# From Their Serene Highnesses

## Greetings, All!

It has been an incredible couple of months! We have gotten to enjoy your company at Wiesenfeuer Yule, Coronation, Queens, and Winterkingdom. All have been amazing events where we have gotten to recognize members of the wonderful populace of Vindheim!

The coming month promises to be busy, but fun as well. We will be attending Mooneschadowe Provincial Games, Winter War Manuevers in Calontir, and the regional rapier practice.

War prep is in full swing! Check your authorizations, check your armor and weapons, check your garb, and make repairs. March will be here before we know it!

We are steadily getting award recommendations from the populace and want to say THANK YOU for sending them in. We love being able to recognize our populace members and that isn't possible without your sending in recommendations. Keep them coming!

In closing, we appreciate all of your hard work and support and we look forward to seeing everyone at upcoming events.

# From the Seneschal

## *Greetings Vindheim -*

Vivat to Prince Micauley and Princess Caterina!

Our Principality has been shining wherever its populace goes. Centurion Skeggi berbeinn Sebbason ins sterka was victorious as King's Champion for His Majesty Gabriel . Honorable Lady Veronica de Sanguine fought her way to the title of Her Majesty Sonja's Queen Champion. Everywhere you look our groups are hosting top notch events and planning is well under way for Gulf Wars, Spring events, and recruitment to keep the Principality growing.

We are currently accepting bids for the Winter 2023 Coronet Tournament to be held December 9, 2023. We are trying to get bids in early to secure sites and allow for planning not to be rushed. If you are interested in turning in a bid and have any questions please reach out and I will be happy to answer questions you may have.

If you have ever been interested in the work of the Seneschals office, I am looking for a deputy or deputies! If there is one part you are interested in or just want to learn it all, please reach out so that we can discuss it.

Principality Law Change - as previously announced there have been some law changes. The changes were read during a small court at Winterkingdom.

The entirety of the Principality Law will be published in a newsletter but here are the major changes -

- Added - 4.2.7. A list of accepted combatants shall be approved by the Coronet of Vindheim and then sent to the Crown of Ansteorra to review. Should any entrants be found unacceptable, the party denying the entrants (whether that be Crown or Coronet) shall communicate their decision to that entrant. After approval by the Coronet and the Crown of Ansteorra, the list of combatants will be made public via all currently maintained social media platforms and the principality email list at least 1 week prior to the date of the Tournament. In this communication, the Coronet shall also announce the format for the coming Tournament.
- Added - 8. SMOKING
  - 8.1. Smoking/Vaping is prohibited in all areas, inside and out, in which members of the populace must be present in order to participate in any aspect of an event. This shall include any area they must pass through, or in close proximity to, in order to reach these areas. This is not intended to restrict smoking in private encampments or areas designated by the event staff for the express purpose of Smoking/Vaping. Whenever possible, the Event Steward shall be responsible for defining a designated smoking area, as convenient as is reasonably possible.

- Removed
  - 4.1.2. Coronet Tournament locations shall be selected using the priority bid system described in Sections 4.2.5 and 4.2.6.
  - 4.1.5. A branch that has not held a Coronet event in as many times as there are eligible branches may submit a bid that asserts priority. In the case of multiple priority bids, the branch that has not held a Coronet event in the longest time shall receive higher priority. A priority bid that meets the standards set forth in these Laws shall be strongly considered in preference to any other bid. The final decision for the winning bid shall rest with the Principality Financial Committee. Groups below the level of Barony and Province shall receive priority for bids ahead of Baronies and Provinces.
  - 4.1.6. For purposes of priority, new groups shall be counted as if they held the Coronet event immediately prior to their establishment. In the case that this creates a tie for priority, the event, if acceptable to the Principality Financial Committee, shall be awarded to the new group.
- Previous Section Updated With:
  - 4.1.3. The following points shall be considered with regard to bids:
    - 4.1.3.1. Any group within the Principality that meets Society, Kingdom, and Principality Law for hosting a fighting event may place a bid.
    - 4.1.3.2. Bids, once accepted, can only be changed by a majority vote of the Principality Financial Committee, except as may be necessary to meet Society, Kingdom, or Principality law.
    - 4.1.3.3. The Principality Financial Committee is encouraged to choose acceptable bids from smaller or newer groups.
    - 4.1.3.4. The Principality Financial Committee is encouraged to choose acceptable bids in such a manner as to spread the event location and hosting group around the principality.

If there are any questions about the changes in the laws, please reach out directly to Their Serene Highnesses Prince Micauley and Princess Caterina and myself. We are all happy to answer questions and concerns about the changes.

On a more personal note, one of my favorite parts of my time in the SCA is seeing all the recognition the populace gets for their service, arts, and skills across the marshallate. Their Serene Highnesses need all of us to submit award recommendations so these deserving populace members can be recognized. We now have an Award Recommendation Form !!! It has explanations of the awards in it as you are putting in your recommendation!!!

YIS,

*HL Villana Palazolo*

# The Welcome Wagon

Good Gentles of Vindheim,

I am in the process of introducing you to your Principality Hospitalers! This month I would like to introduce you to Dairmuid Map Brain, Hospitaler of Namron!

**Sorcha:** "Tell me some information on your persona."

**Dairmuid:** "When I was born I lived in a village its name escapes me because I was so young. My life was spared by a warrior named Maelchon map Vipogwenech he took me back to his tribe called Cornovii. He gave me to the Drui of the tribe she in turn raised me as a dilleachta (foundling) so Mavi raised me with her husband Brekk uu. He was the tribes Satirist and they also had a daughter named Sabine. I grew up in the tribe of Cornovii under Chieftain OEngus his wife Eilish. When I came of age and earned my torc I set out on my own. I traveled the known world seen many a Kingdoms and one day I found my way on to a ship called the ESR Harrogoth as first mate under a Captain Pyke. In Aethelmarc became a privateer then went my own way again this time made my way to the Kingdom of Ansteorra. Spent some time on another ship The Dark Horse I was the Quartermaster I had taken my leave from them and been serving in the Barony of Namron and a loyal member of the a Principality of Vindheim."

**Sorcha:** "What do you love about being a Hospitaler?"

**Dairmuid:** What I feel makes me a good Hospitaler is I have the ability to talk to almost anyone. I have the gift of gab I feel everyone has a story about themselves and I love to hear it . I joined the SCA in 1996 I was invited to a sewing circle. I was asked by a couple of friends we went to Vince and Diane Walters house for the gather. There was a game of Trivial Pursuit being played guys versus ladies ...it was the guys turn and they were asked "What's the fastest train in the world . I said I know and walked into the kitchen to grab a drink ...walked back in and they all looked at me and said you have to answer . I said it was the Bullet Train out of Japan that was a easy one. That was the Barony of Endless Hills, been in ever since. Everywhere I moved I found a group to join.

**Sorcha:** “What are your goals as a Hospitaler?”

**Dairmuid:** What I would do to meet my goal...I meet it every time I see a new face at a event and they are enjoying the same game I do.

**Sorcha:** “Are there any noteworthy things we should know about you?”

**Dairmuid:** “Any one you talk to knows how I am willing to help with anything and anyone. I set up tear down, serve feasts, help cook, work with kids, and I enjoy all of it.”

If you see Dairmuid at an event (and can catch him long enough to stop working), thank him for his Service to our Principality!
