From His Serene Highness

Greetings to the Glorious Populace of Vindheim!

June is the last month of this reign, with exciting things happening every week. I look forward to seeing great fights at Crown tournament and then it's time to rally north to the Kingdom of Calontir for Lillies War. Jumping right back to things at Weisenfeur Baronial, then Eldern Hills Baronial and finishing things off with a much anticipated event of Summer Coronet Tournament.

Immediately following the Coronet tournament, the Tanist and Tanista will have Their heavy combat and rapier combat championships.

I look forward to seeing who will be victorious. A huge thank you goes out to any and all whom have helped with this reign. This reign couldn't have been done without each artisan, scribe, fighter support, and volunteer who gave of their time to help.

Uriangqadai
Prince of Vindheim

From the Office of the Seneschal

Greetings Vindheim!

A message from Their Majesties

"On May 17th, 2025 at Northkeep's Castellon, We, Jason and Margherita, King and Queen of Ansteorra, hereby announce the abdication of Adria Lorrelle as Princess of Vindheim."

June will be a very busy month in Vindhien. Wiesenfeuer has rescheduled their weather cancelled Baronial Championship. Eldern has their Baronial Championship. And the Vindheim Coronet will see our new Princeps. I look forward to the pageantry and deeds of honor.

Thanks to all the fighters and consorts who stepped up to vie for the Sanguine Thrones. Your willingness to serve is a bright beacon.

Our April Path to Kingdom meeting was cancelled due to me having surgery. This month we discussed the committees which would be formed to hash out the specifics for many of our identified areas. There was a lot of great discussion and several committees were defined and headed. Over the next few months we will be researching and discussing a lot of aspects of being a kingdom. From awards to court etiquette to championships to handbooks. All members of our populace are welcome to ask questions and give feedback. What we are doing will have an impact on all of us.

In Service,

Master Elric Dracwin

Vindheim Seneschal

From the Youth Family Officer

Greetings to the grand Populace of Vindheim!

For a little over 2 years, I have had the privilege of holding this office, working with the youth of the Principality and of the Kingdom. Seeing these children grow, and helping aid in their love of Medieval pursuits and the SCA has created memories that will long remain in my heart. But alas, the time has come for me to step down, and allow someone else to serve the principality and its youth.

I am hereby announcing the opening of the Vindheim Principality Youth and Family Officer. Applications are being taken now, and will close July 1. I hope that a deserving officer can be chosen and start in this position by August 1, 2025.

This position is responsible for tracking the event and monthly reporting of all Youth and Family activities. In the case that a local group does not have anyone to run their Youth activities, then this position will be responsible for facilitating that.

This position requires a background check.

If you are interested in serving the youth of Vindheim, please apply at the following link.

[Apply for An Office – Office of the Seneschal](#)

Please cc the application to the Kingdom YFO at moc@seneschal.ansteorra.org and the Principality Seneschal as well at vindheim@seneschal.ansteorra.org.

I will still be around to help with children's activities when needed, and please feel free to ask me any questions you might have vindheim-yfo@seneschal.ansteorra.org

Mistress Adena Terricsdottir, Current Vindheim YFO

The Chronicler's Quill

Greetings unto the populace of Vindheim!

The summer sun climbs high, and with it, the winds carry tales of valor, merriment, and creativity from every corner of our beloved principality. As the days grow longer and our hearts turn to revelry, learning, and service, I am ever inspired by the beauty and spirit that dwell within our populace.

Let this missive serve as a call: whether thou art scribe or skald, cook or chronicler of moments, thy contributions are most welcome. If ever thou hast wished to see thy words or works within these humble pages, I entreat thee to send them henceforth. The July issue awaits, and with it, another opportunity to shine a light upon the good works of Vindheim.

May your summer be filled with joy, shaded pavilions, and stories worth telling.

In service of the dream and the written word,
Viscountess Emmelina de Medelande
Vindheim Editing Chronicler

Greeting to our wonderful populace in the amazing

My office will be open in September, I will be still serving until then. But I wanted to give everyone decent time to apply for my position.

Vindheim has really pushed DEIB to a local level. A Dream without a nightmare is a goal we all wish to achieve in society, we are doing it. Also I will help you settle in and stay on to assist the new Officer and deputies where needed.

Please send applications to the following email.

Principality of Vindhiem DEIB Officer

From the Herald

To the populace of Vindheim, I send you greetings.

This month, I'd like to discuss the awards for direct service to the Prince and Princess.

The Key of Vindheim: This is given to those the Coronets feel give significant, direct service, often as Entourage, or assisting during the course of the reign.

The Key of Keys of Vindheim: This is given to those the Coronets feel give exceptional direct service during their reign, often by serving as a direct assistant.

The Sanguine Bowl of Vindheim: This is given to those who, while they live outside our borders, treat the Principality as their home, and makes them eligible to be a part of Principality polling.

Bastion of Vindheim: This is given to someone who embodies the spirit of the Principality. Much like the Lion of Ansteorra, a Bastion of Vindheim is someone who would leave a large hole through their absence.

In Service,

Heer Thomas de Groet, CIM, CSM, OLPK

Sanguine Bastion Herald

From the Minister of Arts & Sciences

Greetings Vindheim artisans,

We have, with luck, just had our first Principality A&S Champion! I hope this is the first of many to follow.

Now that the Premier championship is behind us, and the summer heat is setting in, it's time to look forward to more A&S classes ahead of us. I've been thrilled to read about all the classes that are being taught throughout the area and look forward to seeing what all else is happening within the groups. If you are teaching a class or have an idea for a class that you want to see taught, let your local A&S ministers know. They are always on the lookout for new ideas. It's the same with new or completed projects you are doing. Help your local A&S minister out by telling them what you are working on at populace or A&S nights.

In June the Kingdom is hosting our annual Ansteorran Heraldic & Scribal Symposium in Portland, TX. A day filled with classes on Heraldic information. Then in July we will be having Kingdom Collegium. Another event full of all kinds of classes that are sure to be something for everyone. If you are interested in teaching classes, please check out these events and reach out to those in charge and see if class slots are available. If you are interested in a subject, more than likely someone else is as well.

From the Missile Marshal

Hello again, my friends!

I write this Missive just before the Vindheim Missile Academy II so I have no update on how its gone yet. We will all hear how well it ran soon, however!

This months Missive is another reminder to be weather aware! Please consider downloading the OSHA heat index app to monitor the heat risk for practices, events, and other activities. During these warm days that are only getting warmer, take the opportunity to participate as much as you can while the weather is simply uncomfortable because we will lose those opportunities when the weather gets dangerous.

Stay hydrated!! The human body can only process so much water an hour and you can absolutely over-water yourself, electrolytes are extremely important. In our modern age we have wonderful solutions that we can purchase from most stores. Powders and pre-made drinks of a wide variety of flavors and electrolyte content, some of us need more sodium than others! Please keep an eye on each other while we're outside having fun and getting dehydrated, sometimes we dont realize how much we are sweating or how red-faced we are getting. Remember your sunscreen as well, friends!

When the weather prevents us from being outside we can turn our regular practice times into work days, or class days. We can teach each other how to build or maintain equipment and targets, new ideas for fun shoots and tournaments to test next time were on the range, and even your local practive structure. The possibilities are endless!

Stay weather aware, Vindheim!

Joyfully Y/S,

Hl Órlaith inghean Uí hMallacháin COA
