Welcome to Wiesenfeuer!

You might have heard of us from a friend, found one of our videos on TikTok, stumbled upon us on Facebook, seen us at the local library, the Norman Medieval Fair, or any number of local demonstrations. Regardless of how you've found us, we're glad you are here!

The Barony of Wiesenfeuer is part of an international organization called the Society for Creative Anachronism (SCA). Our organization is dedicated to being an inclusive community pursuing the research and re-creation of pre-seventeenth century skills, arts, combat and culture from all over the world. The lives of participants are enriched as we gain knowledge of history through activities, demonstrations, and events.

The "arts and skills" of the pre-seventeenth centuries are far reaching in scope and depth. Arts include everything from making soap or butter, to making instruments, woodworking, illumination and much, much more. Anything that was made or done in this time frame is fair game. Skills include fighting, fencing, archery, thrown weapons, and all manner of games and talents played and practiced in over six hundred years of history.

The SCA is a hands-on participation-based way to learn about history. Hit your (armored) friends with rattan sticks, fence like a musketeer or pirate, or learn to shoot a bow like Robin Hood. Try any number of arts and crafts from people that have developed skills and techniques for making and doing things the way they were done centuries ago. Beyond the competitions and projects, the royalty and ceremonies, the SCA is all about having fun. The SCA is a great place to meet people with similar interests, make new friends, and be involved. So come out to an event, go to a meeting, or visit our website to learn more at <https://ansteorra.org/wiesenfeuer/>. Want to talk to someone? A Word From Their Excellencies

Greetings,

Welcome to the Barony of Wiesenfeuer, the Oklahoma City chapter of the Society for Creative Anachronism. We are Eadwyn and Isaac, the Baroness and Baron of Wiesenfeuer and our role is that of ceremonial leaders for the group as representatives of the Crown.

The start of the heat of the Summer months is already upon us. Please be sure to stay hydrated and take precautions while outside at practices and meetings.

In May we started off the month going to Narmon Beltane, it was a lot of fun and many spang were spotted in various colors and patterns. Some spangs were thrown, more spangs were saved, and only a few were shot on the missile range.

Northkeep's Castellan was a lot of fun, there were many fun tournaments including "I Am No Man" Tournament and a Fun Archery shoot from the towers of the fort.

We didn't make it to Steppes Warlord but we have heard of great stories and fun that have happened there. Many people were also recognized and the crown also announced who the next Baron and Baroness of Stepps. Congratulations to Sean and Esme who are going to be the new Baron and Baroness of Stepps.

The month of June will be a busy month with several different classes and workdays going on within the barony; the typical evenings of meetings and practices, and several events within a few hours drive.

On June 1st, we will be painting more on the pavilion at Baroness Muirenn's shop during the early afternoon hours and then later that evening the wonderful Catcat Cathart and Gwenyvere Rose Foxe are hosting an arts and science hangout.

There's a crossbow workshop on June 15th, so if you're interested in building a target or combat crossbow, come on out and we'll help you build one. There is a google document link on the Facebook & Discord events for materials needed for a crossbow, but everyone is welcome to come on out and learn.

June 8th will be Ansteorra's Summer Crown Tournament in Broken Arrow, Oklahoma and the Vindheim Summer Coronet Tournament will be on June 29th in Ardmore, Oklahoma.

A challenge was put forth to Ansteorra to put in more people for awards, of course we stepped up to the challenge and surpassed the goal. Don't stop putting people in for award recommendations though. Anyone can send in award recommendations to us, the Prince and Princess of Vindheim, and to the Crown of Ansteorra. Each group has their own google form to fill out and we're always happy to help walk anyone through the recommendation process. Also, please don't forget to send us a copy of the recommendation, so we can also add our

voice to it. And, please be sure to send in award recommendations at least two weeks before the event, so there is enough time to act on the recommendation and the scribes have enough time to prepare the scrolls.

Our itinerary for June include:

8th - Summer Crown Tournament (hosted by Northkeep) - Both

22nd - Bonwicke Baronial Investitures and A&S Champions (hosted by Bonwicke) - Her

29th - Vindheim Summer Coronet (hosted by Eldern Hills) - Both

Seneschal

Greetings unto the Barony of Wiesenfeuer,

Our Populace meeting for the month of June will be held on June 3rd at the Belle Isle Library in OKC.

This is the monthly meeting to discuss upcoming activities and business.

All are welcome and encouraged to attend. Medieval or Renaissance garb is encouraged, but not required. The first half hour will be socialization, and the meeting will begin at 7:00 pm.

I am excited to announce the return of the Vindheim Missile Academy, co hosted by the Baronies of Wiesenfeuer and Namron. So mark your calendars for November 1-3, 2024, and keep an eye out for more information to come. Also, if you are not currently Missile authorized, please consider becoming authorized as this event is going to require a great deal of Marshals.

We are accepting Event Steward bids for Wiesenfeuer Yule Revel to be held on December 21, 2024. Please consider putting together a bid. If you are an experienced event steward I encourage you to find a less experienced one to co-steward and allow them to increase their knowledge and experience. We are penciled in on the QSMC's calendar to host the event there; just awaiting conformation.

We still have officer positions open for Archery Marshal, Social Media, Youth Chivalric Marshal, and Youth Rapier Marshal, so if an officer position sounds interesting or fun, apply on the Kingdom website, or feel free to reach out to that Officer and ask how you can help or be a deputy to start learning the ropes!

We've got many awesome events coming up, and lots of planning to do too. We are even starting to look at sites for Baronial 2025.

If you ever have any questions or concerns about anything, please reach out to me. I am on Facebook and my phone number is published in this newsletter.

Herald

Good Day Wiesenfeuer!

Whether near or far, Baronial or Yule, the B&B are always looking for more award

recommendations to recognize the service and skills of the populace. If you can think of someone who has been working hard or done cool things for the barony, please check the baronial awards page at

<https://ansteorra.org/wiesenfeuer/baronial-awards/> to see what they might qualify for, and submit a recommendation through the google form, or by emailing the B&B at Baron or Baroness@wiesenfeuer.ansteorra.org.

The Principality of Vindheim would also love if you sent in award recommendations so they may recognize the populace whenever the Prince and Princess are in attendance. If you think someone deserves a principality award, please visit

<https://ansteorra.org/vindheim/awards/> to check the Vindheim Order of Precedence, and click the link on the page to find the submission's google document form.

And last, but certainly far from least, the you may find the Stellar Kingdom of Ansteorra's Order of Precedence at <https://ansteorra.org/awards/>. Their Stellar Majesties and Highnesses travel far and wide to celebrate with us and show their love to the populace, so let's make their jobs a little easier by pointing out those who have accomplished great things in the kingdom!

As a reminder, any heraldic submission is still \$8 per item (name, badge, or device). You can

register multiple names and badges if you want. If you have an idea for a name or design but don't fully have it nailed down yet, feel free to reach out to schedule an online or in-person consultation.

I report that we have children! And when we have children, we MUST have learning with a healthy dose of shenanigans! The MoC is the (cough) adult in charge of all things Children's Arts and Sciences at our baronial events. Sometimes I am loaned out to other groups to run or help run MoC activities at their events.

We also have a library of videos, featuring stories and crafts from the middle ages that are fun for the whole family. The videos can be found on YouTube under Lady Liadan's Learning Library.

Archery Marshal

This office is open for applications.

Archery Practice is held from 5-7pm at 5102 Wood Hollow Road in OKC every Sunday that weather permits. On the occasion that a

cancellation occurs, we typically have a get together at a local restaurant or someone's home.

Knight Marshal

Greetings Fighters of Wiesenfeuer! My name is Gunnarr! If you are interested in Chivalric/Heavy Fighting, I'm your local Wiesenfeuer Deputy Knight Marshal. Please let me know if you have any questions or have any interest in Chivalric.

We have a weekly combined fighter practice with the Barony of Namron at the Moore Public Library. Sometimes when it is nice out, we will have it across the street at the park. If you don't have armor or weapons, we do have some loaner gear available. You will just need to bring your own groin protection. I'm also hosting an monthly advanced fighter practice. This practice is designed to take an in-depth look at each weapon and fighting style. Ideally, we will have local Knights and Centurions there to provide advanced experience with these weapons.

This practice is on the first Sunday of the month every month except for July. (It will be on the 9th instead.) The practice will be held at the Surrey Hills Lions Club Park. We also hold armoring days as needed. Please reach out to me for further information.

Not a fighter and still want to come out and support your local fighting community?

There are plenty of things you can help with. If you would like to try out, list Heralding, Water Bearing, Marshal, Bring something you are working on, or even just come and hang out. We would love to see your face!

Thank you,

Gunnarr Bjornulfsson

I've wondered the
valleys, the mountains
and fields,
The graveyards and

surreal,
From hearth and home, I
traveled and roamed,
You made sure I was
never alone,

I know you'll be alright,
I know you'll find your

I know you'll love your

With Rosie by your side,

From There and Back
Again,
My uncle once said,
You've been my dearest

Wherever we tread,
I leave you with all,
Home, hearth, and hope,
Now the sea calls,
And I have to go,

These final pages, I
leave for you,
Write your own story,
Go back to your roots,
Remember the glory,
Of summer sweet fruits,

Give Rosie all my love,
She fits you like a glove,
Fireworks up above,
Flying high like a dove,

Astrolo - Tea

By Gwenyvere Rose Foxe

Astrology has been around for thousands of years, with the earliest evidence dating back to 3,000 BCE. For much of history Astrology was considered an academic discipline, with some of the most well known academic astrologers being Ptolemy, Galileo Galilei, Nostradamus, and Leonardo Da Vinci.

While I may not know how to do astrology, I hope you find the following prediction for this month entertaining.

June brings the sun and laughter of summer, and with it tidings of adventure and foolery. As the Gemini twins playfully frolic into the House of Crabs, we shall see shenanigans a foot amongst our most childish of friends, old and young.

With the Gemini Twins starting a water war with the Cancer Crabs, be prepared for much water and many war opportunities this summer, full of jest and laughter.

As the March of the Crabs begins, be wise to ponder war plans and strategies to ensure a very delicious crabby feast!

To find peace through this transition, be sure to send in award recommendations to your local barony, principality, and kingdom!

A History of Astrology

by Gwenyvere Rose Foxe

Often considered a fun pastime in the modern era, astrology was once considered a serious topic by ancient and medieval scientists around the world. Positions for those skilled in charting the stars and planets were once held high esteem, but, as with all things in this world, astrology has evolved over time, with modern astrology representing only a fraction of what it once was.

Dating as far back as 3,000 BCE, astrology likely finds its origins among the Mesopotamians as they charted the stars to predict the seasons as well as world events. At this time, astrology and astronomy were one and the same, recording the stars and planets to not just learn about the heavenly bodies but to see patterns and predictions. Astrology spread around the world, being found in civilizations across millennia from the ancient Egyptians, Celtic druids, Greeks and Romans, Chinese, Maya, and more. Even the Middle Ages has astronomers, with important positions being created in court to advise divine rulers. Even some of the most well known of the ancient scientists were masters of astrology, including Leonardo Da Vinci.

Ancient astronomy was not about personality types and horoscopes as it is today. Ancient astronomy was used to predict big events over the course of time rather than day to day nuances or personality traits. It was very complicated, with star and planet movements through the heavens requiring intricate calculations of mathematics to develop different predictions and prophecies. Most

ancient astrologers spent decades studying the heavenly bodies to ensure accurate predictions. One of Da Vinci's prophecies has been interpreted in the modern era as predicting the rise of motor vehicles, the telephone, and the phonograph. "Men shall walk without moving, they shall speak with those absent, they shall hear those who do not speak."

The Zodiac is often the most recognizable of modern astrology. These twelve zodiac signs were named after the constellations that encompassed each sign. While astrology has been around since 3,000 BCE, the signs of the zodiac were developed by the Babylonians around 1900 BCE. The original zodiac signs were the Hired Man, the Stars, the Twins, the Crab, the Lion, the Furrow, the Balance, the Scorpion, Pabilsag, the Goat-Fish, the Great One, and the Tails. Some common similarities between the Babylonian zodiac and the modern zodiac is there are 12 signs and some of them are very close to the same. The Twins meaning Gemini, the Crab meaning Cancer, the Lion meaning Leo, the Balance meaning Libra, the Scorpion meaning Scorpio, and the Goat-Fish meaning Capricorn. The modern zodiac wasn't introduced until the 3rd Century BCE. In modern times, there was rumors of a 13th sign long forgotten by time, but this was a modern fabrication that has no basis in truth.

Throughout time astrology has changed in how it's interpreted and how it's represented. Whether ancient and modern predictions and prophecies hold true to the test of time remains to be seen. However, one thing is certain, it is quite fascinating and fun to learn about.

Attention Guilds, Special Interest Groups, and the Like!

**Did you know you
could win a Blackfox
Award for yourself and
your guild?**

The Blackfox Award is a Society level award given to chroniclers, authors, artists, baronies, and guilds who create, submit to, and publish newsletters.

For a Guild to be eligible for a Blackfox award, all they would have to do is create a newsletter and publish it to it's members on social media, through email, or another means.

The newsletter would also need to be emailed to the Vindheim Chronicler and the Kingdom Chronicler to be eligible for a Blackfox Award.

Individuals can also receive Blackfox Awards for any articles, poetry, songs, etc they've written or art that was included in the published in the guild, special interest, or baronial newsletters.

**So get out there and
start creating!**

What Is A People of Ansteorra Wiki?

To the Barony of Wiesenfeuer, greetings!

Have you ever wondered, "Who, or what, is that?" and then browsed the internet to look up a person, place, event, thing, or concept on Wikipedia? Wikipedia isn't solely a website, it's also a collaborative software that any group can use to create its own knowledgebase. Ansteorra has its very own Wiki with over 1,200 pages! The Ansteorra Wiki is the publicly accessible records of the Kingdom Historian's office, documenting the people, places, events, and traditions of our Kingdom. This can be a great way to learn about households, individuals, guilds, awards, specific Reigns - you name it. You can browse via categories of information, or search for a specific page.

Anyone who lives or has lived and participated in Ansteorra is eligible to have a People of Ansteorra page. On it, you can chronicle your SCA experience to the extent and depth that you are comfortable doing. We can track your service and participation, host photos of A&S projects, and notate your wishes in circumstances where you might be called into court. Over 500 Ansteorrans already have a People page. Visit <http://historian.ansteorra.org/wiki/index.php?title=Category:People> to see them.

So much of the SCA is a shared, communal experience, but much of our history is lost, because it is not recorded. There are so many stories to tell - and the Ansteorran Wiki is a beautiful place to share them and preserve them. Wiesenfeuer has a page on the wiki -- but only a tiny smidge of information about its rich history. (<https://historian.ansteorra.org/wiki/index.php?title=Wiesenfeuer>) Won't you share YOUR stories of Wiesenfeuer's history and events - large and small - with the rest of the Kingdom?

You are also invited to become a wiki contributor or editor. Contributing content to the wiki is much, much easier than you think. If you can type an email, you can contribute to the wiki. Content you could share can be as varied as snippets of information about those living or passed who have inspired you (Populace Provided Information), "No (bleep), there I was!" stories, photographs, songs, poems... nearly anything you can imagine!

Having your own page built on the wiki is as easy as filling out an online form (<http://historian.ansteorra.org/submission.php>) and attaching a few photos (*though please take a moment to ensure they are less than 1 MG in size first, or they won't attach properly, and rename as YourSCAName - Portrait*). Updating an existing page is easy, too! You can either utilize the online form again, filling out only the sections that have been changed (If you use this method: in the SCA Name field, type (Your Name) - Update, and that will let me know it's a page update), or you can use the message form on the main Historian's site: <https://ansteorra.org/historian/>. In the Subject field, type (Your Name) - Update, and then add the information you want updated. I'm also happy to have information sent to me directly via the email address.

I prefer not to receive updates via Facebook Messenger, as it's hard for me to keep track of what I have actioned or not.
