From Their Sanguine Highnesses Greetings To The Glorious Populace of Vindheim!

Our heavy eventing season is upon us. We look forward to seeing you at many Vindheim events, like Namron Protectorate, Wyldewode Northern Border Skirmishes, and Eldern Hills Samhain, as well as Coronation.

We are preparing for war! We need you to join us at Bordermarch War of the Rams. There will be classes, fighting, and fun! We look forward to seeing great deeds on and off the field.

Thank you to everyone that has been sending in largesse for Vindheim. We have received amazing things and have enjoyed passing it out to the populace. We appreciate the artistry and creativity that has been shown. Some of our favorite largesse have been useful as well as decorative. We also greatly appreciate all the mugs that have been donated to welcome our newcomers to the dream.

We end our missive with the same request. Recommendations! We need them! Please submit suggestions for your fellow populace members that are doing good things! We need you as our eyes and ears. We encourage each of you to turn in at least one award recommendation in the month of October.

Skeggi & Emmelina

Prince and Princess of Vindheim

From the Office of the Seneschal

Greetings, Vindheim!

There have been so many things going on over that last few months it has been a challenge to keep up with all of you!

What has impressed me the most about our amazing Principality is the number of demos and activities that have been going on everywhere. It explains why our Principality has been steadily growing.

The second thing that I have been privileged to witness is the way people work together. This is what makes all these things possible. People have been working together to hold all kinds of practices, bardic circles, A&S classes, work days, just plain fun activities, even some events!

It has been my honor and privilege to temporarily step in and serve as the Seneschal for the Principality, but it is now time for me to step back and return this honor to HL Villana.

Thank you to everyone for being who you are and for allowing me to be a part of this awesome experience.

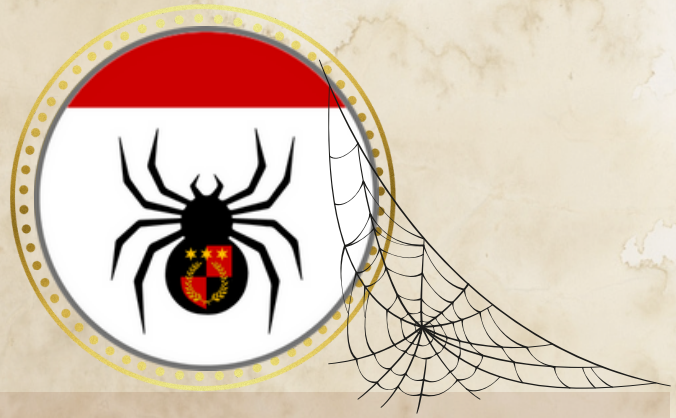

In Service to the Dream,

Sir Vincenti da Muraou

Former Vindheim Seneschal

Our Vindheim website now has a group search! Just like the Kingdom page, you can search by zip code, town name or group name. I love it! Big thanks to our Kingdom Webminister for getting this added for us!

Speaking of our Kingdom Webminister, have you checked out the Kingdom Event Calendar lately? They now offer search by tags! You can view events by specific Circles, Progress, activity type and more!

Please feel free to email me with any ideas, corrections or requests you have for the website, you соёлгүй амьтад!

How to Make a Hospitaler

You will need the following ingredients:

Take one semi-enthusiastic SCA'er looking for a way to make a difference.

4 cups of passion for the Dream.

2 cups of SCA history knowledge. This can be a dry ingredient so make sure you have enough of the Dream on hand.

For spice, (because the best Hospitalers are spicy ones!) add in a variety of knowledge about some of the hobbies we recreate. The portions for this vary, depending on what hobbies you include. Just sprinkle until you hear the spirits of your ancestors saying, "Enough, child."

Mix all ingredients together and boil for a roiling good time. Once the passion and enthusiasm are well mixed, pour into a friendly mold and let firm. Once set, give them access to the Chatelaine information on the SCA website and turn them loose! Most well-made Hospitalers are self-driven and need very little direction. But, make sure that you are caring for your creation by feeding it occasionally with encouragement and praise. And above all, make sure you are supporting them in their demos and when they bring in Newcomers by sharing your knowledge and enthusiasm.

From the Missile Marshal

Greetings, my beloved Vindheim!

I am incredibly excited to take on this role for our Principality, and I can not wait to begin this journey with you!

I have plans and lots of ideas that I can't wait to share with you, so please keep a look out for my postings. This next step for Vindheim fills me with joy and anticipation! My main goals are as much activity and as many practices as we can fit into the calendar, and frequent and open communication with all my marshals, and the community at large, so expect to hear from me often.

If you have questions or concerns, if you have ideas or schemes, please reach out to me and we'll make it happen!

Joyfully in service with death from above,

Bantiarna Orlaith inghean Uí hUallacháin
Vindheim Missile Marshal

From the Earl Marshal

Greetings my Beloved Vindheim.

The cooling nights bring the echoes of war drums, are you ready?
We have so many wonderful events coming up I am honestly
chomping at the bit to go to, that scheduling has become a true
headache for my darling wife.

So gather your weapons and oil your straps.
Let the BAM/WoR proper name arguments commence.
Above all, let the chalice of brotherhood be refilled and let us all
drink deeply once more.

In service,

Centurion Damon Kanthus

Vindheim Earl Marshal

From the Minister of Arts and Sciences

Greetings to all in the Principality of Vindheim!

I am Honorable Lady Yzabeau Brossier, your newly minted Principality Minister of Arts and Sciences.

I took my first shift as regional MOAS almost ten years ago, when I was Northern Regional MOAS, and now I am so excited to have the opportunity to work with many new artisans as a principality officer. I come before you with an unyielding passion to promote and support artistic endeavors throughout the principality. I am eager to work alongside the baronial and provincial ministers to support an already thriving A&S community that encourages and celebrates creativity and exploration.

I am excited to embrace this new chapter and to work with all of you in promoting the arts and sciences in our beloved principality. Let us embark on this journey together, united in a common vision of scholarship, creativity, and a love of history.

Please feel free to reach out to me if you have any questions or concerns at vindheim@moas.ansteorra.org

Vivat Vindheim!
