*The Barony of  
Wiesenfeuer*

# A Statement from the Members of Wiesenfeuer

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us, we're glad you did. The Barony of Wiesenfeuer is part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter, to making of instruments, woodworking, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved. So come out to an event, go to a meeting, or contact our hospitler at <http://wiesenfeuer.ansteorra.org>.

Welcome to Wiesenfeuer!!

## Personal Testimony from the Chronicler

You may pick up a newsletter printed in the past and see the words written above and wonder how true they are. You may wonder if these people are just a bunch of weird people running around playing at swords. I've been a member of this organization for 6 months now. These people are some of the best people you will ever meet. The people in it learn, share, and teach everything you can think of. They practice those skills that they learn. They invest time and energy into making those relationships that better everyone from the old to the new. You cannot really appreciate it until you see and then do. You can spend as much or as little time as you like participating, this will be the most exhausting and exciting hobby you will ever have. Welcome to our ever expanding world of friends.

## Baronesses' Missive

So there was a demo a few weeks ago in Weatherford, OK hosted by our Canton of Haldtre and SWOSU and it was Absolutely Fantastic! HE Valia and I would like to thank everyone who came out to the 2nd Annual SWOSU Medieval Arts and Crafts and helped. You all rocked it! There were groups inside of folks working with leather, making glass beads, learning calligraphy and illumination, silk banners and black work embroidery to name a few. Outside there was more fun going on with chivalric fighting, blacksmithing and period games. The university faculty was impressed and would love to see us again next year! We might even have a few teaching opportunities throughout the year at SWOSU, stay tuned for more... Haldtre folks did a great job with getting everything organized and worked great with the SWOSU staff. Haldtre had 4 new fighters at their fighter practice after the demo and the youth fighters in OKC had a family from the demo show up at a Wednesday night practice! Expect more new folks out in the western parts of the Barony as the university and Haldtre start working closer together. And again to everyone the fighters, artisans and support, Thank you!

Gulf Wars is just few days away! I am proud to announce that the Barony of Wiesenfeuer had a grand total of 19 people pre-register for Gulf War. For those who've registered make sure you have talked to our Gulf War land-o-crat HE Aldric before you go. First timers to the War, pack for all weather conditions because it can all happen in a week. Remember if you want to volunteer for anything at Gulf War that you sign up for it so you can earn some cash for your group. You can choose to sign up with Wiesenfeuer or your Canton.

Norman's Med-Faire is coming up soon as well, this is one of our main recruiting demos and we love to have as many folks there as possible. Remember, Med-Faire is a three day demo, if you cannot make it all three days that is fine. Come out for a few hours, be artsy or fight, walk the ropes meet new folks and visit with friends. Then you can go Shopping!

Red Plains Baronial is fast approaching, ask now what you can do for your Barony and avoid the rush! The event will be at Foss Lake on Easter weekend, plenty of camping available for tents and RVs alike with both water and electricity. Stays tuned for more information and join the Facebook event page (Red Plains Baronial of Wiesenfeuer and Eldern Hills) to find out more details.

Events coming up in March:

March 10-19 Gulf War Lumberton MS

March 24-25 Commanders Crucible in Hellsgate

Remember as the warmer weather come in keep yourself hydrated!

Yours Ever in Service,  
Deirdre and Valia  
Baroness' Wiesenfeuer  
Ladies of Haldtre and Myrgenfeld

# Treasurer's Report

Greetings to the Barony.

As of February 28th, the Barony has a total of \$5709.08 in its account, with \$5374.64 being the Baronies money and \$334.44 belonging to the Cantons of the Barony.

Baronial Officers will be able to spend funds from their budget after January 1st. Remember that Baronial funds must be used for items to benefit the entire Barony. Any items purchased must go onto the the inventory and are the responsibility of the officer. If you need to know what your budget is, please ask.

Please make sure to complete an updated inventory when the office transitions. This will make the job easier for the new officer and for me when annual inventory comes around.

Any expense that is not a budgeted expense must be submitted to the financial committee. The financial committee meets after officers meeting each month.

At the February financial committee meeting it was approved for the Barony to rent a trailer to take Baronial items to Gulf War.

## Minister of Arts and Science Report

Greetings!

We have a lot of exciting news coming up in Wiesenfeuer! This month's A&S class will be basic metal working, taught by Countess Kat, 7pm on Thursday, March 9th at Camp Dakani Nature Center. We have Medieval Fair coming up March 31-April 2, and we would love to display your work! Please contact the Namron MoAS if you have display items for the A&S pavilion. Also please note that this year's Med Fair will mark Firestorm Honey Guild's debut event! Please take some time to stop by the guild's booth at Med Fair and see if their members need relief to go eat or take care of other necessities. A&S night on April 13th will be a work day for Red Plains Baronial.

Red Plains Baronial is coming up in mid-April, and we have TWO awesome A&S events happening that Saturday! The A&S competition is group projects, which simply require three or more group members with different roles in the production process, to highlight the specialization of labor prevalent in medieval production processes. Documentation is good but not required. The other thing happening at Red Plains Baronial is a Dirty Dozen Donation Derby! Make a dozen items and bring them to donate for largesse. One item from each dozen will go to the winner of the derby, one item from each dozen will go to the Crown, and the rest will be divided between Wiesenfeuer and Eldern Hills, to contribute to the largesse coffers of these lands.

In other news, I will be stepping down as Minister of Arts & Sciences in April. I anticipate that my current deputy will apply for the office when it becomes vacant, but you too can apply for the office by contacting the Northern Region MoAS and please courtesy copy the Wiesenfeuer Seneschal and Baronesses with your letter of intent.

In service to the Dream,  
Herr Wilhelm Meis  
MoAS, Wiesenfeuer

## Officers Positions Open

Besides the Knife, Axe, and Spear Marshal which is currently open, there are several positions that are going to be open in the next year and many open deputy spots. One way you learn is by doing. Beginning Equipment for Youth Combat:

Each new youth fighter should wear long pants, a long-sleeve shirt, closed-toe shoes, lightweight gloves, and groin protection. A parent or an adult designated by the parent needs to be present throughout the practice.

There is some loaner armor but anything you can provide yourself is helpful. Armor requirements vary by age but all ages will need a helmet with face guard (such as a hockey or lacrosse helmet) and a gorget (medium-weight leather with ½ inch closed-cell padding). Knee and elbow pads are required for the older kids and helpful for the younger. The full armor and weapon requirements and rules for combat may be found in the Complete Participants Handbook.
