Greetings Good Gentles of Namron

We hope everyone is enjoying the cooler weather! Changes abound not only in the weather, but within the SCA and Namron as well.

We were able to attend Coronation and witness the changing of our Royalty. After a long and challenging reign two of our populous members have just stepped down from serving as our King and Queen. They have done an excellent job leading our Kingdom and were rewarded in a small way by being offered Augmentation of Arms. We were also able to witness King Floki and Queen Elizabeth step up to sit upon the Sable Thrones. We are excited to have a new pair of Royalty and can't wait to see the excitement their reign brings.

Shortly after Coronation the Board of Directors released a change to the SCA's Covid-19 policies. This new policy was quickly adopted by the Kingdom of Ansteorra and will take effect October 15th. The new policy will have an affect on all of our activities, so please familiarize yourself with the details, which can be found on the SCA's main webpage at:

Link to Board policy: <https://www.sca.org/.../covidsafe-proof-of-fully.../>

Link to FAQ from the Board: <https://www.sca.org/.../COVIDSafe-Proof-of-Vaccination-or...>

Change is also coming to our Populace Meeting location. October's meeting is set to be held outdoors at the amphitheater at Andrew's Park on October 7th at 6:30 pm. The change is that November's will be held at a different place. We don't know exactly where the new location will be, but it will most likely be indoors somewhere. Check the email list or Facebook group for more information.

With all of these changes happening it is inevitable that people will have strong feelings either way. Please be mindful of others and continue to treat each other with the Honor and Courtesy that the SCA strives for.

Regards,

Baron Micolay and Baronowa Uliana

FROM THE YOUTH ARCHERY MARSHAL

Greetings!

I'm Don Cornelius Meriläinen, newest Youth Rapier Marshal for the Barony of Namron. I look forward to working with the youth of Namron, and our sister Barony Wiesenfeuer, in developing the next generation of rapier fighters. Unfortunately, we are off to a slow start as youth rapier practices are currently cancelled throughout Ansteorra due to Covid limitations. While there is not a definite endpoint at this time, I'm hopeful that we may be able to restart practices by the end of the year, or shortly thereafter, given the current decline of infection rates in the state of Oklahoma.

Practices, when they are again available, will be held at the Southern Oaks Recreation Center located at 6818 S Walker Ave in Oklahoma City. Practices run on Tuesday evenings from 6-7pm. Loaner gear is available, but fighters are required to wear full-length clothes (shirts, pants, or equivalent). Male groin protection is also required for male practitioners.

In recent news, Their Majesties of Ansteorra proclaimed at Their coronation that all required Youth melee (and possibly non-melee) activities at Kingdom-level events, such as the Kingdom's Youth Rapier Champions, are suspended given the current Covid restrictions. While it is possible they may lift these restrictions should a marked improvement in Covid infection rates be seen, the current plan is for this suspension to remain in effect through the course of Their reign.

FROM THE RAPIER MARSHAL

Greetings, Namron,

It's October and there have been a few changes in the last month. First off, hello. I am the new Rapier Marshal, Sefa in Spaka. Pleased to be here. I also have a new Deputy Marshal, Sævarr Máni.

As far as other changes that have happened. The day and location for weekly practice of Rapier and Cut & Thrust has changed. It is now on Wednesdays at 7pm at the Southern Oaks Rec Center in OKC. It is inside, masks are required even when fighting and there is a \$2 cover charge per participant.

Yours in Service,
Sefa in Spaka

“The term parchment is a general term for an animal skin which has been prepared for writing or printing. Parchment has been made for centuries, and is usually calf, goat, or sheep skin. The term vellum from the French veau refers to a parchment made from calf skin. The manufacture of parchment is quite involved.”
