FROM THEIR EXCELLENCIES

Baron Micolay Haiduk And Baronawa Uliana Haiduk

Greetings Namron,

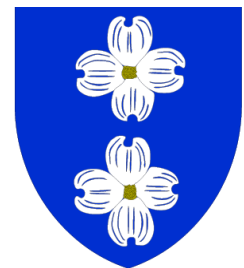

Very soon, we will know who the Crown has selected to serve as the next Baron and Baroness of Namron! These means the next several months will be a time of transition for our group. Transitions can be a great opportunity for the health of a group and so, we would ask two things of our Populace during this time. First, please lend your support to the new Nobility. They will be learning new things as they settle into their rolls. You will be able to help them greatly by serving on entourage, providing feedback when they ask for it, or serving in any volunteer positions they need. Second, please continue to be an active part of our Barony. Your participation in practices, meetings, demos, and events is the glue that keeps our group running strong. Continuing to do those things will go a long way in helping the new Nobility.

We would also like to thank everyone who came out to the Baronial work day. We accomplished much and the newest pavilion, now called the Tempest, looks amazing. We can't wait to see it up at an event soon!

the Herald

What's cookin' Namron,

Your local herald here at herald@namron.ansteorra.org or on Facebook for all your heraldry needs! Do you want to work on a name or a device? Are you looking to add another badge or two to the mix? Whether you want to work on submitting your idea, don't even have an idea to start with, or just want to see how long we can make an Italian name, I eagerly await your communications!

Did you know that during Pennsic there is a heralds point? Did you know that heralds are here, back home, providing technical support, conflict checks,

and digital art for these submissions? If you would like to assist our heralds on the ground at Pennsic from the comfort of your home, please reach out to myself or Lillia da Vaux! Good luck and happy heralding to those at Pennsic!

If you would like to help with list heralding at the Princess Champion Tournament on August 27 at the Missile Academy please reach out to me. If you are interested in trying out any form of vocal or book heraldry and don't know where to start, please also drop me a line!

If you or another gentle have received an award from this barony, at any point, and see that it is not in the OP, please reach out to me as soon as you can.

Also, did you know you can recommend a member of our very own populace for an award? Let the rest of the Kingdom know how awesome our populace is by following the instructions on <https://ansteorra.org/namron/officers/herald/awards/>

Greetings good gentles of Namron! Friendly reminder to all, we have our A&S meeting on the second Monday of every month. For the month of August, we are hosting a virtual roundtable to discuss the judging criteria and documentation for Kingdom A&S entries. -Lady Halldóra Hrafnisdóttir

The Minister of Children

for Deputy MOCs for

Greetings to our wonderful populace!

Although we had a very hot day at Vindheim Coronet tourney, we had great participation from our children. We had a wonderful amount of banners painted by the kids and they also learned about voice heraldry and bees! Thank you to all of the helpers that stepped up

to help wrangle and observe, especially our teachers: Maestre Donnchadh Beag Mac Griogair and Lord Wilhelm Meis. Everyone that helped with our classes help make some magic for our kiddos!

If you are interested in helping with our children's activities in the future, please let me know! We are looking

Namron as well as MOC at Large. A background check does need to be completed for these positions but don't worry - it is easy and painless.

Also, if there are classes or activities you would like to see provided for our youth, please reach out and we can work on getting them on the calendar. Again, I'm so excited to get to know our many awesome youth and look forward to working with the families of our barony, principality, and kingdom.

Yours in Service,

-Lady Emma O'Ruairc

the Seneschal

Greetings Namron,

Many things are happening in our fair barony! We still have a few officer positions open, and more coming available in the next few months. Keep an ear out if you are interested in helping the barony in any of these positions.

Protectorate is coming up, and with that we will have new Baronial Nobility. Please make sure we help the event steward with anything she may need. This is, after all, her first time as an event steward, and she has no other large event coordination in her history. 😊

We are also opening up tavern bids for Protectorate. There are 2 options: Self funded, or Baronial funded. For self funded, you will pay all upfront costs, and you will keep all profits. We do request a bid with menu and prices. If baronial funded the Barony will front the money, and the barony will keep any profit. We will need a full bid, including the cost of ingredients as well as a full menu. We are hoping for breakfast Saturday and light breakfast Sunday, as well as lunch Saturday. Please let us know if you are interested or you have any questions.

Please make sure you are staying hydrated through these hot months!

Greetings Namronians!
We have a website! With a cool URL!

I feel like things have quieted down a bit, at least in our area. There are definitely some special interest types of events going on and we have some demos coming up! I hope you'll come out and help when you can and that you're enjoying your summer.

Stay hydrated!

Namron Out and About!

Reports from the Field

Hi everyone!

I hope you're doing okay. It's been super hot and dry lately, but it should cool off soon! We really need the rain; I can hardly wait to get some. I've missed it.

What have you all been up to? I bet it's pretty interesting, whatever you're doing. Our Barony has so many talented people! I've been prepping for Pennsic. I'm very fortunate to be able to attend this year, and plan to at least TRY to show others the kind face that I know our Barony is known for. I will try to take pictures!

Sending much love from my own little slice of Namron (Pennisic!).
