## FROM THEIR EXCELLENCIES

### Baron Micolay Haiduk And Baronawa Uliana Haiduk

Greetings Namron!

We are excited that two sets of candidates have put their names forward to be the next Landed Nobility of Namron! Thank you to Lord Dairmuid Map Brain and HL Villana Palazolo; and Lord Yancy Alfsson and Fru Kolfinna Egilsdottir for applying for the position. Now is the time for the populace to give their input. Both sets of candidates will make some short comments and answer question at July's populace meeting before the polling opens. We encourage everyone to participate in the polling and make your voice heard. If you have any questions before the meeting, please let us know.

Later this month, on July 30th, we will be hosting a Baronial workday at our house. Our major goal will be to paint the newest pavilion, work on Father Winter toys, and several other smaller projects going on as well. There will be plenty to do, so we encourage everyone to come and help out. There will be more details posted to the email list and Facebook groups as we get closer to the date. Our home is kid friendly, so everyone is welcome, but be aware we have two friendly and very hairy dogs. We hope you will join us as we make the Barony even more beautiful!

**the Chronicler**

Greetings unto the Populace!

We are missive rich this month, so much happening these days!! Any submissions you would like to make for the August issue of *The Plume* are due by July 26, 2022. Please contact me at [chronicler@namron.ansteorra.org](mailto:chronicler@namron.ansteorra.org) with any art work, ideas, songs, limericks, favorite recipes, games or challenges!

Joyfully in Service,

*Frú Sigriðr in Kyrra*

**the Herald**

What's cool Namron,

Your local herald here at [herald@namron.ansteorra.org](mailto:herald@namron.ansteorra.org) or on Facebook for all your heraldry needs! Do you want to work on a name or a device? Are you looking to add another badge or two to the mix? Whether you want to work on submitting your idea, don't even have an idea to start with, or just want to explore interesting applications of ermine, I eagerly await your communications!

I would like to thank all the Namron heralds who stepped up, even on incredibly short notice, to make Coronet go smoothly. I would like to extend

particular thanks to Hu Zhen and Saevarr Mani for handling Procession, Site, and List herald coordination with no notice, and to Guinevere verch Llywelyn for being a stellar list herald as always. I'm so sad I couldn't be there, but I knew we were in good hands.

At the Princess Champion tournament, fighters have been asked to be heralded onto the field to help make everything more fun and fill the day with pomp and circumstance. If you would like to volunteer to herald a fighter, please reach out to myself, our current Princess Champion Marcus von Furth, or the fighter themselves to coordinate.

If you would like to get involved in any kind of heraldry, please reach out to me and let us heralds feed your interest!

If you or another gentle have received an award from this barony, at any point, and see that it is not in the OP, please reach out to me as soon as you can. Also, did you know you can recommend a member of our very own populace for an award? Let the rest of the Kingdom know how awesome our populace is by following the instructions on <https://ansteorra.org/namron/officers/herald/awards/>

*-Lady Áshildr inn Hárfagri* Sable Storm Pursuivant

## the Hospitaler

I wanted to say thank you all for those who have stepped up and was being a great hospitalers. One person who comes to mind is Hu Zen who has in my opinion a great example of a Hospitaler. I am very proud of her and applaud her efforts.

Coronet was enjoyed by all the Newcomers. They were able to see all the aspects of the SCA that make it so wonderful - the pageantry, the commaraderie, and way we take care of our people. Looking forward to see all of them at future events!

*-Lord Diarmuid Map Brain*

## the MINISTER OF ARTS AND SCIENCES

Greetings from your new Minister of Arts and Science, I am Halldóra Hrafnisdóttir. I am so excited to step into this role and look forward to seeing everyone and enabling all the A&S things within our talented Barony. Friendly reminder to all, we have our A&S meeting on the second Monday of every month (July 11 is our next meeting). We will be doing hybrid meetings so if you can't come in person, check out the Facebook event posted to the Barony of Namron's Facebook page with the virtual details. Also feel free to share the event page to anyone who may be interested in seeing what we do. If you are interested in sharing your passion with our populace, send an email to [moas@namron.ansteorra.org](mailto:moas@namron.ansteorra.org) with your information and what you'd like to show everyone!

*-Lady Halldóra Hrafnisdóttir*

## The Minister of Children

Greetings to our wonderful populace!

I'm so excited to be taking on the mantle of Minister of Children (MOC)! With events happening again and the world opening up there are so many great opportunities to get our youth involved. Most recently, Beltane had many children participate in our flower pot painting class and took home a small celosia plant to remember the day. I hope your flowers are still doing well! Don't forget to replant them soon and make sure they get plenty of sun.

On the horizon is the Vindheim Coronet tourney and the principality MOCs are working on some great classes for the children that attend. It will definitely be a team effort and we can't wait to share in the fun on what is sure to be a glorious day!

If you are interested in helping with our children's activities in the future, please let me know! We are looking for Deputy MOCs for Namron as well as MOC at Large. A background check does need to be completed for these positions but don't worry - it is easy and painless.

Also, if there are classes or activities you would like to see provided for our youth, please reach out and we can work on getting them on the calendar. Again, I'm so excited to get to know our many awesome youth and look forward to working with the families of our barony, principality, and kingdom.

*-Lady Emma O'Ruairc*

## the Rapier Marshal

Greetings Namron!-*Sævarr Mán* ī

## the Rapier Marshal, Youth-Office open for application

## the Seneschal

Greetings Namron!

We have new Royalty! TSH Jean Paul and Gyllian were victorious at Coronet tourney against many valiant competitors. Congratulations to Their Highnesses!

At Coronet Tourney our very own Caterina was elevated to The Order of the Pelican! Congratulations!

We do still have a few offices open: Youth Chivalric, Youth Rapier, Archery. If you are interested in any of these positions, please let us know.

Protectorate will be here quickly and Euphemia Skúladóttir (Ann Marie) has been chosen as the Event Steward! We hope all will help her as she needs. We are also announcing the Feast stewards for Protectorate, Maestro Orlando and Lady Dyrfinna. We look forward to a yummy feast!

With Protectorate comes new Landed Nobility of Namron. We are sure they will do a great job, who ever they are. 😊

This past month has been HOT and this next month is going to be HOTTER! Please make sure you are staying hydrated when ever you are outside.

### the Treasurer

Greetings good populace,

I'd like to say thank you to all of you, including all those outside of our barony, that helped at Vindheim Cornet Tourney gate. You all made my job as gate coordinator easy. We made a small profit and are sending a portion of it to Vindheim. As always if you have any questions or concerns or want to review the books they are always open to the populace. If you have any questions on how the office works or working a gate shift, I can put together a time or a class to share my knowledge I am learning. As I am finding out, this position is not as scary as I thought it would be.

YIS,

## the Webminister

Greetings Namronians!  
We have a website! With a cool URL!

We all survived Coronet Tourney! The heat was something else, but it was lovely how all of us were looking after one another. It was also an emotional day. I feel like things calm down a bit now, though. Perhaps I'll see you between now and the Fall, but... Fall is coming! (whew!)

If you've written (on the book of faces, perhaps?) a review of Coronet Tourney, I know Zubeydah would love to have it for the Wiki! Or perhaps you have updates for *your* Wiki page. I am happy to help you with updates or getting your event review onto the wiki, as I am also a Wiki Editor.
