A Statement from the Members of Wiesenfeuer

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us, we're glad you did. The Barony of Wiesenfeuer is part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter, to making of instruments, wood-working, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved. So come out to an event, go to a meeting, or contact our hospitaler at <http://wiesenfeuer.ansteorra.org>.

Welcome to Wiesenfeuer!

Message from the Herald

So there are a lot of awesome heraldic things going on this month.

First we have the Local Herald's Retreat on 6/15. This is a great event to sit and learn what it takes to do the job of baronial herald. The point is to have in depth classes on the basics of being the local officer. This is something I would have loved to have prior to taking the office.

At the end of the month, June 29th, we are having Ansteorra Heraldic and Scribal Symposium in Waco, TX. That is the same day as Steppes Artisan. So we should all drive down to Texas and invade both of those events.

The following items are going through on the current Lol to SCA:

AElfwyn AEthelstanes dohtor - name

Cynewith AEthelstanes dohtor - name

Siaua thugatêr Karsou - device

Last but not least, the application period for the office for Candelaiio Pursuivant (Baronial Herald) is now closed. I've confirmed this with Their Excellencies and the Equinox Herald. I'd expect we will hear an official announcement of my replacement prior to Round Table.

The fighters badge has been submitted and confirmed received by Asterisk in January. I'm currently emailing everyone to see if I can get a response as to why it hasn't made it on an lLol yet.

Always yours in service,

Lord Donnán Ó Néill

P.S. I haven't heard that Northern Regional Chronicler Position is closed yet.

Message from the Reeve

Message from the Chronicler

Greetings once again good gentles. I pray this finds you all in good health and spirit. I would once again request submissions from the fine artisans and wordsmiths of our great barony to enhance the worth of this humble publication.

In service, Lynnette

Message from the Seneschal

Greetings Wiesenfeuer!

The rains and winds of May have done their best to drown our spirits or blow us across the region, but Wiesenfeuer's flame burns brightly because her people are resilient. We look forward to June's arrival in hopes that the rains will lessen and that the winds provide a conserving calm and steadiness in their ability to keep us cooled off as the Ansteorra summer time rolls in.

With June comes the Local Herald Professional Development Retreat which is being sponsored by us and held in the lands of Mooneschadowe. If you have any interest in learning about the various aspects of what a herald does, this will be a great opportunity to learn. Bring your laptop and leave your garb behind, this will be an intensive, all day, classroom and workshop experience with lunch provided as part of your \$10 site registration.

We are also looking at meeting at the Baronial Shed on Saturday, June 29th to make repairs to the shed roof. Any assistance would be appreciated. The address for the shed is 4312 Clendon Way, Del City, OK 73115. We will plan on getting started around 10am, weather permitting.

As of this writing, we have not received any event bids for our annual Yule Revel. This event is scheduled to occur on December 14th, 2019. We will need event bids no later than July Officer's meeting to have time for event planning, etc. We are also accepting bids for Wiesenfeuer Baronial 2020, which is scheduled for the weekend of April 17th-19th. Please submit bids for either (or both) events to the Seneschal (seneschal@wiesenfeuer.ansteorra.org), Treasurer (treasurer@wiesenfeuer.ansteorra.org). and Their Excellencies (baroness@wiesenfeuer.ansteorra.org).

Long Live the Dream,
Aldric de Kerr

Message from the Youth Chivalric Marshal

Since Med Faire, we have had a resurgence of kids coming to youth chivalric practice! We have also added some youth codpieces for loaner gear just in case a youth has forgotten his cup.

I have been really happy with the progress some of our youth fighter have made, but now it is time for my term to come to an end. I am opening my office of Wiesenfeuer youth chivalric marshal in hope that I can train the incoming for a Round Table transition.

Everyone has been lovely.

YIS,

The Soote Season

By Henry Howard, Earl of Surrey 14th century

The soote season, that bud and blome furth bringes,
With grene hath clad the hill and eke the vale:
The nightingale with fethers new she singes:
The turtle to her make hath tolde her tale:
Somer is come, for euery spray nowe springes,
The hart hath hong his olde hed on the pale:
The buck in brake his winter cote he flinges:
The fishes flote with newe repaired scale:
The adder all her sloughe away she slinges:
The swift swallow pursueth the flyes smale:
The busy bee her honye now she minges:
Winter is worne that was the flowers bale:
And thus I see among these pleasant thinges
Eche care decays, and yet my sorow springes.
