From Their Serene Highnesses

Greetings, All!

Wow time flies when you are having fun! This past month was awesome! We enjoyed spending time with you at Provincial Games, Winter War Maneuvers, and the Vindheim rapier practice this past month. We got to see great acts of heroism and fighting at all three events and got to recognize many deserving members of the populace of Vindheim.

War prep is in full swing! Check your authorizations, check your armor and weapons, check your garb, and make repairs. March is just around the corner! We are so looking forward to representing this great Principality at war and can't wait to fight with you, sit around the camp fire with you and tell stories, and recognize even more deserving members of the populace.

The Spring eventing season looks to be busy with the Medieval Fair demo happening shortly after we return from war. Please plan to attend this event if you can. It is the largest demo opportunity in the Principality, and we can use all hands on deck to make it successful. In April, we will also be attending Wiesenfeuer Baronial and Namron Beltane. Both look to be great fun, and we look forward to seeing all of you there!

In closing, keep being awesome Vindheim! We have no doubt that you will!

Yours,

Micauley and Caterina

*Greetings unto the populace
of Vindheim!*

There are so many exciting things going on throughout our beloved Principality. It is my deepest hope that you have been out there, enjoying them!

I would love to hear your stories upon your return from your glorious time at War! Tell me about that awesome move you saw out on the battlefield (or boast about that AMAZING move YOU made while defending your beloved lands). Tell me about that class you took and are so excited about and can't wait to start doing more of. Tell me about how much fun you had at the Known World party/Chili Night/that one night sitting around the campfire... I want to hear ALL of your stories about War.

Not going to War? That's ok, me either. But I still want to hear your stories, too!

Snap some pictures of what you're working on behind the scenes. Share a recipe you've been trying to perfect. Share some of your scribal skills with the populace... if it's SCA related, I would love to share it!

Any submissions you would like to make for the next issue of *Whispers on the Wind* are due by March 26, 2023. Also, please let me know if there is anything you would LIKE to see featured in *Whispers on the Wind*.

For submissions, please contact me at vindheim-editor@chronicler.ansteorra.org or FB messenger at Cailleach Ui Chaerbhaill

The Welcome Wagon

Greetings Vindheim!!!

The Hospitalers of Vindheim series continues!

This month I would like to introduce you to Northkeep's Hospitaler and her Deputy!

Rachel de Narbonne (Mundanely Patrice Snitz) has been Northkeep's Hospitaler since the summer of 2020. An enthusiastic SCA member since 2011, she has also served Northkeep as Chronicler and as Feastocrat. Rachel was a rapier fighter for about 8 years, and actually used that fighting form as cardiac rehab in 2013. Currently she manages garb and feast gear for the barony, and works with her deputy to welcome new members and help them find their passion within the SCA. A significant goal for the new year is to develop new ways to encourage returning members in new SCA endeavors.

Deputy Hospitaler: Milokhna is the daughter of a textile merchant born in Riga, Livonia in 1551. When Russian forces invaded the countryside in 1559, her father took their family and fled south to La Serenissima (modern day Venice), a city she came to love in spite of the terrible heat. She joined the SCA in April 2022 at the gentle prompting of her dear friend Úallach. She quickly developed a passion for public demonstrations teaching Arts and Sciences and became a Deputy Hospitaler in August 2022. She can be found adding contacts to her list of mentors for newcomers, and tackling the craft she learned about last week.

Their hard work and enthusiasm is catching, so be forewarned if you come into contact with them! You may just find yourself becoming addicted to helping newcomers!!!

I would also like to take a moment and encourage everyone to come out March 31st-April 2nd to the biggest demo in the Principality...the Medfair demo!!!! We need all the help we can get to show the public the best the SCA has to offer! Feel free to contact myself or Lord Dairmuid (Namron's Hospitaler) for more information about how you can help.

I will be working at the Hospitaler Booth, so come by and say hello!
