Holiday Tea with the Hersirkona

Date: Friday, December 23, 2022

Time: 5-8 pm

Location: 2808 Creekview Place, Norman

Running errands? Getting ready to travel? Just need to fill a gap on your December calendar?

Drop in for tea, hot chocolate, and cookies! Nothing fancy, just some relaxed social time. Come and go as you please between 5 and 8. We would love to see you!

We'll have the fireplace burning, and Baron Yancy will have the fire pit crackling in the backyard if the weather is suitable.

Allergen notes: Things like flour and spices will certainly be in the air. No ambience fragrances in use. One small grumpy dog will be sequestered. Indoor fire uses gas logs.

From Their Excellencies

Baron Yancy Álffson and Hersirkona Kolfinna Egilsdóttir

December is here, and there is much to do as we get ready for the new year! We extend our congratulations to the Barony of Stargate, who just celebrated their 50th anniversary! Vindheim Coronet Tournament is coming up on the 10th in Wichita Falls. We will bring the Calm and hope to see many of you there in the Temperature-Controlled-Building! Our neighbors to the north, the Barony of Wiesenfeuer, are hosting their annual Yule event on the 17th. It will be a wonderfully relaxed day, with lots of things to do with your friends.

November was exciting; our Canton of Skorragardr kicked off the month with a fabulous Axeman event. Marshalate Madness was a great success thanks to the team of Authorizing Marshals who attended. You'll likely see another of these in the coming year! We were thrilled to see so many of you at the War of the Rams in the Barony of Bordermarch. Our cousins really outdid themselves this year. If you've never been to a War in the SCA, they are just so much fun! Let us know what we can do to help you attend one.

The Pennsic War is the largest event in the SCA, spanning two weeks at the end of September each year. It takes an enormous team of volunteers to make it happen. This coming year, the first-ever Young Adult Internship Program will be in place, teaching four SCAdians, ages 18-24, about various facets of managing large events. We are ecstatic to congratulate Namron's own Chu Fu Hu Zhen on her selection for this pilot program! We are so proud of you!

Please join us at the December Populace Meeting on the 12th. It will be held at the Norman Central Library, on the 3rd floor, in the Oklahoma Redbud Room, beginning at 6:30 pm. If you wish to participate in the gift exchange, bring a wrapped SCA-relevant item. We will also have a potluck feast, so bring food to share. We do ask that you bring your own feast gear, if possible, to minimize the amount of trash. Something new that we are trying out is holding a Presentation Court.

Court will be opened and after business is concluded, any member of the populace who wishes to share wordfame, present a donation to the Barony, perform a short bardic piece, etc. is welcome to come forward and do so without being called into court. A Baronial Wish List is included on another page in this issue of the Plume. We have so much exciting news to share with you, and look forward to seeing you there!

Welcome to Lady Isabeau, our new Target Archery Marshal, and to Baroness Annabelle and Lord Diarmuid, the new members of the Financial Committee. We still have several officer positions open, so don't hesitate to reach out to the Seneschal- Mistress Kyna, to us, or to the current officer if you're interested, but unsure. Any of us will be happy to answer your questions! We are so thankful for everyone who steps in to help with the business of the Barony. Your guidance, and the service you give, keeps Namron running and fun for our populace.

The Archery Marshal

Greetings Namron from the new Archery Marshal!

I am so very excited and proud to become Namron's Archery Marshal! Thank you for the opportunity! I can't wait to get things going again, including Royal Rounds, holiday themed shoots, and zany mini tournaments (already picturing a baked goods showdown with bagel ring and baguette wand targets and of course fabulous prizes!) I also plan to add atl atl to practice, offer archery themed classes, and hold border socials that I hope will bring surrounding cantons and baronies together in a way that strengthens the overall missile community.

And so it begins with our first practice! December 18th, 12-2pm at 4200 E. Franklin Rd, Norman, OK 73026. We will take the next week off for Christmas and then begin having regularly scheduled practice in January on the 2nd and 4th Sunday of every month (weather and circumstance dependent) at the time and location listed above.

Namron has such a rich archery history, and I welcome any suggestions, advice, and collaborations. It is my hope to bring both veterans and newcomers together in a fun, supportive, and motivating family that will take the range by storm! If you have any questions, please feel free to reach out to me at archery@namron.ansteorra.org or through direct message on Facebook under Willow Goertz Flores. Hope to see you on the range!

Namron Out and About

Submissions from our populace

My name is Jayne Cobbe, mundanely known as Rose Putnam. In the SCA I enjoy most going to war with my friends, working together to help events run smoothly, crafting with textiles or whatever my friends are experimenting with at the moment. At home I am a haphazard gardener, enthusiastic seamstress, and mom to 3 cats and one sweet old dog. It's been a rough year, but I look forward to starting a new chapter and making new friends in Vindheim and the Barony.

Yours in service,

JAYNECOBBE
