Statement from the Members of Wiesenfeuer

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us, we're glad you did. The Barony of Wiesenfeuer is part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter, to making of instruments, woodworking, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation-based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved.

So come out to an event, go to a meeting, or contact our hospitaler at <http://wiesenfeuer.ansteorra.org>. **Welcome to Wiesenfeuer**

Message from the Baronesses

Greetings unto the Barony of Wiesenfeuer, our Canton of Myrgenfeld, and all interested gentles.

Thank you to all that attended the Canton of Myrgenfeld's event. It went so well. To see everyone's smiling faces, see the classes, rapier fighters and all the many people that came for the Royal Huntsman tourney really filled a hole that has been in our hearts.

Thank you to their Majesties for gracing us with their presence their court was fun and there was a lot of laughs and some very well deserved awards.

There is a poll from our seneschal concerning populace next month, please let your voice be heard!

As your Baroness' we always have an open door for you, please do not hesitate to reach out if you need us with your thoughts, concerns, or even if you just need a sympathetic ear.

Message from the Seneschal

Greetings Wiesenfeuer,

Exciting things are happening. In person events are starting up again and the calendar is full of activities. Look at the Kingdom Calendar to see what is happening.

Our first in-person populace meeting will be July 12th at Will Rogers park. I am trying to get the pavilion on Pat Murphy Dr near 33rd and Portland Ave, across the drive from the tennis courts. Please watch the Wiesenfeuer email list and Facebook page for details.

We have the following offices open or opening soon. We need to fill our marshal offices so we can hold practices. Please put in an application!

Youth Armored Marshal
 Youth Rapier Marshal
 Thrown Weapons Marshal
 Archery Marshal (opening in September)

We need event bids for Wiesenfeuer Yule Revel! If you have never been an event steward we have a class recorded. Please contact me for details.

We are coming into the summer months with the heat we may have forgotten about. Remember to hydrate and eat.

In Service,

Elric Dracwin
 Wiesenfeuer Seneschal

The office of Seneschal Information
 Officers meeting - Virtual at 7 PM on last non-holiday Monday of the month
 Populace meeting - Virtual at 7:30 PM on first non-holiday Monday of the month.
 (following a virtual "social hour" which starts at 6:30 PM)
 July Populace meeting - In person at Will Rogers Park

The seneschal is like the local chapter president of a group. They are the legal representative of the SCA at the local level. A seneschal has the authority to sign legal documents and contracts in the name of the SCA local branch. They usually organize the populace and officers meetings and run the officers meetings. Sometimes a seneschal comes up with projects to create and decorate equipment. Event stewards are deputy seneschals for the duration of the event.

Message from the Archery Marshal

I am Isaac Bane, your Archery Marshal. As your archery marshal I see to the safety of Wiesenfeuer's Archery Practice. I inspect equipment, direct the set up of the archery range, regulate the times for shooting and retrieving of ammo, as well as sharing what knowledge I have about shooting archery.

I am currently looking for a deputy marshal. You do not need to be an authorized target archery marshal to be a deputy. That is something we can work on if you continue to be interested. My current warrant is up in September of 2021.

Archery practice is 5 PM to 7 PM on Sundays, at 5102 Woodhollow Rd, OKC, weather permitting.

Targets will be set up for both regular target archery and we can also set up targets for combat target archery if anyone is interested.

All practices will be following the guidelines set in place by the Board of Directors for the SCA and the Ansteorra Martial Practices Reopen Plan. Every person, adult and youth, at practice will be wearing a face mask (covering the mouth and nose) and practicing the best social distancing practices. There is NO access to a restroom on site.

In Service,
Isaac Bane
Archery Marshal of Wiesenfeuer

Message from the Chronicler

Greetings!

I would love to feature your original art, classes, SCA related photos or even your small doodles. This is your newsletter and I really want to see you reflected in it. If you have anything you would like to share, feel free to email me at the Chronicler email and we can talk.

Huge Thank YOU to Eadwyn seo Gathyrde for her continued contributions. This month she submitted a Nalbinding photo and to Master Isaac Bane for this month's cover "Archer in Woods", and Beatrix for her doodle

Message from the Arts and Sciences Minister

Greetings,

My name is Lady Eadwyn seo Gathyrde and I'm the Arts and Science Minister for the Barony of Wiesenfeuer. What is Arts and Science? About anything that you can make. Weaving, scribal, metal working, leather working, sewing, word working, embroidery, nalbinding, bewing, bardic etc.

On Thursday at 7pm, we have weekly virtual hangouts that happen via Google Meet. I will either have a class scheduled or it will be an Open A&S where you can bring your projects and talk with fellow artisans. Keep an eye out on the Wiesenfeuer Facebook page or Barony of Wiesenfeuer on Discord for what is going on that week.

In May we had a class called "Tassel making - Beyond the Basics" that was taught by Lady Etienett. If you missed the class it was recorded and is listed in the Wiesenfeuer Arts & Sciences Facebook page.

I will continue to host classes once a month virtually and we are also going to start having an in-person class once a month on Saturdays.

On June 12th at 1pm we will have a class on learning how to Card Weave at her Excellency Muirenn's house. Contact me for the address if you are interested in participating. If you would like to participate, but don't have a loom, let me know and we will make sure there is one there for you to use.

On the third Thursdays of the month, at 7pm, we have Myrgenfeld/Wiesenfeuer Herbal Guild meetings. The location for these changes monthly, so if you are interested check out the Myrgenfeld/Wiesenfeuer Herbal Guild Facebook page. This month we are going to be talking about and exchanging personal care and spa items.

If you have any questions, have a class suggestion, or would like to teach a class, please either PM me or email me at moas(at)[wiesenfeuer.ansteorra.org](mailto:moas@wiesenfeuer.ansteorra.org).
