Statement from the Members of Wiesenfeuer

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us, we're glad you did. The Barony of Wiesenfeuer is part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter, to making of instruments, woodworking, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation-based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved.

So come out to an event, go to a meeting, or contact our hospitaler at <http://wiesenfeuer.ansteorra.org>. **Welcome to Wiesenfeuer**

Message from the Baronesses

Greetings unto the Barony of Wiesenfeuer, our Canton of Myrgenfeld, and all interested gentles,

We have had a very busy month since our society has reopened for in-person events! Our Canton of Myrgenfeld put on a fantastic event for the first one on the calendar in over a year. We would like to thank the autocrats Lord Dennis and Her Excellency Aubrey and all of the Canton for all the hard work it took to make that day fun and memorable for all. It really did feel like coming home and we think everyone needed that right now.

Wiesenfeuer also put out quite the showing at Castellan, HL Lillias won both the Bardic and A&S Championships and the title of Castellan, HL Ivo was recognized by the crown for his woodworking skills with a Thistle, and HL Dominique won the privilege to represent our kingdom and crown as the Kingdom Middle Eastern Dance Champion.

We are very proud of everyone one of our members!

Coming up next month are Crown Tournament and Eldern Hill's Day in the Park, we cannot wait to see you there! There may even be a few of our members fighting in the tournaments and we will be there to cheer them on!

We know finding the spark of the dream can be especially difficult these days and want you to know we are in this together. As your Baroness' we always have an open door for you, please do not hesitate to reach out if you need us with your thoughts, concerns, or even if you just need a sympathetic ear. Restrictions have been loosening and activities have been returning, but we aren't back to normal just yet. We encourage you to continue to follow CDC and Kingdom guidelines so that we can all help speed this along together.

Message from the Seneschal

Greetings Wiesenfeuer,

Exciting things are happening. In person events are starting up again and the calendar is full of activities. Look at the Kingdom Calendar to see what is happening.

Don't forget that the July Populace meeting will be delayed a week due to the holiday. We will be meeting IN PERSON on July 12 at the [Overholser Park Large Pavilion](#) just South of 16th street on Overholser Drive (OKC). There are flush bathrooms which are combination lock protected and should be cleaned before the meeting.

With the change in the BoD's Covid-19 protocols we will *NOT* have to* wear masks at this populace meeting. Please feel free to wear masks if you prefer. Please observe social distancing unless all parties agree to be closer. Please watch the Wiesenfeuer email list and Facebook page for details.

We have the following offices open or opening soon. We need to fill our marshal offices so we can hold practices. Please put in an application!

Youth Armored Marshal
Youth Rapier Marshal
Thrown Weapons Marshal
Archery Marshal (opening in September)

We need event bids for Wiesenfeuer Yule Revel! If you have never been an event steward we have a class recorded. Please contact me for details.

We are coming into the summer months with the heat we may have forgotten about. Remember to hydrate and eat.

In Service,

Elric Dracwin
Wiesenfeuer Seneschal

The seneschal is like the local chapter president of a group. They are the legal representative of the SCA at the local level. A seneschal has the authority to sign legal documents and contracts in the name of the SCA local branch. They usually organize the populace and officers meetings and run the officers meetings. Sometimes a seneschal comes up with projects to create and decorate equipment. Event stewards are deputy seneschals for the duration of the event.

Message from the Archery Marshal

Greetings Everyone,

I am Isaac Bane, your Archery Marshal. As your archery marshal I see to the safety of Wiesenfeuer's Archery Practice. I inspect equipment, direct the set up of the archery range, regulate the times for shooting and retrieving of ammo, as well as sharing what knowledge I have about shooting archery.

Thank you to everyone that has been showing up at archery practice, we've had 10 to 13 people at practice lately and successfully had two practices in June. And the other week we shot our first Royal Round of the year. We had six adults and two youths turn in scores. A Royal Round is a shoot of 6 arrows at the 20, 30, and 40 yard targets and a 30 second speed round at the 20 yard target for adults. Youths, age 13 and under shoot at 10, 15, and 20 yards. Once an archer has three scores, an average score is taken and the archer earns a rank dependent on score and as the scores improve the archer's rank is improved. With each rank the archer earn a colored tassel to wear.

I am currently looking for a deputy marshal. You do not need to be an authorized target archery marshal to be a deputy. That is something we can work on if you continue to be interested. My current warrant is up in September of 2021.

Archery practice is 5 PM to 7 PM on Sundays, at 5102 Woodhollow Rd, OKC, weather permitting.

Targets will be set up for regular target archery and as long as there is interest we'll hold a Royal Round shoot.

All practices will be following the guidelines set in place by the Board of Directors for the SCA and the Ansteorra Martial Practices Reopen Plan. As of July 1, the mask requirement has been lifted. Masks at practice is not required. There is NO access to a restroom on site.

In Service,
Isaac Bane

Message from the Chronicler

Greetings!

I would love to feature your original art, classes, SCA related photos or even your small doodles. This is your newsletter and I really want to see you reflected in it. If you have anything you would like to share, feel free to email me at the Chronicler email and we can talk.

Huge Thank YOU to Eadwyn seo Gathyrde for her continued contributions. Your art is awesome and appreciated!

Message from the Arts and Sciences Minister

Greetings,

My name is Lady Eadwyn seo Gathyrde and I'm the Arts and Science Minister for the Barony of Wiesenfeuer. What is Arts and Science? About anything that you can make. Weaving, scribal, metal working, glass beads, leather working, sewing, wood working, embroidery, nalbinding, brewing, smelting, bardic etc.

On Thursdays, at 7pm, we have weekly virtual meetings that happen via Google Meet. I will either have a class scheduled or it will be an Open A&S where you can bring your projects and/or chat with fellow artisans. Keep an eye out on the Wiesenfeuer Facebook page or Barony of Wiesenfeuer on Discord for what is going on that week.

On Saturdays at least once a month we will have in-person classes/A&S get-togethers.

On July 31st, there is going to be a glass bead making class taught by her Excellency Beatrix Alfray. The Event for this is on the Barony of Wiesenfeuer Facebook page.

In June, I taught an in-person tablet weaving class. HL Ivo Blackhawk made some small looms that people were able to take home so they could continue practicing their weaving. I'm planning on teaching this class again at the "A Day in the Park" event on July 24th.

HL Ivo Blackhawk also taught an online griddle book class. We learned some of the history of the griddle book and how to make a mundanity cover for a cell phone. This class was recorded and will be posted to the Facebook page.

On the third Thursdays of the month, at 7pm, we have Myrgenfeld/Wiesenfeuer Herbal Guild meetings. The location for these changes monthly, so if you are interested check out the Myrgenfeld/Wiesenfeuer Herbal Guild Facebook page. This month we are going to be talking about and exchanging personal care and spa items.

At this time I am looking for a A&S deputy. If you are interested in Arts & Science and also interested in what being an A&S officer is like, this might be a good fit for you. Email or PM me if you are interested.

If you have any questions, or if you have class suggestions, or you would like to teach a class, please either PM me or email me at moas(at)[wiesenfeuer.ansteorra.org](mailto:moas@wiesenfeuer.ansteorra.org).
