## Statement from the Members of Wiesenfeuer

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us, we're glad you did. The Barony of Wiesenfeuer is part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter, to making of instruments, woodworking, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation-based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved.

So come out to an event, go to a meeting, or contact our hospitaler at <http://wiesenfeuer.ansteorra.org>. **Welcome to Wiesenfeuer**

## Message from the Seneschal

Greetings Wiesenfeuer,

We are looking for event bids for Wiesenfeuer Yule Revel. We are currently evaluating sites since reservations must be made so early to get anything in December.

## **Message from the Thrown Weapons**

Greetings All,

I am, Isaac Bane, your head safety coordinator and safety person for thrown weapons that include things like knife, axe, and spear throwing. Practice has been going well and we have been setting up four targets at practice lately. Thrown weapons is open to all ages as long as you can follow safety rules.

A big thank you to Lady Isabeau, m'lord Voyszvilkis, HL Ivo Blackhawk, and everyone else that joined us out at the Norman Medieval Fair to talk about missile weapons. It was great being able to share what we enjoy with all the fair goers.

Thrown weapons practice is from 2 PM to 4 PM on Sundays at 5102 Woodhollow Rd. There is no restroom on site, but there is Braums within about five minutes of our location. Please wear footwear for uneven ground and potentially tall grass.

Wiesenfeuer's Thrown weapons championship is coming up at Baronial Event on April 16th. The format is still being worked on and will be announced on the Facebook group and Discord server.

In Service,  
Isaac Bane

Greetings!

I would love to feature your original art, classes, SCA related photos or even your small doodles. This is your newsletter and I really want to see you reflected in it. If you have anything you would like to share, feel free to email me at the Chronicler email and we can talk.

## **Message from the Arts and Sciences Minister**

Greeting Wiesenfeuer,

I'm your local Arts & Science Minister Eadwyn seo Gathyrde. We have a lot in store for this month.

Every Thursday we meet virtually via Google Meet at 7pm. I post the link at about 6:30pm on Wiesenfeuer Discord and Facebook and we usually stay on late, so jump on when you can. Bring the projects you are working on or just yourself. We always have a lot of good conversations, so feel free to join us.

What is Arts and Science? About anything that you can make. Weaving, scribal, metal working, glass beads, leather working, sewing, wood working, embroidery, nalbinding, beewing, smelting, bardic etc.

If you are interested in what it's like to be an Arts & Science minister, please reach out. I'm happy to answer all your questions. Also I am always looking for deputies (I can have more than one), if this is something you might be interested in let me know.

If you have anything that you would want to learn or teach please let me know, please either PM me or email me at moas(at)wiesenfeuer.ansteorra.org.

In Service,

Eadwyn seo Gathyrde

### **Message from the Minister of Children**

Greetings from your friendly, neighborhood Ministers of Children,

As we make a return to Youth Awesomeness, we will be doing things a little bit different going forward. We envision the youth having the same freedom of choice as the adults have in the classes they take. We'd like to be able to offer as many class tracks for our Youth at events, not just one size fits all classes. This way they can explore those tracks that interest them on a more personal level, giving them more control over their learning and, hopefully, enabling them to become more involved.

To do this, we need Your help, and perhaps a little bit of your time. We are in need of presenters, those with a passion or enjoyment of that "thing" they do within the SCA, who is willing to spend a short time "presenting" to the Youth about Their passion. This does not need to be a full class presentation, more along the lines of a 10-15minute spiel about what your "thing" is. Do you fight? Come expound on the fun of fighting the lysts, or the comradery found. Do you like to sew, cook, sing, Herald? Come tell us about it. We can then do a project based on Your passion. You present the passion, your skill, in the SCA, and we, as the teachers, teach about its history. Who knows? You may be the inspiration of the future Crown or Champion Scribe!

We will also need those willing to lend a hand. Helpers or assistants who are willing to be quest givers or "NPCs" or actors who can be interviewed or found by youth on themed quests or SCAVENGER hunts. (Historical people, gods & goddesses, mythical creatures). These such activities would take but a few minutes of your time.

Perhaps, you have more time to give? We would also welcome any to become assistants/deputy for the day(class) for the classes themselves, assisting youth with the different projects, or guiding them on our prowess fields. Whether it is the form of a

teacher/presenter, as a Quest participant, general youth guide (aka Wrangler), or whatever help that is needed, the Youth NEED you.

Lastly, parents, we need YOUR help. Your Amazing children need your help. Please consider volunteering an hour or two to assist with the above areas. Come be a part of what your children are doing. Help us grow our future.

In Service to the Youth

### **Message from the Herald**

Greetings unto the barony of Wiesenfeuer!

I am Ivo Blackhawk, the Baronial herald. I am responsible for helping people to research and register historical names, and heraldry in the style of their culture and location in history. I am Also the master of ceremonies for the Barony, and am responsible for making sure the Baronesses have a herald to open their courts for them whenever they need.

March was a relatively calm month for us, but we still got a few submissions turned around for personal names and heraldry. We still have a few more that we are working on, and I am working to stay in contact with people who have reached out to me about heraldry. If you do have a name and device that you are working on and have not heard from me, please feel free to reach out and ask about the status of the submission.

If you are interested in researching a new historical name, or piece of heraldry that you might want to register for yourself, you can talk to me.

Additionally, if you are interested in learning more about the practice of heraldry in the SCA itself, I'm also who you want to talk to.

Please feel free to contact me by email (below), the Baronial Discord server (Ivo Blackhawk) or facebook (Cisco Cividanes).

## Message from the Webminister

Greetings!

Thank you to everyone who sent me updates for the website this month. If there is anything you see on the website that needs updating, or things that you would like to see developed on the baronial webpage that are not there, please let me know.

# Wiesenfeuer Social Media!

With the rise in virtual activity, we would like to establish an official social media presence! The office of Social Media Deputy, as a deputy to the Seneschal is open, if you would like more information on that please contact us at [social-media@wiesenfeuer.ansteorra.org](mailto:social-media@wiesenfeuer.ansteorra.org).

Until we have an officer in the role, I will be running the official accounts, but creating content that truly shows the depth of what all our Barony does is a bigger job than one person can accomplish alone. Anyone who is interested is welcome to help. It only takes a few minutes to take a few pictures of the projects you're working on, or a short video of a practice or a storytime on some research rabbit hole that you find exciting.

I've created a google form that allows you to submit these with your photographer/Model releases and will then put them on any of the platforms you are comfortable with. The Barony cannot and will not use any media without permission of the photographer, the artist, and anyone identifiable in the pictures/video.

If you do not want to make content, but still want to help out or see what is being put out, followers are just as important for these platforms. The more followers we get, the more it will show our stuff to more people and we can even get new members who are interested in the same things! Other interactions such as 'liking' or commenting on the posts will help boost our analytics as well.

Official announcements for the Barony will still be shared through the newsletter, mailing lists, the website, and facebook posts before other platforms.

To find the Barony on Social Media please go to <https://linktr.ee/BaronyofWiesenfeuer> where all the profiles are linked. There is also a link to the google form and the releases that need to be filed.

This is a great way to get all the neat things we do out there and to keep track of what the rest of the populace is doing.
