Statement from the Members of Wiesenfeuer

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us, we're glad you did. The Barony of Wiesenfeuer is part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter, to making of instruments, woodworking, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation-based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved.

So come out to an event, go to a meeting, or visit our website to learn more @ <https://ansteorra.org/wiesenfeuer/>. Want to talk to someone? Email our hospitaler at hospitaler@wiesenfeuer.ansteorra.org

Welcome to Wiesenfeuer

Message from the Baronesses

Greetings unto the Barony of Wiesenfeuer, our Canton of Myrgenfeld and all interested gentles!

We have exciting events coming up!

We will be hosting the Vindheim Missile Academy on August 27th which will have classes and open ranges with mentors on all things Missile Weapons. Please watch for posts from our Autocrats for more information!

With practices and meetings happening again, please remember to be kind and ask before hugging or getting too close to people, be respectful of those that may need to still practice the safety precautions.

As your Baroness' we always have an open door for you. Please do not hesitate to reach out if you need us. You can always tell us your thoughts, concerns, or even if you just need a sympathetic ear.

Message from the Seneschal

Greetings Most Glorious Populace of Wiesenfeuer,

We had a wonderful demo at the Bethany Library this last month, we had great interactions and the Library would like us to do this type of demo in the future. They are also happy to have us teach classes at the library. If there is something that you would like to teach, reach out to myself or our A&S Minister.

We have a few more demo opportunities coming up this Fall, first off is Tinkerfest at the Science Museum on September 24th. Our Hospitaler is working on getting a group together, so if you are available please reach out. Next the OKC Renaissance and Scottish Festival happening on November 5th and 6th and they would love to have us out to show off what we are all about. If you are interested in helping out please let me know.

Keep an eye out for work days events on Facebook and Discord, we have a lot of work left to get our baronial equipment repaired and shiny again.

There are also a lot of activities and guild meetings going on every month, so be on the lookout for those on Facebook and Discord.

This month, Wiesenfeuer is hosting Vindheim Missile Academy, which will be happening on Aug 27th at Cottenwood Flats. We are now also hosting the Vindheim Rapier Championship at this event. Matteo de Genua is the autocrat, his co-autocrat is Gwenvere Rose Foxe. This event will be here before we know it. If you haven't yet, pre register with PayPal, and sign up to help however you can.

Bids for event stewart and feast stewart for Yule will close on August 15th, you still have a few more days to submit a bid if you are interested. If you have any questions, please reach out to me or their Excellencies. You do not need to be an experienced event stewart to run this event, there are a lot of people that will be there for support.

If you ever have any questions or concerns about anything, please reach out to me. I am on Facebook, Discord and my phone is published in this newsletter. I am always a listening ear and I want to make sure that people are heard and feel comfortable in this group.

Message from the Thrown Weapons

Greetings All,

The extreme heat of late has been bad for regular practices. While we wait for the heat break, look for announcements about our missile community gathering at indoor locations to shoot the breeze.

When the weather cooperates, Thrown weapons practice will be from 5 PM to 7 PM on Sundays at 5102 Woodhollow Rd. There is no restroom on site, but there is Braums within about five minutes of our location. Please wear footwear for uneven ground and potentially tall grass. Please take precautions against ticks, the proved troublesome earlier in the year.

Vindheim Missile Academy event is coming up fast. We are taking sign ups for Marshals to help run the various ranges as well as people to help mentor those practicing.

In Service,
Isaac Bane

Message from the Treasurer

The Barony currently has \$11,000 and we have 2-4 events we are looking to host for the rest of the year. I will be opening my office on September 1st. I would like a deputy to train, but I will be sticking around after the office is switched over.

A financial committee meeting will be held virtually on Aug [22nd.at](#) 7pm to go over Yule bids. Inventory will be at HE Muireen's house on Sept 3rd.

I need volunteers to sit gate at Vindheim Missile Academy and Yule. I am helping sit gate at Crown if anyone wants to help there.
