Greetings Good Gentles of Namron

Namron's Protectorate event was a great success. Wasn't it great to have an in-person event again?!? Everyone that attended seemed to have a wonderful time and that is thanks to the hard work of many in the Barony.

We would like to thank our Arts and Science Champion, Keresten Merilainen, Baroness' Justice Cornelius Merilainen, and Protector Timo Kalamanos for serving for two years and running the competitions. We are honored to now have Skjöldúlfr Hildibjarnarson serving as our Arts and Sciences Champion, Marcus von Furth serving as the Baroness' Justice, and Bjorn Hauksson serving as Namron's Protector!

At evening court, we were very glad to have the opportunity to induct four new members into the Order of the Heart of the Sable Storm: Lady Kersten Merilainen who has been serving and sharing her time and art in our Barony for many years, Lord Captain Savage who among other things has been the heart of our thrown weapons community, Honorable Lady Villana Palazolo who has autocratted or helped with more events than we can count, and Fru Kolfinna Egilsdóttir who has jumped into our Barony with such vigor as she served in multiple offices and helped with many events. All of you have done so much for Namron and woven yourself into the fabric of our group. You are what makes Namron strong and the order is eager to have you all join.

Coming up on Nov 5-7th the Canton of Skorragnarðr is hosting the 16th Axman event at Camp DaKaNi in Oklahoma City. There will be Archery, Thrown Weapons, Chivalric, Rapier, Arts and Sciences and Bardic Competitions. It looks to be a great event and we are excited to see many of you there!

Regards,

Baron Micolay and Baronowa Uliana

Your local herald here at herald@namron.ansteorra.org or on Facebook for all your heraldry needs! Do you want to work on a name or a device? Are you looking to add another badge or two to the mix? Whether you want to work on submitting your idea, don't even have an idea to start with, or just want to explore weird Dutch cants, I eagerly await your communications!

If you or another gentle have received an award from this barony, at any point, and see that it is not in the OP, please reach out to me as soon as you can.

Also, did you know you can recommend a member of our very own populace for an award? Let the rest of the Kingdom know how awesome our populace is by following the instructions on <https://ansteorra.org/namron/officers/herald/awards/>

The MINISTER OF CHILDREN

missile@namron.ansteorra.org

Hello all!!

Your outgoing Minister of Children here. It has been an honor to be MoC for this amazing Barony. I have truly enjoyed working with everyone in Namron and getting to know so much more about her people and the society. I will still be around, helping where I can.

I may no longer be the Minister of Children for Namron, but I'm moving up to the Principality MoC, right now the Incipient Principality MoC. I am excited for the opportunity to help shape our children's activities for the Principality.

With me no longer the Namron MoC, I want to encourage others to apply for the position. If you have any questions about what being an MoC does, please contact me. I can share ideas and helpful information for anyone wanting to know more. There are so many amazing people willing to help.

Now, I leave you with one last activity... a word search I put together for Protectorate. Thank you all so much for your support and help.

Yours in Service,

Lady Dýrfinna Mikaelisdóttir

the Rapier Marshall

Greetings, Namron!

It is November so I hope everyone had a good Halloween. In October we had Protectorate. And on that note, I want to congratulate Marcus Von Fürth who is our new Protectorate Champion. Also want to congratulate Don Cornelius who did an amazing job setting up the tournament. I owe a big thank you to all of the Marshals who helped out and volunteered their time at the event. And well done to all the Rapier fighters who fought in the tournament. It was a great first event for me as Marshal in Charge.

As for November, we are still holding practice for adults on Wednesdays, 7pm to 9pm, at the Southern Oaks Rec Center in OKC. It still costs \$2 per fighter and is following the new COVID protocols. And we are also going to be doing some classes during practice.

I hope to see many of you there or at queens on the 13th of November.

Yours in Service,

Sefa in Spaka

Rapier Marshal

the Rapier Marshall, Youth

Greetings!

I'm Don Cornelius Meriläinen, newest Youth Rapier Marshal for the Barony of Namron. I look forward to working with the youth of Namron, and our sister Barony Wiesenfeuer, in developing the next generation of rapier fighters. Unfortunately, we are off to a slow start as youth rapier practices are currently cancelled throughout Ansteorra due to Covid limitations. While there is not a definite endpoint at this time, I'm hopeful that we may be able to restart practices by the end of the year, or shortly thereafter, given the current decline of infection rates in the state of Oklahoma.

Practices, when they are again available, will be held at the Southern Oaks Recreation Center located at 6818 S Walker Ave in Oklahoma City. Practices run on Tuesday evenings from 6-7pm. Loaner gear is available, but fighters are required to wear full-length clothes (shirts, pants, or equivalent). Male groin protection is also required for male practitioners.

In recent news, Their Majesties of Ansteorra proclaimed at Their coronation that all required Youth melee (and possibly non-melee) activities at Kingdom-level events, such as the Kingdom's Youth Rapier Champions, are suspended given the current Covid restrictions. While it is possible they may lift these restrictions should a marked improvement in Covid infection rates be seen, the current plan is for this suspension to remain in effect through the course of Their reign.

Greetings Namronians!

We have a [website](#)! Have you been? Have you shared it? It's a lovely website! With a cool URL!

I've had a couple of people reach out with corrections on the site this past month and I'm **so** impressed by their catches! We have *lots* of resources available on the site! Please let me know if you find any errors. (See below.)

We did have a Kingdom-wide website outage this past month for a short time. It was an obscure bug and the issue should not happen again.

If you have any suggestions, feedback or corrections for the Namron website, remember we have a [Website Change Request Form... on our website](#)! If you should be listed on the Baronial OP, but are missing, please let me know.
