NEWS FROM BARON YANCY AND HERSIRKONA KOLFINNA

Greetings, Good Gentles of the Storm!

March has been a very busy month, but the busyness is just beginning!

We thank the Home Guard for keeping the hearthfires burning and our borders secure as we traveled to Gulf Wars this month! Many members of our populace were recognized for their contributions to our Barony, Principality, and Kingdom. The Known World Party, hosted by the Kingdom of Ansteorra and coordinated by the Barony of Namron, was a rousing success due to the efforts of scores of people, both Namronians and friends from throughout the Kingdom.

Namronians showed well upon the combat fields in all areas, with several asked to represent the Kingdom in various tournaments. Well fought, one and all! The thrown weapons range was a hotbed of activity, with several Namronians keeping things on target. Bards, artisans, and service-oriented gentles absolutely shone throughout the week.

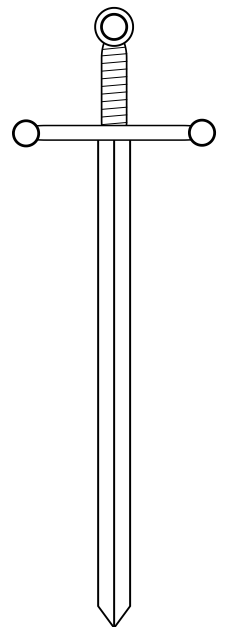

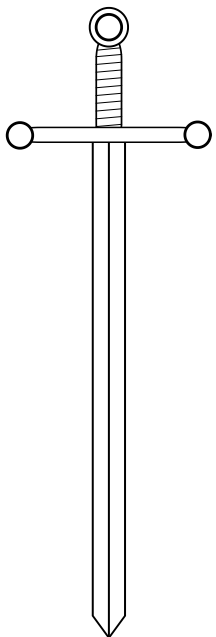

By the time this is published, the Medieval Fair Demo will be over, and we already are amazed by the continued dedication that you all have to ensuring its success every year. Please join us as we welcome new members to our Barony and help them find their way as they explore the wide variety of activities that we have available.

The Ansteorran Trident event was held in the Barony of Elfsea, on April 1, hosting three Kingdom Championships: Royal Hunter (Archery), Royal Blade (Cut & Thrust), and Eisteddfod (Bardic). Thank you to all of the Namronians who were able to represent our Barony there!

Beltane is coming soon, at the end of April. It is traditionally our "for fun" event, and this year will be no exception. The theme is inspired by the comic stylings of the Monty Python Troupe, so be assured that silliness will abound. There will be plenty of seriousness, too, as we hold our Target Archery, Thrown Weapons, Bardic, and Foolery Championships. Court will be one to remember, so stick around and share in our joy as we thank some of the good gentles who have brought glory to Namron. Please plan to attend and enjoy the merriment and festivities! Our cousins in the Barony of Wiesenfeuer are holding their annual Baronial event in April, as well. Let's show up en masse to celebrate with them!

The April Populace Meeting will be held at Sir Eadwulf and Mistress Kyna's property, featuring a mini Newcomers Event. Please watch for details and plan to attend!

A WORD ABOUT THE NAMRON MEDIEVAL FAIR DEMO FROM BARON YANCY AND HERSIRKONA KOLFINNA

We are exhausted, but bubbling over with excitement after this weekend's Medieval Fair Demo. With so many volunteers, it would be absolutely certain that we would miss someone if listing you all by name. Know that we deeply appreciate and value every moment that you contributed to the success of the demo! Please forgive us of any omissions; they are unintentional.

To our Demo Coordinators, the Honorable Lord Darian and the Honorable Lady Halldóra...wow. We had a few bumps along the way, but the two of you came together and worked seamlessly to keep things running smoothly throughout the weekend. Your responsiveness to concerns, your swift decisions, communication with us and with each other, and attentiveness to your volunteers was exceptional. Thank you!

Thank you to Her Serene Highness Caterina for your dedication to the demo this weekend and for your truly regal representation of Vindheim.

To our cousins from the Barony of Wiesenfeuer, your support and participation each year elevates this demo from good to great, and we thank you from the bottom of our hearts. We couldn't do this without you.

To our cousins from the Barony of the Steppes, it was such a delight to bear witness to your return. For those who don't know, it was a group from the Steppes who first attended the Medieval Fair in 1977, inspiring a local few to create the Shire of Namron, which became the Barony we know and love in 1979. You were an invaluable part of the demo this year, and we warmly welcome you to return at your pleasure.

Representatives of the Canton of Skorragardr, the Shire of Brad Leah, the Incipient Riding of Marata, the Province of Mooneschadowe, the Barony of Eldern Hills, the Barony of Elfsea, the Free Company of Tulsa, Wolfstar, Rolling Thunder, Patrin Or, and other groups whose names we may be forgetting (or don't know how to spell), thank you so much for attending and contributing so greatly!

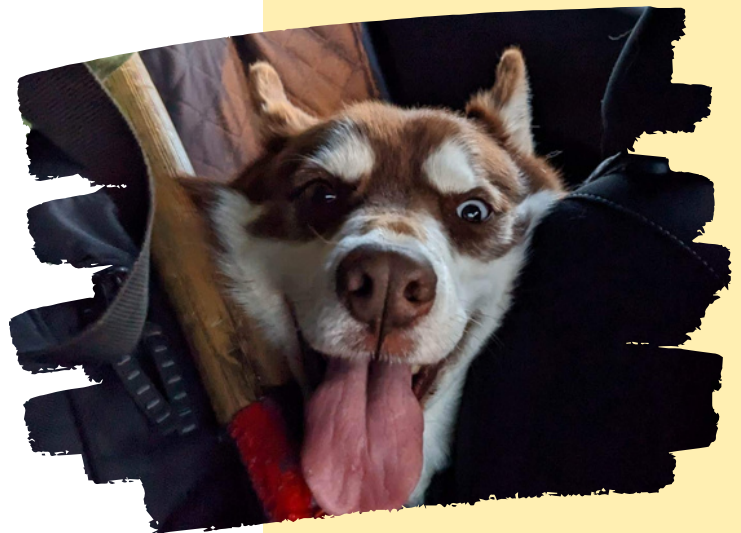

This year, we were overwhelmed by the quality of conversations you had with fairgoers. You all were wonderful at assessing interest levels and providing relevant information, introducing fairgoers to people in their areas of interest, and creating genuine personal connections. With visitors from a multitude of states, you truly represented Ansteorra as a shining star in the SCA.

We would like to specifically mention two roles that are traditionally run ragged at the fair. Waterbearing and hospitality were essential to the good health of our volunteers and you were tenacious in your insistence that we all eat and stay hydrated. Armored Combat and Rapier Marshals, your efforts are at the core of this demo, where fairgoers want to see fighting from opening to closing. Thank you for the scores of hours that you contributed.

And finally, thank you to everyone who responded so promptly to safety issues throughout the weekend, not just related to weather, but to individual health, and equipment. You mitigated damages and injuries that could certainly have been far worse.

We eagerly look forward to next year's demo. One of our goals as Landed Nobility is to put together a Best Practices document for the Medieval Fair Demo, and post it on the Namron website for use by future Coordinators. Please share your feedback and suggestions with us by email. That will aid us as we work on this project. And don't forget to submit award recommendations! For baronial awards, please use the form at: <https://forms.gle/Umpu4opfh6Pdbtyg7>

In Service,
Baron Yancy and Hersirkona Kolfinna

OFFICER NEWS

FROM THE SENESCHAL

We're Storms of Folding Tables,
Of strength and skill envious.
Tornadic winds, we do descend,
On foes whom we disable.
We're fierce and brave in Namron
With our rattan clan-spanned Canton.

We're Storm of Folding Tables,
With graces im-pecc-ables.
We wine and dine, looking divine,
In shimmering golds and sables.
We're welcoming here in Namron,
Just beware the clay you camp on.
Near time to bring the maypoles
And live our lives in fables.
But first at Pop, we'll open up
Protectorate bids viables
Yes, it never ends in Namron
I've a constant bit to champ on.

Yours In Service,
Don Cornelius Meriläinen
Seneschal, Barony of Namron

OFFICER NEWS

FROM THE TARGET ARCHERY MARSHAL

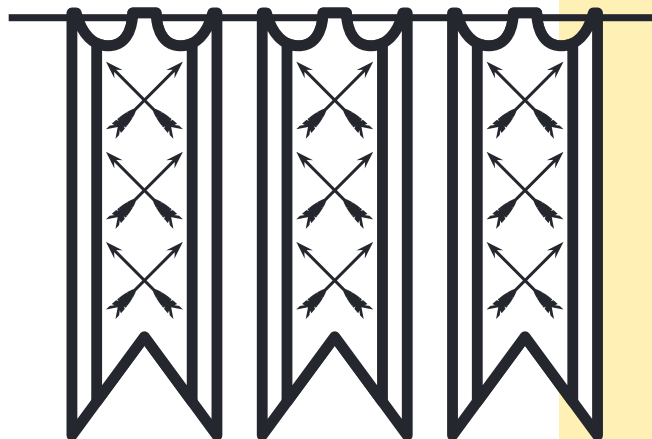

Greetings Namron from the Archery Marshal,

Happily, numbers have remained consistent with a wonderful core group firmly established. Both I and my deputy are deeply grateful for all the help that we get each practice. That being said, I would love to start growing our numbers again. Please encourage anyone interested to come to practice or just direct them to me or my deputy. It can be intimidating starting out, so I am happy to advise or instruct anytime though if contacted ahead of time, I can make certain I know what the person wants to focus on and carve out time and a designated target to hopefully make things as beneficial and carefree as possible!

March saw our group holding down the fort with practice held during Gulf Wars. I'm very excited to see even more people turning in Royal Round scores and shooters ranking up! I anticipate being able to hold a small Royal Round tassel presentation at the next practice and will be sure to share it on social media for those who wish! Namron is also participating in this season's Ansteorra fun shoot: Tic Tac Toe! Both Royal Rounds and it will continue along with general practice. I will monitor the kingdom website for more fun challenges as well as throwing in some holiday, cultural, and historic challenges. Of course, we are also always open to suggestions and have received some fun ideas that will be sure to show up soon.

Isabeau Wynter Namron Archery Marshal

FROM THE MINISTER OF CHILDREN

APRIL 2023 MISSIVE

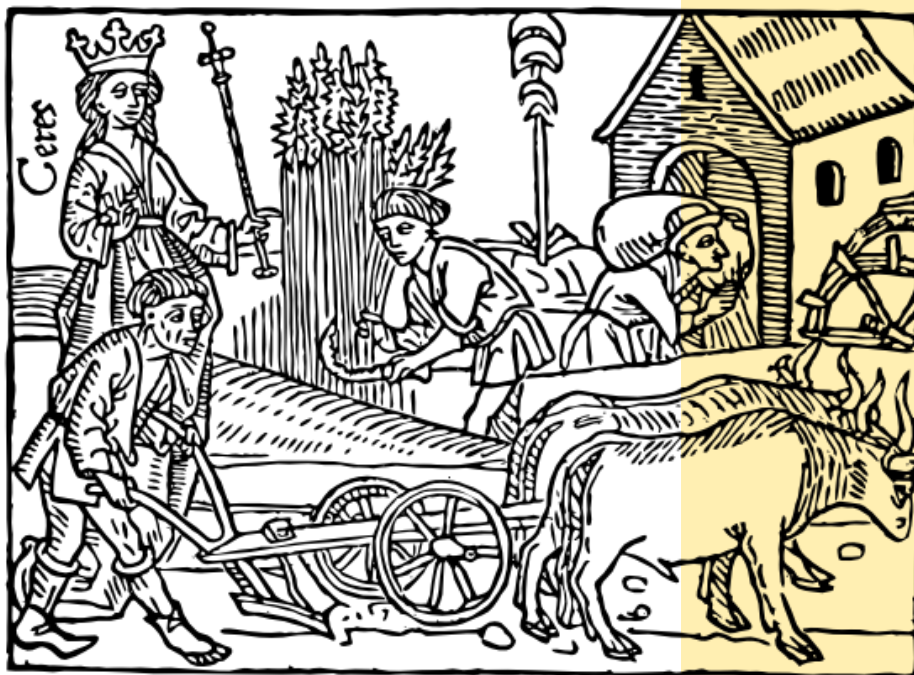

Springtime Greetings Namron!

And what a busy spring it is! When you all read this Med Faire will be just finished. Populous is right around the corner and Beltane is just a few short weeks away. I can't wait to see everyone out and about! I hope to be lending a hand at Wiesenfeuer Baronial as well. And as event steward for Beltane, rest assured there will be plenty of family friendly tasks throughout the day. So bring your best 'silly walk' and hit ready for lots of laughs!

If you would like to assist with children's activities in the future please email me at moc@namron.ansteorra.org or message me on the Book of Face.

This spring, please take some time to enjoy the outdoors with your kiddos. Go on a nature walk, plant some seeds or flowers, and revel in the quiet moments together. Have a happy spring and I hope to see you all soon!

Your Friendly Namron MoC (Minister of Children)
Lady Emma O'Ruairc

OFFICER NEWS

FROM THE QUARtermaster

"Good day, Dear Namron!

This last month has been so exciting with all the preparations for Gulf Wars, planning for the Norman Medieval Faire and Beltane. I want to take a moment to thank everyone who has been giving their all to make these events and experiences happen as well as all those who have participated in loadouts and offloads. For the Planners, your vision has been so exciting to see come together. You are the true Rock Stars of Namron and we are so lucky to have each and everyone one of you.

With all the fun and excitement happening all around us, we can't forget to show some love to our workhorses, Phred and Phredrica. During our loadout for Med Faire, we noticed that lovely Phredrica has some minor storm damage to her roof and is looking a bit tired. Being that storm season is upon us, we will be having a work weekend coming up to help repair and beautify our darling sheds. If you are interested in helping, please come prepared to get your hands dirty. Powertools, ladders, screws and nails would be helpful if you have some to spare. This will be pending weather, of course, but we will keep you posted. We are planning on conducting work on Saturday, April 22 from 10am to 5pm at Phredrica and Sunday, April 23 from 12pm to 5pm at Phred. I will be posting an event on the Barony Facebook page as well so you can add it to your calendars. All are welcome to help out! Light refreshments will be provided during these work days.

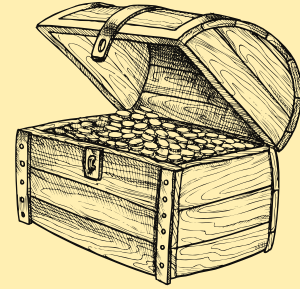

I look forward to seeing you there! Till then, stay safe and weather aware."

Thanks

FROM THE TREASURER

I trust this month sees everyone with good health and safe travels to the many events that are coming up. Medieval Fair is just finishing up and Beltane will be coming very soon. I just wanted to remind everyone if you have budget receipts that need to be turned in after each event, please get them to me as soon as you can after the event. I will have check request forms with me at meetings and any practices I am attending. You can also download from the kingdom page and email me at treasurer@namron.ansteorra.com (<mailto:treasurer@namron.ansteorra.com>). If you email, I also need a copy of the receipt for the books. Thank you

My time as treasurer will be up before we know it, toward the end of the year and I am looking for a deputy before that gets too close. If you are interested or if anyone has questions or concerns, please let me know.
