Greetings Good Gentles of Namron!

While the rain threatened to derail our plans, the clouds parted and we had a beautiful day for our Fun Day in the Park. Congratulations to Halldóra, the winner of the Rapier Novice Tournament! We really enjoyed getting to see people in a fun, more casual setting and look forward to doing something similar again in the future.

While we have enjoyed the coolness of having the last couple of populace meetings in the library, due to size limitations on indoor events, we will be moving populace meeting outdoors. Because the days are getting shorter and we will be outside, populace meeting will start a little earlier as well. We will meet Thursday September 2nd at 6:30 pm at Andrews Park (address). This is the same location as our Fun Day in the Park, just south of the library where we have been meeting. We will plan to meet under the permanent pavilion on the west side of the park, but if it is occupied we will find another spot in the park. Remember that masks are now required at both indoor and outdoor activities and that everyone must sign in and provide a form of contact information. Also, since we will be outdoors, remember to bring a chair! As always, watch the Facebook event and group as well as the email list for updates.

Baronial t-shirts are in! If you ordered a t-shirt, you can pick it up at September's populace meeting or contact one of us and we will figure out a time to get it to you. If you were in the group shipment of the new Vindheim trim from Calontir Trim it is also in. Please contact Baroness Kyna about how to get your trim!

We are looking forward to this fall's events, including Namron's Protectorate (October 22-24) and Skorragnar's Axeman (November 5-7). If you are interested in helping with one of these events please reach out to the event stewards -Fru Sigridr in Kyrra for Protectorate and Lord Oddr Marsson, Lady Dalla Hordmarsdottir, and Lady Sam Bramall Davenport for Axeman. His Excellency and I are putting together prize baskets for our champions (who have now served the Barony for over 2 years!!!). Please reach out to us if you would like to contribute to the baskets.

We look forward to seeing you at populace meeting!

From the Herald

What's crackalackin' Namron?

Your local herald here at herald@namron.ansteorra.org or on Facebook for all your heraldry needs! Do you want to work on a name or a device? Are you looking to add another badge or two to the mix? Whether you want to work on submitting your idea, don't even have an idea to start with, or just want to enjoy Italian impresas, I eagerly await your communications!

I want to thank everybody who participated in the second Virtual Herald's Point, it was a blast and I know us consulting heralds had a crazy time with some of the most strongly canted badges we've ever seen.

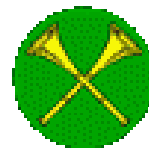

In other heraldry news: Namron Protectorate! I am looking for any heralds willing to help with the event so we can have a smooth ride and a truly awesome Protectorate. Please reach out to myself and / or the event steward for details.

Also, did you know you can recommend a member of our very own populace for an award? Let the rest of the Kingdom know how awesome our populace is by following the instructions on <https://ansteorra.org/namron/officers/herald/awards/>

FROM THE MINISTER OF CHILDREN

Greetings All!

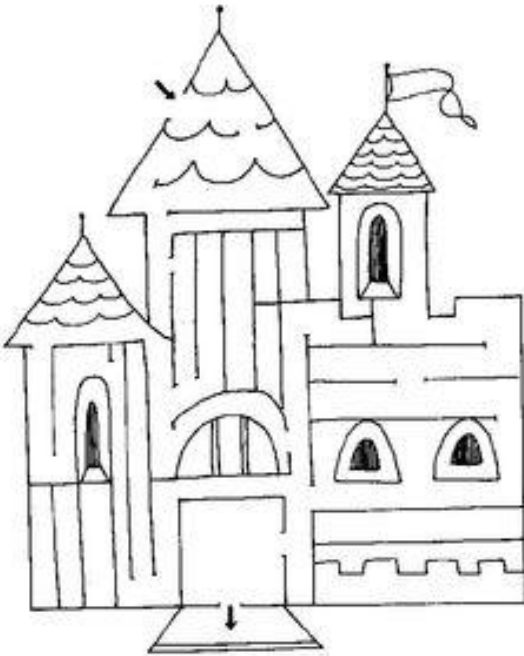

I'm so sad that children's activities are put on hold again. Eventually we will be able to meet again while learning and having fun. Towards the end of this month, we finally enter Autumn. I would like to send everyone an early Happy Fall Y'all! I don't have much this month except hopefully helping with Protectorate. Maybe I can have some grab and go activities for kids.

Joyfully yours in Service,

Lady Dyrfinna Mikaelisdóttir

FROM THE RAPIER MARSHAL

Greetings, Namron,

Greetings Namron!

It's September, and there are a few events coming up.

Ravensfort Defender of the Fort is September 17-19, and there will be a rapier tournament. Countess Tessa will be made a Peer there as well. As a member of the Order of the Rose, I'm sure she would appreciate the attendance of any Rapier fighter who can be there. Coronation will be held at Rosenfeld 30th Year and War College. There will be rapier activities there, as well.

Other activities, including Namron Protectorate, will happen in October!

Practice is still being held at Earlywine Park on Tuesdays at 7 pm. Since the Kingdom has gone back to stricter Covid precautions, we must wear masks and socially distance while we are there. There is a potential indoor practice location in the works. With the indoor location, we can keep practicing as the sun sets sooner. This may change the schedule, but the Marshal will announce changes when they are final.

Speaking of which, as long as all goes well, you should have a new Rapier Marshal by the next issue of the Plume!

Yours in Service,

Lady Sabine Fulhaberin

Rapier Marshal

“The black ink that was used in medieval Europe is called iron-gall ink. There are hundreds of recipes for making iron-gall ink, but they have a few things in common. These things are gallnuts, iron vitriol (a. k. a. copperas), and gum arabic. Many recipes also use rainwater and wine.

A gallnut is the swelling of the bark on a tree after an insect has laid its eggs inside the bark. To make iron-gall ink, the gallnut from the gall wasp is used. The wasp lays an egg in the bud of an oak tree. Around the larva a round sphere—the gallnut—begins to form. When the larva is a fully developed wasp, it bores a hole in the gallnut and flies away. With the wasp gone, the gallnut is harvested for making ink. The finest gallnuts came from Aleppo in present-day Syria.”
