FROM THEIR EXCELLENCIES:

Greetings, cherished Namron!

At long last, the vibrant embrace of fall has graced our beloved barony, stirring a wave of anticipation as we prepare for the momentous Protectorate and Coronation! As we finalize our plans, our hearts are filled with excitement at the prospect of gathering together in just a few short days for what promises to be an unforgettable and historic event!

We would be delighted to see you at our combined Load Out and Populace meeting on Thursday, October 3rd! Together, our collective efforts can accomplish so much, and Namron truly shines at its brightest when we unite as one! For all the details, please feel free to check our Facebook events or reach out to us with any questions that may arise.

But the joy doesn't end with the Protectorate! The stars have aligned, and we have so much more to celebrate, including the enchanting Samhain in Eldern

Hills and the upcoming second Vindheim Missile Academy, both just around the corner, ready to fill our spirits with joy and camaraderie!

Please keep an eye out for information on the VMA load-out events, and do let us know how you would like to assist during this exciting time!

We are also very pleased to share that our Populace meetings for November and December will be held in a new location! We have secured a spacious room at the South OKC Library on 134th Street, providing all of us with a comfortable setting to come together.

To add to our excitement, December will bring the return of our beloved holiday potluck and gift swap! This cherished tradition is always a wonderful time of laughter and togetherness, and we can hardly wait to share in this special celebration with each and every one of you.

FROM THE CHRONICLER:

Greetings & salutations unto the glorious populace of Namron and all other interested parties,

It has been over a decade since I last wrote in these pages, but it is with great humility that I take up the task once again.

Having said that, if you have something to share with the populace, please share. This newsletter isn't just about officer reports. This is

the populace's chance to share their projects, recipes, and announcements. If you have anything at all, please do not hesitate to contact me.

ANNOUNCEMENTS:

Throne bids:

The Barony of Namron is accepting bids for a matching pair of baronial thrones. The thrones should pack flat for transport, be unique in design, and have some sort of visual representation of Namron.

Please send your bids, with design proposal and cost estimate to the following:

treasurer@namron.ansteorra.org
seneschal@namron.ansteorra.org
baroness@namron.ansteorra.org
baronessa@namron.ansteorra.org

BARONIAL WISH LIST:

Largess (matching sets of 12 are especially useful, but all largesse is wonderful).

Largesse for kids! Small toys that can help entertain our younger gentles during court or other event times.

Handmade artisan gifts for champions—please inquire with their excellencies for details.

Simple drawstring bags for storing rolled banners, black or gold (measurements are when laid flat):

10" x 54" (2)

10" x 24" (3)

8" x 45" (1)

Painted PVC tubes for banner transport.

Hard-shell knee and elbow pads for Youth Armored Combat.

EMBROIDERED MEMORIAL BANNER PROJECT:

We have a list of names. Next, we need someone (or many ones) to research devices. This is a daunting task, so multiple participants would be ideal. Once that is completed (as much as it's possible), we will be in need of artisans to embroider the devices.

FROM THE THROWN WEAPONS MARSHAL:

Going into the month of October we have our practices set for 10-13-2024 and 10-27-2024 . We adjusted the first practice due to Protectorate. I look forward to seeing people out at practice!!

NAMRON: A BRIEF SYNOPSIS

The Barony of Namron is a local branch of the Society for Creative Anachronism, Inc. (a not-for-profit organization). Our geographical area includes Norman, Moore and

Shawnee, Oklahoma, but it has members throughout central and southwest Oklahoma. Learn a little more about our barony on our introduction page located on our website:

<http://www.baronyofnamron.org/>

The S.C.A. is an international educational organization dedicated to the study and recreation of the European Middle Ages, examining and enacting the crafts, sciences, arts, traditions, heraldry, literature, etc. of western civilization during the years between 600 AD and 1600 AD. We have

dancing and cooking, costuming and armoring, calligraphy and brewing. ... If they did it in the Middle Ages, the chances are that we have someone in the S.C.A. who does it too.

Yes! We have fighting. Our fighters attempt to (safely) recreate the fighting styles of the time period and one can find them battling it out with polearm and broadsword on one field while two others go after it with rapiers on another field.

The Kingdom of Ansteorra is composed of the modern day Oklahoma and most of Texas. The Barony of Namron formed. It grew and became a barony a few months after Ansteorra became a Kingdom. Namron has continued to grow, and now has a Canton centered in Shawnee, Oklahoma, as well as a group forming in the Maysville area.

We recreate the Middle Ages, but not everything from that time. Participants in the S.C.A. are considered to be of noble birth: we chose not to re-enact the slavery and

the hardships of peasant life. We also do not reenact the Plague, and we recognize that some of us need our modern bifocals and antibiotics. We do try to fit it all in to a more "period" setting, though, and part of the fun is trying to creatively hide the modern day items we take with us.

You can also learn much more about the Society for Creative Anachronism on the international website. A good introduction can be found at
