Welcome!

You might have heard of us from a friend, found one of our videos on TikTok, stumbled upon us on Facebook, seen us at the local library, the Norman Medieval Fair, or any number of local demonstrations. Regardless of how you've found us, we're glad you are here!

The Barony of Wiesenfeuer is part of an international organization called the Society for Creative Anachronism (SCA). Our organization is dedicated to being an inclusive community pursuing the research and re-creation of pre-seventeenth century skills, arts, combat and culture from all over the world. The lives of participants are enriched as we gain knowledge of history through activities, demonstrations, and events.

The "arts and skills" of the pre-seventeenth centuries are far reaching in scope and depth. Arts include everything from making soap or butter, to making instruments, woodworking, illumination and much, much more. Anything that was made or done in this time frame is fair game. Skills include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in over six hundred years of history.

The SCA is a hands-on participation-based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Try any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were done centuries ago. Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The SCA is a great place to meet people with similar interests, make new friends, and be involved. So come out to an event, go to a meeting, or visit our website to learn more at <https://ansteorra.org/wiesenfeuer/>. Want to talk to someone? Email our hospitaler at hospitaler@wiesenfeuer.ansteorra.org

Welcome to Wiesenfeuer!

"Only Honor Can Withstand the Flame"

A Word from Their Excellencies

reetings Wiesenfeuer,

While September continued to be a very warm month, our Barony made the best of it. All of our communities, from the marshal to the arts, continue to grow as new people find us and old friends come to hang out.

It's been a joy to attend or see pictures of all the activities that have happened over the course of the last month. Even splitting up and attending different things, we haven't been able to make it to all of them. Don't forget to email or message us about the people doing amazing things. Yule will be here sooner than later and we want to be able to recognize them.

Thank you to everyone that camped with us at Mooneschadowe Trade days. It was great to spend time with all of you. I hope you were able to make the perfect trades.

We're looking forward to all of the fun and excitement at Namron's Protectorate event, where our very own former landed Baroness, Dominique will sit vigil before entrance to the Order of the Laurel.

Our itinerary for October includes:

Oct 6th - 8th - Namron Protectorate, hosted by Namron (Both)

Oct 14th - Coronation, hosted by Bonwicke (Both)

Oct 27th - 29th - Samhain, hosted by Eldern Hills (Both, tentative)

I am also pleased to announce that Honorable Lady Lillias MacGuffin and Lady Gwenyvere Rose Foxe have planned a fantastical Robin Hood theme for Baronial in April, and Baroness Aubrey Ericsdatter will be heading another of her amazing feasts to go along with the theme. Thank you all for offering your leadership and service.

We are still accepting Tavern Bids for Baronial, so if you are interested please send Their Excellencies and/or I an email.

Yule Revel planning is ongoing! Lookout for further announcements, for work days, and other activities on Facebook and Discord, or reach out to the Event Stewards to offer your assistance.

So many wonderful events are coming up with all the exciting things that we love to do! Go check the Ansteorra calendar, and I hope to see you at some of them soon.

HERALD (CANDELAIO)

Hail, and good day, Wiesenfeuer!

I have the privilege of saying that I, Guinevere Llywellyn, have been given the opportunity to serve as your new Canelaio Herald. I cannot thank Ivo enough for his kind words and guidance, and I hope to do him and the barony proud in this office. Also joining me as a ceremonial deputy is our own Hospitaler, Klaus Luinstra! He has his own duties to attend to, so I will not pester him too much, but when I find myself unable to make events due to outside circumstances he has promised to pick up the baton for us. As newcomers will be interacting with him a good deal, feel free to ask Klaus heraldry questions, and he will send you my way when you're ready to make your submissions!

On that note, I'll remind everyone that heraldry submissions are \$8 a piece, and we can invoice you through Paypal, so the process has never been simpler! The waiting period to have everything fully finalized is about nine months, so bear with us. The Society heralds do their best to be thorough so that your name, device, and badges are all historically accurate as possible and unique to you!

As we head into our fall and winter season of events, keep your eyes open for the good service and great deeds of your fellows. Their Excellencies wish to hear word of the accomplishments of their populace! Honor your friends, and send in award recommendations at <https://tinyurl.com/3wns47dw>.

In Service,

Lady Guinevere Llywellyn

Greetings Wiesenfeuer!

I wish to announce that the office of Webminister for the Barony of Wiesenfeuer is open for applications. My time in this position is coming to an end. If you're interested, please apply! I am happy to answer any questions about what the job entails, and help answer questions about the programs used.

Applications should be sent to the Kingdom Webminister at kingdom@webminister.ansteorra.org and please include our local Seneschal and the Baron and Baroness so they know you've applied. There is a spot on the form for additional emails to send to where these can be included.

TREASURER

Bonjour, peuple le plus fougueux!

The office of the reeve continues to chug along. We are up to date on financial reports, and are currently working on baronial inventory. Over the next month we will be looking at our financial policy and budget for 2024.

Our budget does not cover everything needed for each office throughout the year, or projects we wish to accomplish. While we do our best, fundraisers are often needed. We are always looking for new, creative, enjoyable fundraisers for various things. If you have any ideas, we are more than happy to discuss them and assist with presenting to the financial committee. Some things we are currently working on are new banners/poles/portable holes, updating armor and other equipment, repairing/replace thrown weapons targets, and working to get a baronial shed, just to make a few. If you see other needs in the future, please let myself, their excellencies, or the officer over that area know. We do our best to keep up with everything, but alas we are human as well.

The final thing I am asking for is assistance at Yule. We will need gate workers (3 per shift) and help with the cookie bake sale (2-3 per shift). All I ask is for you to consider a 2 hour shift at either location. The more volunteers we have, the easier it is for everyone to enjoy the event and not have to work all day.

Merci pour tout ce que vous faites.

Le vôtre en service,

Lady Rosalie Clare d'Avignon
Treasurer of Wiesenfeuer

SOCIAL MEDIA OFFICER

I like taking pictures and videos, but I LOVE featuring the work of our amazing populace. If you are willing to share, please contact me via email or other social media. As always, if you have any questions I am happy to help!

MINISTER OF CHILDREN

Hello my lovelies!

I report that we have children! And when we have children, we MUST have learning with a healthy dose of shenanigans! The MoC is the (cough) adult in charge of all things Children's Arts and Sciences at our baronial events. Sometimes I am loaned out to other groups to run or help run MoC activities at their events.

We also have a library of videos, featuring stories and crafts from the middle ages that are fun for the whole family. The videos can be found on YouTube under Lady Liadan's Learning Library.

In service to the children of our great Barony,

HL Liadan Patrín-Or
Wiesenfeuer Minister of Children

Ideally, we will have local Knights and Centurions there to provide advanced experience with these weapons. This practice is on the first Sunday of the month every month. The practice will be held at the Surrey Hills Lions Club Park.

We also hold armoring days as needed. Please reach out to me for further information.

Not a fighter and still want to come out and support your local fighting community? There are plenty of things you can help with. FIRESTORM INK SCRIBAL GUILD

Firestorm Ink is the scribal guild for the baronies of Namron and Wiesenfeuer. We are a group of people, in the Norman and Oklahoma City Metro area, that meet weekly to learn and practice the various skills that went into making medieval manuscripts, such as calligraphy, painting, gilding, making paints from pigments, and book binding.

Most of the art we produce is used to recognize the achievements of our fellow members across Ansteorra (Texas and Oklahoma). We create both completely original pieces and also have preprinted sheets ready to be painted. Supplies are generally available to help people get started.

We meet in person the first Tuesday of each month at the Natural Grocers at SW 89th and Penn in Oklahoma City. The other Tuesdays we meet virtually via google meet. Everyone is welcome to attend our meetings, you don't have to be interested in our activities to hang out. The link to the google meet meeting is posted 30 to 60 minutes before the start of the meeting on Facebook and Discord. If you would like a link to the meeting sent to you please contact Isaac Bane at isaacbane (at) gmail.com. Please put "Firestorm Ink Meeting Link request" in the Subject line of the email.

MYRG./WIES. HERBAL GUILD

The Myrgenfeld / Wiesenfeuer Herbal Guild meets to discuss herbalism in the Middle Ages and modern adaptations.

Each month has a different topic focusing on one of the many different herbs or one of the many different ways herbalism can be used.

We meet each month at 6:45 pm, the location and date can be found on facebook or discord.

FIRESTORM HONEY GUILD

The Firestorm Honey Guild is not only for beekeepers but also anyone else whose work is related to beekeeping, including woodworkers, chandlers (candle makers), cooks and brewers, gardeners, and anyone else who is interested in bees, beeswax, or honey. We have a Facebook group and a website as well, firestormhoneyguild.org.

WIESENFEUER BREWER'S GUILD

The Wiesenseuer Brewer's Guild is, as the name indicates, a collection of individuals who enjoy home brewing and partaking in said homebrew. Although we don't have a specific type that we focus on, I do intend to start looking into doing more SCA Period styles/beverages over time.

As of now, I am NOT planning a Guild Meeting, as I am in the process of buying a house and moving. However, should someone else be willing to host, I'm willing to put a meeting/brew day together.

This group is here to explore all things fiber, come join us as we explore, if there is something that you are interested in, please make a suggestion. Our group can be found on Facebook.

WOODWORKER'S GUILD

The Woodworkers' Guild is where people interested in learning more about the pre-renaissance traditions of woodworking come to learn and build things. Meetings are open to anyone, and free of charge. All tools are provided by the host unless talked about ahead of time. We typically don't wear garb, but definitely come ready to possibly work up a sweat and get saw dust on you.

For meeting times and locations, reach out to us on the Baronial Facebook group "The Woodworker's Guild of Wiesenseuer", or contact the GuildHead, Ivo Blackhawk on discord (Pikeman#7247), Facebook (Cisco Cividanes), or email (engtrktwo@gmail.com).

What's Been Happening?

A&S KITE FLYING

Wiesenfeuer had a wonderful evening flying kites last month. Our A&S Minister, Cat Cat Cathart, gathered folks from around the barony and beyond to make, design, and fly their own kites. 22 people attended plus some new faces! The kids loved drawing on the kites and flying them. Cat Cat plans on doing this event again later on and there was talk of building a large historical design kite out of period materials with SCA.org painted on it. If you would like to help with this effort, please reach out to our A&S

A&S CLASS: GLASS ETCHING

Last month Annabelle Fitzsimmons taught an A&S Class on glass etching by hand! Attendees enjoyed watching and learning, some even getting to etch their own glass plate! 8 people attended with some new folks joining as well! Everyone had a wonderful time! Thank you Annabelle for teaching!

ANSTEORRA'S KINGDOM A&S

Kingdom A&S was full of merriment and fun! There were a lot of classes and many traveled from throughout Ansteorra to learn all they could!

Wiesenfeuer had the best time! Klauss recieved a Token of the Rose from Her Majesty, Queen Sonja! A former baroness of Wiesenfeuer, Dominique Michelle le Vasseur, was given an invitation to join Ansteorra's Order of the Laurel! She graciously accepted with joy and happiness. Her vigil and elevation will be at Namron's Protectorate for all interested in attending.

Your Gloves
(your love filk)

A knight handed me gauntlets and walked
away

Said for me to look them over
I had forgotten his SCA name
As the knight began to call his mother

I don't wanna lose your gloves
Sir Knight
I just wanna use your gloves
Tonight

The Marshall always comes up to talk to
me

Says he wants to know where I'm from
I told him I forgot which Barony
Cause Vindheim has lots of ground to
cover

I don't wanna lose your gloves
Sir Knight
(Oh)

I just wanna use your gloves
Tonight

Now I don't wanna lose your gloves
Sir Knight

I just wanna use your gloves
Tonight

Try to go from Chiv to Fencing
Fighting with these swords starts making
sense

It's been awhile since I shot arrows
I still don't know who the knight was!

Could somebody put me in the Discord?
So I can finally learn the Knight's name
The knight said he doesn't fight no more
He said to fight with honor for Vindheim

I just wanna use your gloves
Sir Knight
I don't wanna lose your gloves
Tonight
No I just wanna use your gloves
Sir Knight
I don't wanna lose your gloves
Tonight
(Repeat and fade)

Astrolo - Tea

by Gwenyvere Rose Foxe

Astrology has been around for thousands of years, with the earliest evidence dating back to 3,000 BCE. For much of history Astrology was considered an academic discipline, with some of the most well known academic astrologers being Ptolomy, Galileo Galilei, Nostradamus, and Leonardo Da Vinci.

While I may not know how to do astrology, I hope you find the following prediction for this month entertaining.

October brings us Libra, representing the scales of balance, justice, and harmony. Focus this month on things that bring you balance, such as pumpkin spice and those chocolate candies you've been eyeing at Target for the last few weeks.

Romance will not be found much in the October air, as little gremlins will be running about grubbing for candy. Though, the occasional romance might spark between the most unlikely of foes, zombies vs werewolves.

As the Earth moves from House Stark into House Targaryn under a retrograde mars, change will be set in motion. But fear not, it will be resolved shortly and bring about wonderful things, such as "All I Want For Christmas Is You" by Mariah Carey.

To find peace through this transition, be sure to send in award recommendations to your local barony, principality, and kingdom!

This Month in A&S History

by Cat Cat Cathart

October 31st - Samhain

Samhain is a Gaelic festival marking the end of the harvest season and the beginning of winter or the "darker half" of the year. It is celebrated from sunset on October 31 to sunset on November 1. Along with Imbolc, Beltane, and Lughnasadh it makes up the four Gaelic seasonal festivals. The Gaelic festival became associated with the Catholic All Souls' Day and appears to have influenced the secular customs now connected with Halloween.

It's celebration is first mentioned on the Coligny calendar, or the bronze plaque that was found in France, which was made in Roman Gaul in the 2nd century CE.

THE INCONCEIVABLE LEGEND OF WEASELTON: PART 4

By Lady Gwennyvere Rose Foxe

Weaselton held Klauss' hand tight, eyes pleading. "I know you wouldn't let go, my friend. But still, this is a precarious predicament we have found ourselves in. Wouldn't you say?"

Klauss held Weaselton's paw firm and began to pull. "You can tell me all about it later. First, lets get you out of here!" Klauss, holding one of the worn support ropes on the bridge while another leg was entwined with a plank next to the broken hole for structure, began to pull Weaselton up a little at a time with one hand. When weaselton was within reach, he grabbed one of the planks Klauss was sitting on to hoist himself up. Suddenly, the plank gave way, plummeting them both into the river below.

With a splash, Klauss and Weaselton submerged, the water cascading over their heads before resurfacing, gasping for breath. Treading water while drifting don the river, they looked at each other and laughed.

"Let's never do that again", Klauss suggested with a giggle.

"I do believe you are right." Weaselton laughed. "However, we still need to find your muse! To do that, we might need to get out of this river."

"I agree, especially with what I see ahead of us! Look!"

Weaselton swiftly looked ahead of them to see rapids coming their direction, and fast! They turned around in an attempt to swim upstream, but no luck. Klauss and Weaselton were sucked into the rapids, tumbling through the river as it crashed upon the rocks. As they repeatedly submerged and resurfaced, they did their best to keep sight of each other, calling out on occasion, until eventually, everything

went black.

Weaselton woke to a crisp coldness lightly lingering on his tiny, weasel lips. "Dew? How can that be?" Weaselton licked the dew, a hint of sweetness soothed him for a moment. He opened his eyes to look around. They were still in the forest but quite some time had passed, in fact, it looked to be morning! Weaselton glanced around until he saw a figure strewn out a little ways down the river.

"KLAUSS! KLAUSS!!!" Weaselton stumbled over himself and ran as fast as he could to the seemingly lifeless figure laying before him. Weaselton fell as he approached, reaching out for Klauss with desperation, and tumbled onto his back with a loud thud.

Klauss' eyes jolted open and he began to spit up water. "Thank you, Weaselton. You saved my life! How can I... *cough*... ever thank you? ...*cough cough*..."

Weaselton sheepishly grinned out of relief, "Don't mention it! Truly!" Weaselton looked at Klauss sincerely. "Are you okay? I thought you were dead..."

"I think I'll be fine. I guess it takes a bit more than a rough old river to quite Klauss the Mouselord!", Klauss exclaimed with a boisterous laugh between small coughs.

Weaselton aknowledged Klauss' answer and began to look around them more sternly. "I have no idea where we are. We should probably set up a small camp and rest a bit."

Klauss nodded. "Agreed, my friend."

Mouse Lord's Promise

by Klauss Luinstra

Here in the Stellar lands, I dwell,
Searching for adventure and fun,
I serve to welcome and gladly tell,
Of the Dream and of the Legion,

Swashbuckler am I, and Lord of
Mice,
My people take many forms,
I welcome you once, twice and
thrice,
For my people, I'd brave any storm

Across the rainbow skies I see,
A spectrum, a people, a home,
For any and all who share this
Dream,
One land, a kind people become

For the loud few I raise my voice,
I raise my heart in song,
Every day, we have a choice,
To help our friends belong,

I searched so long,
For a place to call home,
Chosen right and wrong,
How far we have grown,

I love the Knowne World
It's such a brilliant place
With hearts of pure gold
Adventures for to chase

I give a joyful promise

To every one of you
To nurture all of this
And to my home be true

Brazier the fifth
Flint and Steel
Torsade with bliss
A lord bearing steel

Student to joy
Victory in such
Only ever destroy
The hold of hatred's clutch

For you, I am here
I listen and see
To hope and draw near
As we build a better Dream

WIESENFEUER SOCIAL MEDIA

To the Barony of Wiesenfeuer, greetings!

Have you ever wondered, "Who, or what, is that?" and then browsed the internet to look up a person, place, event, thing, or concept on Wikipedia? Wikipedia isn't solely a website, it's also a collaborative software that any group can use to create its own knowledgebase. Ansteorra has its very own Wiki with over 1,200 pages! The Ansteorra Wiki is the publicly accessible records of the Kingdom Historian's office, documenting the people, places, events, and traditions of our Kingdom. This can be a great way to learn about households, individuals, guilds, awards, specific Reigns - you name it. You can browse via categories of information, or search for a specific page. Anyone who lives or has lived and participated in Ansteorra is eligible to have a People of Ansteorra page. On it, you can chronicle your SCA experience to the extent and depth that you are comfortable doing. We can track your service and participation, host photos of A&S projects, and notate your wishes in circumstances where you might be called into court. Over 500 Ansteorran already have a People page-- Visit <http://historian.ansteorra.org/wiki/index.php?title=Category:People> to see them.

So much of the SCA is a shared, communal experience, but much of our history is lost, because it is not recorded. There are so many stories to tell - and the Ansteorran Wiki is a beautiful place to share them and preserve them. Wiesenfeuer has a page on the wiki -- but only a tiny smidge of information about its rich history. (<https://historian.ansteorra.org/wiki/index.php?title=Wiesenfeuer>) Won't you share YOUR stories of Wiesenfeuer's history and events - large and small - with the rest of the Kingdom?

You are also invited to become a wiki contributor or editor. Contributing content to the wiki is much, much easier than you think. If you can type an email, you can contribute to the wiki. Content you could share can be as varied as snippets of information about those living or passed who have inspired you (Populace Provided Information), "No (bleep), there I was!" stories, photographs, songs, poems... nearly anything you can imagine!

Having your own page built on the wiki is as easy as filling out an online form (<http://historian.ansteorra.org/submission.php>) and attaching a few photos (though please take a moment to ensure they are less than 1 MG in size first, or they won't attach properly, and rename as YourSCAName - Portrait). Updating an existing page is easy, too! You can either utilize the online form again, filling out only the sections that have been changed (If you use this method: in the SCA Name field, type (Your Name) - Update, and that will let me know it's a page update), or you can use the message form on the main Historian's site: <https://ansteorra.org/historian/>. In the Subject field, type (Your Name) - Update, and then add the information you want updated. I'm also happy to have information sent to me directly via the email address. *I prefer not to receive updates via Facebook Messenger, as it's hard for me to keep track of what I have actioned or not.*

ATTENTION GUILD LEADERS & MEMBERS!

Did you know you could win a Blackfox Award for yourself and your guild?

The Blackfox Award is a Society level award given to chroniclers, authors, artists, baronies, and guilds who create, submit to, and publish newsletters.

For a Guild to be eligible for a Blackfox award, all they would have to do is create a newsletter and publish it to it's members on social media, through email, or another means. The newsletter would also need to be emailed to the Vindheim Chronicler and the Kingdom Chronicler to be eligible for a Blackfox Award.

Individuals can also receive Blackfox Awards for any articles, poetry, songs, etc they've written or art that was included in the published in the guild or baronial newsletters.

So get out there and start creating!

The Baronial Woodworkers' Guild of Wiesenfeuer

Every month, the woodworkers guild meets to share in the history and traditions of woodworking as it was practiced in medieval Europe. Tools and materials are provided by the guild head, and students of all ages are welcome (children under 16 should come with an adult).

Open to the Public – No charge

The best way to find the guild is our Facebook group:

Namron

Brewing Championship

Hello! I, Lord Deinis O'Maille, am proud to announce the Namron Brewing Championship hosted during Namron Protectorate. This year we will be using a system similar to the IKBG. This will allow us to give good feedback. Please limit your total entries to two if entering more than one type. If submitting beer bottles please allow for two bottles and if submitting wine only one bottle is needed. Please list all ingredients so we have an idea for food allergies. Also, in your description, please describe what your brew is about, e.g. floral nose, blueberry on the front, honey in the back. If you did a traditional brew please cite your sources.

The Jester's Fun Page

Did you know?

Black cats weren't always seen as bad luck. Japan, Scotland, and Egypt saw them as good luck as well as bringing prosperity. On June 13, 1233, Pope Gregory IX issued a church document called "Vox in Rama" that named witches and cats as incarnates of evil. Subsequently, this began the witch trials in medieval Europe. Needless to say, black cats, witches, and the like were never evil to begin with.
