## FROM THEIR EXCELLENCIES:

Hello Namron,

Wow! As October draws to a close, we are filled with both pride and joy for what has been an incredible month of SCA events and moments! Protectorate was an overwhelming success, and our hearts are bursting with happiness for everyone who received recognition, both from our hands and from the principality and kingdom! Seeing our friends and family honored with peerages was a truly moving experience, and it was a deep honor to host these meaningful events within our lands.

We are also thrilled to have kicked off our countdown to Protectorate 50 with a celebration of the Barony of Namron that will shine brightly all year long. We have many exciting plans in store, and we sincerely hope you'll join us as we come together in community celebrations and work passionately to beautify our baronial pavilions, signs, and other equipment.

Axeman is next on our horizon, and we are eager to stand beside our wonderful Canton of Skorragardr! We look forward to a day filled with thrilling championships and lively tournaments. There is truly something for everyone, and it's just a short drive to the site from most of us here in the area.

Looking further ahead, please remember we are now looking for Gulf Wars coordinators as well as bids for Beltane and Protectorate 50! These are fantastic opportunities to get involved, lead, and make a difference.

Upcoming events:

11/1 Axeman  
11/8 Royal Games Demo at Veteran's Park in Newcastle  
11/15 Planning and Workday at Baroness Emma's  
11/20-23 War of the Rams

There are so many ways for members to participate—please don't hesitate to reach out and chat with us about these opportunities or anything else you're passionate about. And if you've read this far, we'd love to know you're with us! Please tell us about your favorite largesse you have received and we can share some of our largesse with you!

Yours in heartfelt service,  
Baroness Emma and Baronessa Isabella

## FROM THE CHRONICLER:

It's November, and another trip around the sun will be completed. Not telling when or how many. That being said, the weather is getting colder (the first week's forecast notwithstanding), and if you plan on attending any outdoor events you should be prepared.

Always remember to pack more than you'll think you'll need for any unforeseeable events. This goes double for undergarments/socks as well as something to keep you warm...and a backup in case that gets wet. For those that are unaware, wool does keep its thermal properties even when wet, making it the ideal fabric for this weather (providing you aren't allergic).

On a personal note, I should be competing in the upcoming Char Wars at War of the Rams...if you're a part of the Namron encampment, there maaaaaayyyy just be some leftovers to go around.

## EMBROIDERED MEMORIAL BANNER PROJECT:

## NAMRON: A BRIEF SYNOPSIS

The Barony of Namron is a local branch of the Society for Creative Anachronism, Inc. (a not-for-profit organization).

Our geographical area includes Norman, Moore and Shawnee, Oklahoma, but it has members throughout central and southwest Oklahoma. Learn a little more about our barony on our introduction page located on our website:

[http://  
www.baronyofnamron.org/](http://www.baronyofnamron.org/)

The S.C.A. is an international educational organization dedicated to the study and recre-

ation of the European Middle Ages, examining and enacting the crafts, sciences, arts, traditions, heraldry, literature, etc. of western civilization during the years between 600 AD and 1600 AD. We have dancing and cooking, costuming and armoring, calligraphy and brewing, ... If they did it in the Middle Ages, the chances are that we have someone in the S.C.A. who does it too.

Yes! We have fighting. Our fighters attempt to (safely) recreate the fighting styles of the time period and one can find them battling it out with polearm and broadsword on one field while two others go after it with rapiers on another field.

The Kingdom of Ansteorra is composed of the modern day Oklahoma and most of Texas. The Barony of Namron formed. It grew and became a barony a few months after Ansteorra became a Kingdom. Namron has continued to grow, and now has a Canton centered in Shawnee, Oklahoma, as well as

a group forming in the Maysville area.

We recreate the Middle Ages, but not everything from that time. Participants in the S.C.A. are considered to be of noble birth: we chose not to re-enact the slavery and the hardships of peasant life. We also do not reenact the Plague, and we recognize that some of us need our modern bifocals and antibiotics. We do try to fit it all in to a more "period" setting, though, and part of the fun is trying to creatively hide the modern day items we take with us.

You can also learn much more about the Society for Creative Anachronism on the international website. A good introduction can be found at
