Statement from the Members of Wiesenfeuer

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us, we're glad you did. The Barony of Wiesenfeuer is part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter, to making of instruments, woodworking, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation-based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved.

So come out to an event, go to a meeting, or visit our website to learn more @ <https://ansteorra.org/wiesenfeuer/>. Want to talk to someone? Email our hospitaler at hospitaler@wiesenfeuer.ansteorra.org

Welcome to Wiesenfeuer

Message from the Baronesses

Greetings unto the Barony of Wiesenfeuer, our Canton of Myrgenfeld and all interested gentles!

We had a glorious time at Wiesenfeuer Baronial this past month and cannot thank our Autocrats (Aubrey Ericsdatter, and Muirenn Nia Ingen Nathi) and their wonderful staff enough for all the hard work they put in to make the event appear so seamless. It truly felt like coming home again and really experiencing what this Barony can be at it's full potential. Please check out the updated list of champions and the awards that were given out if you missed court! If you have any fun stories, pictures or memories you want to share please reach out to our chronicler and our social media officers!

We have even more exciting events coming up!

Our wonderful Canton is hosting a cooking collegium on the first weekend of June. Please be on the lookout for ways to support them and send in those award recommendations!

We will also be hosting the Vindheim Missile Academy on August 27th which will have classes and open ranges with mentors on all things Missile Weapons. Please watch for posts from our Autocrats for more information!

We realize these are trying times and appreciate the effort everyone is putting in to help keep the dream alive. With practices and meetings happening again, please remember to be kind and ask before hugging or getting too close to people, be respectful of those that may need to still practice the safety precautions.

As your Baroness' we always have an open door for you. Please do not hesitate to reach out if you need us. You can always tell us your thoughts, concerns, or even if you just need a sympathetic ear.

Message from the Seneschal

Greetings to the Populace of Wiesenfeuer,

I am Lady Eadwyn seo Gathyrde the new seneschal of Wiesenfeuer and I am honored to be stepping up into this role.

Baronial was awesome, despite the cold windy weather everyone had a great time. We now have new champions, and many people were recognized for the awesomeness. Thank you so much Aubrey Ericsdatter and Muirenn Nia Ingen Nathi for autocrating such a wonderful event. Also thank you to everyone that helped make this event such a great success.

There is going to be a lot of activities and workdays now that the restrictions have been lifted, so be on the lookout for those on Facebook and Discord. We are going to be doing repairs on some of our pavilions and painting a new design on our newest pavilion. If you are interested in organizing any workdays, please let me know.

If August, Wiesenfeuer is hosting Vindheim Missile Academy, the details are still being worked out. Matteo de Genua is the autocrat, his co-autocrat is Gwenyvere Rose Foxe, if you would like to teach or help in any way reach out to them or myself and we will get you signed up.

We are still looking into sites for Yule, but we have some promising leads. Bids are open for an autocrat, if this is something you are interested in or have any questions, please reach out to me. You do not need to be experienced autocrat to run this event, there is a lot of people that will be there for support.

I am happy to announce that we have a new Arts and Science Minister, Katharina Fridrich. I'm excited to see what classes and projects we have in store.

If you ever have any questions or concerns about anything, please reach out to me. I am on Facebook, Discord and my phone is published in this newsletter. I am always a listening ear and I want to make sure that people are heard and feel comfortable in this group.

In Service,
Eadwyn seo Gathyrde
Wiesenfeuer Seneschal

Message from the Thrown Weapons

Greetings All,

I am, Isaac Bane, your head safety coordinator and safety person for thrown weapons that include things like knife, axe, and spear throwing. Wiesenfeuer, you have a new thrown weapons champion, Karl Thorgeirsson. He was able to accurately out throw 15 other people to achieve his victory.

A big thank you to Lady Isabeau and Lord Voyszvilkis for all of their help in transporting, setting up/tearing down, and marshaling the missile ranges at Baronial.

Practice has been going well with 9 to 13 people participating and we have been setting up four targets at practice lately. Thrown weapons is open to all ages as long as you can follow safety rules.

Thrown weapons practice is moving to summer hours, find us practicing now from 5 PM to 7 PM on Sundays at 5102 Woodhollow Rd. There is no restroom on site, but there is Braums within about five minutes of our location. Please wear footwear for uneven ground and potentially tall grass.

We are in the beginning stages of planning the Vindheim Missile Academy an event in August that's going to deal with all things flying through the air. If you are interested in learning more about the event or even to see how you can help out, please contact myself or our archery marshal, Matteo.

In Service,
Isaac Bane

Message from the Arts and Sciences Minister

Hello, all good gentles of Wiesenfeuer!

My name is Kaethe Fridrich, if we haven't yet had the pleasure of meeting. I am honored to accept the position of Minister of Arts and Sciences for our great Barony!

My email inbox is always open, as is my phone from 8-5 on weekdays. Please let me know if there is a subject you are interested in so that I can look into getting a class set up for us! Any comments, suggestions, and questions are also welcome! I am so excited to get to continue the tradition of A&S excellence for Wiesenfeuer!

I look forward to meeting you all soon!

In Service,
Kaethe Kungund Fridrich

Message from the Treasurer

Greetings,

For the month of March, we ended the month with \$11,931.61. If an officer needs to know their budget, contact me. I am looking for a deputy!!

In April, we had an awesome Baronial which saw 147 people through gate or pre reg'd. Several people did donate when they showed up post gate closure. 102 adult members, 24 adult non members, and 22 kids across all forms. After all the receipts are turned in, we did come out ahead by just a small amount, but I am still waiting on one more receipt to finalize the report. Stay tuned next month for the official Baronial takeaway! A huge thank you again to those that helped sit gate!!!

YiS,
Sainte du Bois

Message from the Webminister

Greetings!

Thank you to everyone who sent me updates for the website this month. If there is anything you see on the website that needs updating, or things that you would like to see developed on the baronial webpage that are not there, please let me know.

Wiesenfeuer Social Media!

With the rise in virtual activity, we would like to establish an official social media presence! The office of Social Media Deputy, as a deputy to the Seneschal is open, if you would like more information on that please contact us at social-media@wiesenfeuer.ansteorra.org.

Until we have an officer in the role, I will be running the official accounts, but creating content that truly shows the depth of what all our Barony does is a bigger job than one person can accomplish alone. Anyone who is interested is welcome to help. It only takes a few minutes to take a few pictures of the projects you're working on, or a short video of a practice or a storytime on some research rabbit hole that you find exciting.

I've created a google form that allows you to submit these with your photographer/Model releases and will then put them on any of the platforms you are comfortable with. The Barony cannot and will not use any media without permission of the photographer, the artist, and anyone identifiable in the pictures/video.

If you do not want to make content, but still want to help out or see what is being put out, followers are just as important for these platforms. The more followers we get, the more it will show our stuff to more people and we can even get new members who are interested in the same things! Other interactions such as 'liking' or commenting on the posts will help boost our analytics as well.

Official announcements for the Barony will still be shared through the newsletter, mailing lists, the website, and facebook posts before other platforms.

To find the Barony on Social Media please go to <https://linktr.ee/BaronyofWiesenfeuer> where all the profiles are linked. There is also a link to the google form and the releases that need to be filed.

This is a great way to get all the neat things we do out there and to keep track of what the rest of the populace is doing.
