let me or Their Excellencies know. Summer Round Table hosts many classes needed for officer warrants, as well as interesting classes about the business side of the SCA. If you are interested in holding any of the open offices you should think about attending Round Table. If you need help attending, please let me know, and we can help arrange that.

I am currently looking for a deputy seneschal. Please let me know if you are interested, and we can talk about what this will entail.

Namron is currently having in person populous meetings, but we will continue to have our monthly business meetings online. We encourage all officers to attend, but we also encourage any members of the populous to attend as well. This is a great time to learn the ins and outs of how the Barony is run.

From the Herald

What's good, Namron?

Howdy, Namron!

Your semi-virtual local herald here at herald@namron.ansteorra.org or on Facebook for all your heraldry needs! Do you want to work on a name or a device? Are you looking to add another badge or two to the mix? Or perhaps you're satisfied with your current heraldry and want to chat about heraldry jokes. Whether you want to work on submitting your idea, don't even have an idea to start with, or just want to enjoy silly historical cants, I eagerly await your communications!

There will be another Virtual Herald's Point in August for those of you who missed the spring VHP or just couldn't get enough of it, details are forthcoming.

Also, did you know you can recommend a member of our very own populace for an award? Let the rest of the Kingdom know how awesome our populace is by following the instructions on <https://ansteorra.org/namron/officers/herald/awards/>

FROM THE MINISTER OF ARTS AND SCIENCE

Hello Namron!

I hope everyone has had a chance to get to an in person event!! I got to go to the First one and it was wonderful! I got to see a lot of friends that with the Pandemic I have not had a chance to see!

Everyone was out in their cool summer garb! I met some new favorite people in person, which was awesome! I got to learn some awesome new things from great teachers at classes! I also got to watch some of the competition for Royal Huntsmen! All in all, it was a fantastic day.

So what have you been doing? What are you working on? Any new things that are you starting? I have been dipping my hands into making carved walking sticks. It's very peaceful! I have about two almost done.

I'm also just getting into Glass Blowing and Swalting. So far it's been more trial than success! But it's a work in progress right!

I want to say what amazing scrolls that Fire-Storm Ink has been producing! And that they have been maintaining their weekly meetings so that they can be there for each other (even if it's on Zoom) !! I'm hoping to start the weekly Arts and Science meet-ups back up as soon as we get the approval/place worked out! Thank

you for your patience on this. I might schedule one or two at the central Library but I would like your input.

I hope to see everyone at some of the in-person events!!!

From the Webminister

Greetings Namronians!

Hey, we are starting to do things IN PERSON now! I was super happy to make it to Castellán in June and see long missed friends! I even got to meet / see some of YOU. Their Royal Majesties also announced that after July 1st, no masks will be required for outdoor events. Woot! Everyone was very well behaved with their masks and the weather was mostly perfect for the day.

I hope to see some more of you at Eldern's *A Day in the Park*. In case you forgot, we have a Barony of Namron website! It is steady and stable with no recent changes. If you have any change suggestions or updates for our site, you can use our [Change Request Form](#).

I look forward to meeting more Namronians soooooon!

FROM THE THROWN WEAPONS AND ARCHERY MARSHALS

Good Solstice tidings Namron!

We hope this summer will be fruitful for you all, and that everyone can manage to stay cool and hydrated.

As we've spoken about in our recent meetings, we're on the hunt for a more centralized practice space for our missile practices. We would like missile practice to be easier for everyone to participate in! We're asking everyone to keep an eye out for potential spaces. If you come up with any locations for us to explore, please reach out. You can email either of the Marshals, Their Excellencies, and/or the Seneschal.

At this time, both missile offices are open. For the time being we are capable of assisting in the transfer of office. Send in your applications if you're interested!

NAMRON THROWN WEAPONS MARSHAL

Raulff Smeithberde

ARCHERY MARSHAL

From the Rapier Marshal

Greetings, Namron,

June was a busy month! Weekly practice has kicked off, and we continue to have five or six participants. We made plans to play Smear the Peacock on the 28th!

We also saw the return of events! June 12th was Queen's Champion, and there was a significant group of Northern fighters in attendance. Forty-four fighters took the field to be Champion to Her Majesty, Margherita. Don Lorenzo is our new Queen's Champion, and Jacques and Kazimir Lyszkowycz Wylkowski were awarded the Blade of Merit. Maestro Orlando Giovanni won Northkeep's Provost tournament. Kazimir and Anastasia received the Queen's Rapier, a non-armiduous award given by Her Majesty to those who impress her. Kazimir also made it to the finals.

I became Don Cornelius's Cadet, and I am looking forward to taking the next steps along the path to becoming a White Scarf of Ansteorra and serving our Stellar Queens and community.

Don Elric Dracwin of Wiesenfeuer was asked to join the Order of Defense. His elevation will take place on July 24th, at Eldern Hills' Day in the Park.

Summer Crown Tournament and King's Champion will take place on July 10th. There won't be any Rapier at the event, but we will have a new Princess! Summer Roundtable will be the following week, online. If you are interested in taking office, becoming a Marshal, or you want to learn more about the kingdom and how it runs, please, make plans to attend. In addition to Don Elric's elevation at Eldern Hills' event, there will be Rapier.

Practices will continue as long as weather permits on Tuesday nights at 7 pm. We are currently meeting at Earlywine Park (119th and May Ave, OKC) on the west side of the park near the playground. Loaner gear is available, and we're eager to see practice grow again.
