### **Statement from the Members of Wiesenfeuer**

You may have heard about us from a friend, found us on a web search, saw our displays and demos at the Norman Medieval Fair or any number of local events or schools. Regardless of how you've found us, we're glad you did. The Barony of Wiesenfeuer is part of an organization called the Society for Creative Anachronism (SCA). It's an international organization dedicated to the researching and recreating the arts and skills of pre-17th century Europe. The "arts and skills" of Europe, and any people that Europeans had contact with, are far reaching in scope and depth. Arts include everything from making soap or butter, to making of instruments, woodworking, ... the list goes on. Anything that was made or done in the Middle Ages or Renaissance is fair game. Skills would include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in six hundred years of history.

The SCA is a hands-on participation-based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Learn any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were centuries ago.

Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The Society is a great place to meet people with similar interests, make new friends, and be involved.

So come out to an event, go to a meeting, or visit our website to learn more @ <https://ansteorra.org/wiesenfeuer/>. Want to talk to someone? Email our hospitaler at [hospitaler@wiesenfeuer.ansteorra.org](mailto:hospitaler@wiesenfeuer.ansteorra.org)

## Message from the Seneschal

Greetings to the Populace of Wiesenfeuer,

The Tinkerfest demo was amazing. Thank you to all that came out and volunteered. The people at the Science Museum have only had good things to say about our volunteers and they would like to see us again next year.

There are a lot of events coming up over the next several months, go check the Ansteorra calendar, I hope to see you at some of them soon.

We are starting to gear up for Yule. If you are interested in helping, reach out to one to the Event Stewarts; Aldric de Ker, Mariella Magdalena di Guilio, or Klauss Luinstra.

Later this year the OKC Renaissance and Scottish Festival is happening on November 5th and 6th and they would love to have us out to show off what we are all about. If you are interested in helping out please reach out to Sainte du Bois, who is heading this demo.

Keep an eye out for work days events on Facebook and Discord, we have one coming up on October 15th to help clean up the Missile Practice range.

There are also a lot of activities and guild meetings going on every month, so be on the lookout for those on Facebook and Discord.

If you ever have any questions or concerns about anything, please reach out to me. I am on Facebook, Discord and my phone is published in this newsletter. I am always a listening ear and I want to make sure that people are heard and feel comfortable in this group.

Bids for Baronial are now open for an Event Steward and a Feast Steward. Bids are due by October 15th.

We have several offices that are open right now. If you are interested in any of them, please apply. If you have questions on what that office entails, please reach out.

### Open Offices:

Chronicler

Minister of Children

Minister of Arts & Sciences

### Also..

## **Message from the Thrown Weapons**

Greetings All,

The axe throwing at the Tinkerfest demo was amazing. We were busy from the time we were finished getting set up before open through the close of the event. 335 names were placed on waivers and many of these people did the axe throwing more than once. We had people of all ages participate. A very big thank you to Ian and Torianna for their help in running this part of the demo with me and to everyone that stopped by to check on us throughout the day.

There is a workday planned on Saturday, October 15th to help clean up areas around the missile ranges (moving downed limbs, cutting tall grass) and to install another missile shed. We are beginning to plan out the workday and if you are interested in volunteering please let either Matteo or myself know.

Thrown weapons practice will be from 2 PM to 4 PM on Sundays at 5102 Woodhollow Rd. There is no restroom on site, but there is Braums within about five minutes of our location. Please wear footwear for uneven ground and potentially tall grass. Please continue to take precautions against ticks, they proved troublesome earlier in the year.

In Service,  
Isaac Bane

## **Message from the Archery Marshal**

Good Gentles of Wiesenfueur,

As far as our weekly practice, archery practice will be returning to its fall/winter hours of 3-5 on Sundays pending weather conditions.

Glory to Vindheim. Glory to Wiesenfueur.  
Signore Matteo de Genua

### **Message from the Webminister**

The Website is currently up to date per any requests I have received for recent changes. If you have anything that needs to be updated please let me know by sending an email [webminister@wiesenfeuer.ansteorra.org](mailto:webminister@wiesenfeuer.ansteorra.org) .

Yule is coming! Many of you came to my class on how to use WordPress and Google Sites for making websites, or have expressed interest in learning more. If you are interested in possibly taking on the Google Site for Wiesenfeuer Yule, this is a great opportunity for you to work on a simple website for an event. I am happy to walk you through the set-up if needed. Please note that the critical skills for this are being good at reading and responding to webmail quickly, and updating the site quickly when a request is made. If you are good at email and quickly updating information, and think this would be awesome, please reach out to me!

with joy in service,

Lillias MacGuffin

Webminister of Wiesenfeuer
