A Statement from the Members of Wiesenfeuer

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us, we're glad you did. The Barony of Wiesenfeuer is part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter, to making of instruments, wood-working, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved. So come out to an event, go to a meeting, or contact our hospitaler at <http://wiesenfeuer.ansteorra.org>.

Welcome to Wiesenfeuer!

Message from the Seneschal:

Greetings Wiesenfeuer,

The SCA Board of Directors announced that no in person events would be held before the end of January 2021. Marshal activities are not included in that decision but are still being governed by the Ansteorra Martial Activities Reopen Plan.

This means our Yule Revel will be re-imagined as a virtual event. We will still celebrate our 30th anniversary of becoming a Barony!

Ansteorra held our first virtual Round Table. I hope everyone took the unique opportunity to attend classes and maybe even get warranted without having to drive to it.

There have been many opportunities to attend classes, bardic circles, and other virtual SCA activities. Collegiums, events, courts, and others from kingdoms around the known world. Please share your experiences with others. Let your Baronial officers know what you think works best so we can apply that to our efforts.

In Service,

Elric Dracwin

Message from the Chronicler

Greetings, noble gentles,

August is upon us. Soon the harvest will be also. Pray before that time comes you will harvest some memories, stories, artwork, articles, or any other printable material. Your fellow populace members, yes, I dare speak for all, are hungry for such a harvest. Feed them by sending the bounty to me care of chronicler@wiesenfeuer.ansteorra.org.

Message from the Archery Marshal

Greetings,

Due to the high temperatures and then being at the full stop level of the Ansteorra Martial Practices Reopen Plan, we only had one practice in the month of July. Please stay tuned to the Facebook pages for more information on availability of practice.

When Archery Practice can be held, it will be on Sunday from 5 PM to 7 PM at 5102 Woodhollow Rd, OKC. Targets will be set up for both regular target archery and combat target archery.

We will be following the guidelines of the Ansteorra Martial Practices Reopen Plan. There is an Ansteorra Health Screening Questionnaire that each individual will have to acknowledge. Everyone at practice will be wearing a face mask (covering the mouth and nose) and practicing the best social distancing practices. There is NO access to a restroom on site.

If you have any questions please feel free to email me at Archery@Wiesenfeuer.Ansteorra.org

In Service,

Isaac Bane

Message from the Minister of Arts and Sciences

We had five online A&S meetings via Google Meet for the month of July.

Four of those were Open A&S nights, they were on July 2nd, 9th, 16th and 23rd. It was nice hanging out with everyone while working on projects. We had 4 to 6 people participate on those nights.

On July 30th we had a Largess class and discussion on what are good items to make or donate for Largess. We had 9 people participate on this night.

We have A&S meetings weekly on Thursdays starting at 7pm and going until at least 10pm. Keep an eye out for my post on the Barony's Facebook page, as meeting information will be posted there for the month of August.

The groves take on blossoms, beautifying the cities,
gardens grow more fair, the world hastens —
all these things make the hurrying heart mindful,
the soul to its travels, to him who so imagines
on the flood-ways, to travel far away.
