Greetings Namron!

After a two year hiatus, two of our biggest events are back!

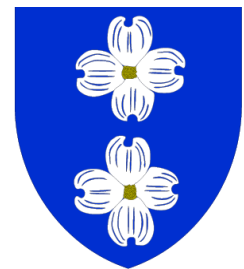

Gulf Wars is happening March 12th-20th over and down in Gleann Abhann. While we are not personally going to be able to attend, we are excited that so many of our Populace are making the trek. We would like to thank Duchess Margherita for coordinating land and Mistress Kyna for organizing the group camp. If you are interested in going and have registered, don't fret. You may have missed the deadline to pre register, but you can still attend and pay at the gate. For all those that are attending, please make sure to read up on the Kingdom of Gleann Abhann's Covid-19 policies as they are different from our own. We hope you all have a great time and bring back some great stories!

April 1st-3rd is the Medieval Fair of Norman, our biggest recruiting event of the year. We are excited to have the opportunity to show off all that we do for the general public. We often gain a bunch of new members thanks to this event and we hope to do so again this year. The format will be a little different due to some changes with the event, but as always are plenty of ways to be involved. The Medieval Fair demo doesn't work without lots of volunteers, so be on the lookout for ways to help out.

Yours in Service,

Greetings Namron!

March is usually the start of the busy season for Namron and this year is no exception. Gulf Wars, Medieval Fair and Beltane are all on the short horizon and all come with its own ups and downs.

Gulf Wars will be here before we know it and many from Namron are making the trek to the wilds of Meridies. While there we will meet, drink, one of us will be Knighted, and be merry. Classes will be happening every day along with chivalric and rapier fighting, equestrian activities, shopping and everything else we could ever want in a war. We look forward to seeing as many of you there as we can.

Medieval Fair always has the possibility of being the largest demo/recruitment event in the area, and this year should be no exception. Maestro Orlando and Lord Darion are both working hard to make this event one of the best yet. Please, check with either of them if you are willing to volunteer. Remember, many hands make light work.

Beltane is right on the heels of the Medieval Fair, and HL Villana and Lord Diarmuid are working hard to have this event filled with frogs, cabers, and fires. Please lend them a hand as they need.

Namron still has a few open offices, though none of them are required offices. If you have any questions, please let us know.

We are excited to see what this year brings and look forward to sharing it with all of you!
