The Chronicler's Quill

Greetings unto the populace of Vindheim!

There are so many exciting things going on throughout our beloved Principality. It is my deepest hope that you have been out there, enjoying them!

My time as the Vindheim editing chronicler is rapidly coming to an end. This will be my last missive to you as the Vindheim Editing Chronicler.

If you would be interested in becoming the next editing chronicler, please send an email to vindheim-editor@chronicler.ansteorra.org (editing chronicler), kingdom@chronicler.ansteorra.org (kingdom chronicler), prince@vindheim.ansteorra.org (Prince of Vindheim), and princess@vindheim.ansteorra.org (Princess of Vindheim) by November 15, 2023. Office responsibilities include generating and publishing *Whispers on the Wind* for this great Principality! Administrative duties are assigned to a different office, so the newsletter is the only thing this office is responsible for. If you have ANY questions about this office, please feel free to reach out to me. I would be happy to discuss them with you.

Any submissions you would like to make for the next issue of *Whispers on the Wind* are due by December 26, 2023. Also, please let me know if there is anything you would LIKE to see featured in *Whispers on the Wind*.

For submissions, please contact me at

From the Hospitaler

Greetings Vindhomes!!!!

I'm writing you today to announce that the Principality Hospitaler's Office is OFFICIALLY OPEN!!! Do you have a burning passion for working with newcomers? Then this is the Office for you!

As far as Offices go, this is one of the easiest, but most rewarding ones to be had. You get to further the Dream in those who have stumbled into our game.

Ideally, I would like to have someone step up in January.

So, if you've got questions...email me at Vindheim@hospitaler.ansteorra.org, or send me a FB message at Tamara Sorcha Taylor or Sorcha McCullogh, and we'll chat.

Vindheim Hospitaler

Chilly Greetings from the Desk of the Missile Marshal!

Hello Vindheim!

We've had wonderful Archery and Thrown Weapons tournaments recently, and many of us made the trek to Southern Ansteorra to Bordermarch's War of the Rams for more missile fun! Vindheim made a wonderful showing at the ranges and on the combat field. I am so proud of our Principality! Special shout outs to our combat archers, and our thrown weapons specialists for their skill and support on their respective fields.

During these colder months don't be surprised to see local missile practice cancelations, especially due to weather. I'd love to encourage everyone to do something missile related when local practices get canceled. Rebuild your combat bolts/arrows, pickup a workout routine to strengthen your shooting muscles for Gulf Wars, file burs on your knives or decorate your axe handles. If you do go outside to shoot or throw on your own time, remember to inspect your equipment thoroughly and bundle up, because windchill is no joke!

Weisenfuer Yule is swiftly approaching, and I think that provides us with a wonderful opportunity for an open round table discussion about missile activities in our Principality. I would like to discuss success and failure in regards to local practices, support from a Principality level to our branch marshals and what that may look like, the possibility of a second Vindheim Missile Academy in the coming year and any improvements or repeats we'd like to see, and adding combat archery and seige to Vindheim War Practices. Although I would love to see as many Branch Marshals in attendance as possible, this round table will be open to marshals at large as well, and missile participants. If you have something else you'd like to discuss as well, that's wonderful and I welcome it! I can't wait to sit and chat about missile stuff!
