A Statement from the Members of Wiesenfeuer

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us, we're glad you did. The Barony of Wiesenfeuer is part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter, to making of instruments, woodworking, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved. So come out to an event, go to a meeting, or contact our hospitler at <http://wiesenfeuer.ansteorra.org>.

Welcome to Wiesenfeuer!!

Personal Testimony from the Chronicler

You may pick up a newsletter printed in the past and see the words written above and wonder how true they are. You may wonder if these people are just a bunch of weird people running around playing at swords. I've been a member of this organization for 6 months now. These people are some of the best people you will ever meet. The people in it learn, share, and teach everything you can think of. They practice those skills that they learn. They invest time and energy into making those relationships that better everyone from the old to the new. You cannot really appreciate it until you see and then do. You can spend as much or as little time as you like participating, this will be the most exhausting and exciting hobby you will ever have. Welcome to our ever expanding world of friends.

Message from the Chronicler

As I'm getting closer to the end of my term as chronicler, I'm thinking about what fun it has been being a part of this family of incredible people. I've met so many new friends. It has been an amazing time. I've still got 3 more newsletters to put out before my time is up. I'm looking forward to every single one. As you can see we have several offices that are currently open for application or awaiting decision. Rapier Marshall, Hospitaler, Minister of A&S, and Herald to name them. Also, there are a lot of opportunities for deputies. I know I loved having a deputy and I'm sure others would too. Please talk to an officer about being a deputy.

I want to thank Wilhelm for all the great A&S classes he has arranged. I didn't get to go to as many as I'd like but I learned a lot at every one I've gone to. The next person will have some big shoes to fill.

Ahlana has always helped to make us feel welcome. Thanks for the help and support as my family started out in the SCA.

Grimolfr we will miss you being up there front and center every month. You did an amazing job. Thanks for the input into some of our heraldry questions. I know I'll be asking some more as I try to get my wife's device and a badge set.

Don Elric it has been great talking to you at officer's meetings. I know I'll see you around as our daughters seem to be inseparable.

As of today, we have a new Equinox Herald (norther regional), so hopefully the new herald will be announced before too long and next month that office can be filled. If you wanted to put in an application and haven't, I'd send it soon.

Until next month enjoy your dream,

Donnán Ó Néill

Treasurer's Report

Greetings to the Barony.

As of March 31st, the Barony has a total of \$5409.08 in its account, with \$5074.64 being the Baronies money and \$334.44 belonging to the Cantons of the Barony.

Baronial Officers, remember that Baronial funds must be used for items to benefit the entire Barony. Any items purchased must go onto the the inventory and are the responsibility of the officer. If you need to know what your budget is, please ask.

Please make sure to complete an updated inventory when the office transitions. This will make the job easier for the new officer and for me when annual inventory comes around.

Any expense that is not a budgeted expense must be submitted to the financial committee. The financial committee meets after officers meeting each month.

YIS,
Aubrey Ericsdatter

Minister of Children Report

We also have Baronial coming up! Come out and join in the fun activities! We will be doing egg dying with natural materials (dye-able plastic eggs so no spoiling!), marbled prints, seed bombs, and of course our championships for chivalric, drumming, and dancing!

We will be resuming Sundays in the Park in April as well. Change of location - We will be meeting at South Lakes Park (SW 119th and Meridian). If you have a skill or idea of something to teach the children (any age) please get in touch with me. I would love to be able to have people come in and work with older kids as well. I am looking to fill up this years calendar and love guest teachers!

For April MoC Sunday in the Park we will be doing finger knitting and for those that have a difficult time or want to try a little different approach (or need to be able to easily put it down!) we will also be making finger knitting looms.

Lady Abigail
Minister of Children

Minister of Arts and Science Report

Greetings!

We have a lot of exciting news coming up in Wiesenfeuer!

A&S night on April 13th will be a work day for Red Plains Baronial.

Red Plains Baronial is coming up in mid-April, and we have TWO awesome A&S events happening that Saturday! The A&S competition is group projects, which simply require three or more group members with different roles in the production process, to highlight the specialization of labor prevalent in medieval production processes. Documentation is good but not required. The other thing happening at Red Plains Baronial is a Dirty Dozen Donation Derby! Make a dozen items and bring them to donate for largesse. One item from each dozen will go to the winner of the derby, one item from each dozen will go to the Crown, and the rest will be divided between Wiesenfeuer and Eldern Hills, to contribute to the largesse coffers of these lands.

In other news, I will be stepping down as Minister of Arts & Sciences in April. I anticipate that my current deputy will apply for the office when it becomes vacant, but you too can apply for the office by contacting the Northern Region MoAS and please courtesy copy the Wiesenfeuer Seneschal and Baronesses with your letter of intent.

In service to the Dream,
Herr Wilhelm Meis

Officers Positions Open

Besides the Knife, Axe, and Spear Marshal which is currently open, there are several positions that are going to be open in the next year and many open deputy spots. One way you learn is by doing. We respectfully ask if there is a position you can help with to please ask to be a deputy to someone. Especially if you are thinking about becoming an officer in the future. Being a deputy is the best way to learn how. With that said below is the list of available spots. Please contact the appropriate officer, Seneschal, Baroness, or Baron if you are interested. **Sir Burke has requested that anyone who wishes to be a deputy seneschal please take his place.**

Youth Combat

April 5th, 12th, 19th, & 26th

Date: Wednesdays Time: 7pm - 8pm Place: Sellers Community Center³

Youth combat is for boys and girls age 6 to 15 years. They fight with foam-padded weapons. There are 3 age divisions within the program; 6-9 years, 10-12 years, and 13-15 years. The armor requirements and the strength of blows allowed increase as a child progresses through the levels.

Beginning Equipment for Youth Combat:

Each new youth fighter should wear long pants, a long-sleeve shirt, closed-toe shoes, lightweight gloves, and groin protection. A parent or an adult designated by the parent needs to be present throughout the practice.

There is some loaner armor but anything you can provide yourself is helpful. Armor requirements vary by age but all ages will need a helmet with face guard (such as a hockey or lacrosse helmet) and a gorget (medium-weight leather with ½ inch closed-cell padding). Knee and elbow pads are required for the older kids and helpful for the younger. The full armor and weapon requirements and rules for combat may be found in the Complete Participants Handbook. This is available on the Kingdom Earl Marshal's website at <http://marshal.ansteorra.org/armored>. Of course feel free to contact your friendly local marshal with any questions!
