A Missive from the Baron and Baroness

Greetings good populace,

The summer months, though late, are making up for their tardiness! We hope everyone is staying cool and hydrated.

Autumn is on its way and with it some very busy months.

On Sunday, August 2nd at 4:00, our Incipient Canton of Haldree will host a Day of Dance at St Augustine of Canterbury Church. We hope to see many of you there with your dancing shoes on to support them! On Friday, August 21st, our neighbors in Eldern Hills will host their (rescheduled) Baronial Championship and the Royal Huntsman Shoot.

The first weekend in September, HE Branislava will be heading to Battle Moor in the Outlands. Tentative departure is for Tuesday, September 1st. If you are considering traveling to this amazing event, please let Her Excellency know so that caravans may be arranged. Also, if any of the artisans in the Barony would like to donate a small bit of their handiwork to the Royal gift basket for TRM Outlands, please contact Her Excellency.

October will come sooner than you think. We ask that you steel your nerves (and stomachs) for the annual battle with our foes to the East at Diamond War. It looks as if we will be fielding quite a crew this year and it makes our hearts swell with pride to see our populace rally behind the Flame of Wiesenfeuer. There is a group on the Book of Faces entitled "Team Moo" where planning is well underway – please send an invite request if you have not received one.

After much council and deliberation, it has been decided that Maestra Tatiana will be the Event Steward for Yule 2015. All of the event bids were excellent and shared many elements/themes. Due to this, we have asked that all who submitted a bid to be co-stewards and/or play a role in the planning and running of the event. Also, it was decided that Centurion Johann will be the Feast Steward. We ask that if you did or have considered bidding for a feast, that you might offer your services in the kitchen. This opportunity is an excellent way to learn about Feast Stewardship at the ground level. We can't thank all of those who submitted bids enough! It was wonderful to see such enthusiasm and great support of your Barony!

Ever in Your Service,

Ciaran & Branislava

Baron and Baroness of Wiesenfeuer

Lord and Lady of Myrgenfeld & Haldtree

The Barony of Wiesenfeuer

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us we're glad you did. The Barony of Wiesenfeuer is a part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter to making a catapult or a full set of armor. It includes singing, dancing, calligraphy, weaving, storytelling, playing musical instruments, woodworking, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved. So come out to an event, go to a meeting, or contact our Hospitaller for more information.

Welcome to Wiesenfeuer! <http://sites.google.com/a/wiesenfeuer.ansteorra.org/wiesenfeuer/>

Officers positions open

Besides the Knife, Axe, and Spear Marshal which is currently open, there are several positions that are going to be open in the next year and many open deputy spots. One way you learn is by doing. We respectfully ask if there is a position you can help with to please ask to be a deputy to someone. Especially if you are thinking about becoming an officer in the future. Being a deputy is the best way to learn how. With that said below is the list of available spots. Please contact the appropriate officer, Senechal, Baroness, or Baron if you are interested.

Officers: Thrown Weapons

Deputies: All open

Youth combat is for boys and girls age 6 to 15 years. They fight with foam-padded weapons. There are 3 age divisions within the program; 6-9 years, 10-12 years, and 13-15 years. The armor requirements and the strength of blows allowed increase as a child progresses through the levels.

Beginning Equipment for Youth Combat:

Each new youth fighter should wear long pants, a long-sleeve shirt, closed-toe shoes, lightweight gloves and groin protection. A parent, or an adult designated by the parent, needs to be present throughout the practice.

There is some loaner armor, but anything you can provide yourself is helpful. Armor requirements vary by age, but all ages will need a helmet with face guard (such as a hockey or lacrosse helmet) and a gorget (medium-weight leather with 1/2-inch closed-cell padding). Knee and elbow pads are required for the older kids and helpful for the younger. The full armor and weapon requirements, and rules for combat, may be found in the Complete Participants Handbook, which is available on the Kingdom Earl Marshal's web page at <http://marshal.ansteorra.org/armored/>. And of course, feel free to contact your friendly local marshal with any questions!

Notes from Round Table

Here are some of the important items I remember from round table:

- Current reported membership for the kingdom was 1,623 paid members.
- The northern region had the most newcomer contacts reported.
- There majesties and the kingdom officers request that officers use their official emails office@group.ansteorra.org. That way they can more easily communicate with the officers in the kingdom.
- The website for the kingdom is being reworked.
- In order to make it easier for the populace to put in bids for kingdom events, they are extending the period they except bids. Bids will be due 1 year prior to the event. As an example crown tournament bids for January 2017 will be due by January 31, 2016.
- The crown is going to ask for an update on online processing and event registration from corporate.
- Award requests have dried up. What happened to the requests? Please submit more.
- Need more hospitlers.
- All officers need to train people to replace them. We need to actively get deputies to train to replace us when our time in position is up.
- Facebook is going to get “us” in trouble. Please read the kingdom policies on social media and follow them. <http://www.sca.org/docs/pdf/SCASocialMediaPolicy.pdf>

Octoberfest - Fun, Ale, and Food with Friends!

In a month it will be time for Octoberfest! I'm sure the populace knows what that means. That is right an amazing time with friends at a demo on Saturday the 5th of September from 4 pm to 10 pm. We will need as many of the amazing members of the populace of our incredible Barony to come display all that is wonderful and inspiring about the current middle ages. We all know that the SCA is the most fun anyone can have. Let us show how truly amazing the SCA is to those unenlightened among the greater Oklahoma City area.

All those with a skill please come out and demonstrate your amazing talents.

If you have knowledge and drive, come talk and welcome all those that visit.

Those that have skill with weapons come enthrall the crowd with your amazing display of prowess on the battlefield.

Once this is accomplished we can all go drink, feast, and be merry together. It will be a time to tell tales about.

All members of the populace that come should be prepared to help setup and break down. There will be free food and drink for all those that help. As a reminder if you partake much in the festivities before the real fun of the demo starts at 4 pm you will not be able to assist. So if you go for the day have fun but save your best for the demo.

Please contact our hospitler Ahlanna a'Becket at heide.brandes@yahoo.com to let her know if you can come and how you are able to help.

Oyez Oyez Yule Festival is Coming!

The Baron and Baroness of Wiesenfeuer are proud to announce that event and feast stewards have been found for Yule!

Maestra Tatiana Verlioni has been selected as the event steward. She is planning an incredible display to enchant the senses. There will be games galore to enjoy with friends. The populace will be entertained with a masquerade ball. This will definitely be a Yule festival not to be missed.

Feast will be expertly prepared by Centurion Johan. The populace knows of the amazing talent he has for preparing the most delicious entrees. Mouths will be watering throughout the celebration as they smell the most intoxicating aromas as feast is being prepared.

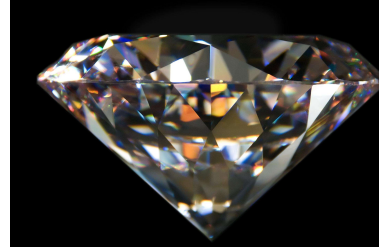

The Baron and Baroness have decreed that a competition of the Arts and Sciences will be held. A new champion will be determined from the many competitors that will undoubtedly submit the most wonderful display of period artistry that has not been seen in our barony in almost a year. In honor of the 25th year as a barony the theme for the competition will be all things Argent - silver metal, silver color, heraldic argent, use your imagination! It's meant to inspire, not to limit.

All that attend will be rewarded with even more surprises and delights at the festival in celebration of the best Yule festival in the north.

Diamond War

You may be asking can I go to Diamond War this year. All those that can please consider coming to protect the beef. There has been an announcement that the pork loving members of small gray bear have been sending scouts out to waylay the populace and confiscate all the beef. This cannot be allowed!

It sounds like the 40th anniversary event will be a great time and adventure. I'll encourage if you want to go to seriously consider coming. Checkout the event page and the posts on facebook for more information.

Officer Reports

Seneschal's Report

Yule Event Steward(s) and Feast-o-crat have been selected! Thank you to everyone who sent in a bid. Mistress Tianna will be Event Steward with several Co-Stewards and Centurion Johan Gunbjorson will be the Feast-o-crat who will also have a few Co-Feast-o-crats working with him. Stay tuned for more information on how you can help!

Every office in Barony should have a deputy, if you are interested in becoming a deputy or simple want to know more of what the office entails or requires, please come see me or you can speak directly to the officer you are interested in learning more about.

Minister of Arts & Sciences

Greetings!

We have many exciting things happening around the barony as our talented artisans toil through the summer heat. Many of our artisans have volunteered to teach classes in a monthly roving A&S workshop so we can continue to enjoy our treasured monthly celebration of the arts and sciences, and this arrangement affords us the unique opportunity to observe the wild Wiesenfeuer artisan in his (or her) own habitat, in the workshop where all the magic happens. In our next installment, Miles and Alexandre, two very skilled brewers, have offered to open up their brew shop for two days in August to teach us how to make our very own beer. What an exciting opportunity! And to make it even better, those who complete both sessions of this two-part class will get a six pack of their own brew to take home! We also have not one but two classes prepared for September, so get ready to make all the things! We also have a new guild forming. The beekeepers' guild recently held its first meeting and taught an introductory hands-on class in beekeeping. We have a couple active beekeepers in the barony and several more expressing a serious interest in joining in, so now may be a good time to join in and learn more. Please contact me (moas@wiesenfeuer.ansteorra.org) if you are interested in joining in at the Beekeepers' guild's next meeting/class. There is no cost to sit in on a class and see the inside of a hive. I would also like to remind all of our artisans that Their Excellencies have several upcoming "away games" (such as Diamond Wars and Battlemoor) and any donations for largesse baskets will be greatly appreciated and will reflect well on our barony and our artisans. Please contact me if you have a great idea for a group largesse project and would like to make arrangements, or if you have any items to donate on an individual basis.

Miles will host the August brewing class at his house. The first session (starting the brew) will be Thursday, August 6, at 7pm. and the second session (finishing and bottling) will be Thursday, August 27, at 7pm. We will make two 5-gallon batches of porter or stout. There is a cost of \$5 per person to offset the cost of ingredients, and up to 16 people will be able to participate and each get a six pack of their own brew. Please check the facebook page or email for the address⁵. Park in the driveway or on the street, and bring a chair. We will be in the back yard, with a tent for extra shade in case there are too many people for the back porch.

In Service to the Dream,
HL Wilhelm Meis
Minister of Arts & Sciences, Barony of Wiesenfeuer

Chroniclers Report

Greetings.

I am currently in the process of changing the layout of the newsletter some. I'm wanting to make it a little more visually appealing and just more fun to read. As part of that I'll be including some more informational or speculative articles. I had some plans for this month but learning all I need to put it together took more time than I had. So you can look forward to a new layout and some more info next month.

If you have something you want to see let me know. If you see something you don't like I want to hear about that too. If you want to try your hand at all this entails, feel free to offer to be a deputy.

I can be contacted at the Chronicler@wiesenfeuer.ansteorra.org or at the phone number or address listed above.
