"The mind is not a vessel to be filled but a fire to be kindled"--Plutarch

Welcome

A group known as the Society for Creative Anachronism (SCA) includes the Barony of Wiesenfeuer.

Our group is committed to being an inclusive community that studies and recreates pre-seventeenth-century arts, warfare, skills, and culture from all over the world. Participants' lives are enhanced as we learn about history through events, activities, and demonstrations.

The breadth and depth of the "arts and skills" of the pre-seventeenth century are immense. The arts encompass a wide range of activities, such as creating instruments, leatherwork, calligraphy, and much more.

Everything created or accomplished during this time period is free game. Throughout more than six hundred years of history, people have practiced and played a wide variety of games and talents, such as fighting, fencing, archery, throwing weapons, and much more.

The SCA is a participatory, hands-on historical education method. Learn to fire a bow like Robin Hood, or hit your (armored) buddies with sticks. Try a variety of handicrafts made by people who have honed their skills and methods for creating things the way they were done for centuries.

The SCA is all about having fun, even beyond the projects and tournaments, the royalty and rituals. The SCA is a fantastic opportunity to become engaged, meet new people, and share interests.

Therefore, to find out more, visit our website at <https://ansteorra.org/wiesenfeuer/>

Welcome to Wiesenfeuer!

"Only Honor Can Withstand the Flame"

Words from our Nobility

Welcome to the Barony of Wiesenfeuer, the Oklahoma City chapter of the Society for Creative Anachronism. We are Eadwyn and Isaac, the Baroness and Baron of Wiesenfeuer and our role is that of ceremonial leaders for the group as representatives of the Crown.

The Summer months continue to plague us and while we've had a few cooler weeks, it's still hot outside. Please be sure to stay hydrated and take precautions while outside at practices, meetings and events.

We want to remind everyone that we're available if you need someone to talk to.

We are happy to listen, offer advice or aid if wanted.

Steppes Artisan was a lovely little event that had a room full of people showing off their art in a body of work format. For those unfamiliar with what showing a body of work involves, the artist has the opportunity to show off everything from early pieces to the most recent to show how they have learned and grown as an artist. And, a big congratulations to the newest Baron and Baroness of the Steppes, Sean Tabor and Esmeralda Malaspina.

Lots of learning and much fun was had at the Kingdom Collegium event that was held down in Waco. We hope that everyone who traveled there to teach or take classes enjoyed the event.

Another virtual Round Table event has come and gone. We hope all of our officers were able to catch the meetings they needed. There was a lot of overlap this time around so, if there's one you missed, you might go looking for a recording. In the state of the Kingdom address, we got to learn out the changes to the Sable Crane award, you can now receive it in different fields for your service. We also got to hear about the changes that will be rolled out over the next few months dealing with the web site.

Thank you to Eldern Hills for hosting Another Day in the Park.

While it was a hot event, it was a fun one.

Please continue to send in award recommendations to us, the Prince and Princess of Vindheim, and to the Crown of Ansteorra. Each group has their own google form to fill out and we're always happy to help walk anyone through the recommendation process. Don't forget to send us a copy of the recommendation, so we can also add our voice to it. And, please be sure to send in award recommendations at least two weeks before the event, so there is enough time to act on the recommendation and the scribes have enough time to prepare the scrolls.

Our event itinerary for August include:

17th – Vindheim Academia Della Spada – Both

While there's not many events for us this month, there are a bunch of things going on here at home in the Barony on the Saturday's for August check Facebook and Discord for more details.

Herald

Good day, Wiesenfeuer!

Whether near or far, Baronial or Yule, the B and B are always looking for more award recommendations to recognize the service and skills of the populace. If you can think of someone who has been working hard or done cool things for the barony, please check the baronial awards page at

<https://ansteorra.org/wiesenfeuer/baronial-awards/> to see what they might qualify for, and submit a recommendation through the google form, or by emailing the B and B at Baron or Baroness@wiesenfeuer.ansteorra.org.

The Principality of Vindheim would also love if you sent in award recommendations so they may recognize the populace whenever the Prince and Princess are in attendance.

If you think someone deserves a principality award, please visit

<https://ansteorra.org/vindheim/awards/> to check the Vindheim Order of Precedence, and click the link on the page to find the submission's

google document form. And last, but certainly far from least, the you may find the Stellar Kingdom of Ansteorra's Order of Precedence at

<https://ansteorra.org/awards/>. Their Stellar Majesties and Highnesses travel far and wide to celebrate with us and show their love to the populace, so let's make their jobs a little easier by pointing out those who have accomplished great things in the kingdom! As a reminder, any heraldic submission is still \$8 per item (name, badge, or device). You can register multiple names and badges if you want. If you have an idea for a name or design but don't fully have it nailed down yet, feel free to reach out to me to schedule an online or in-person consultation.

Guilds

Firestorm Ink

Our group consists of individuals from the Norman and Oklahoma City Metro area, gathering on a weekly basis to master and refine diverse skills utilized in creating medieval manuscripts, including calligraphy, painting, gilding, pigment paint production, and bookbinding.

The art we produce is primarily intended to honor the accomplishments of our fellow members across Ansteorra (OK and TX). We engage in crafting both completely original pieces and utilizing preprinted sheets that are ready to be painted.

Necessary supplies are generally available to assist newcomers in getting started. We convene in person on the first Tuesday of every month at Natural Grocers on SW 89th and Penn in Oklahoma City, and on the other Tuesdays, our meetings take place virtually. Everyone is welcome to attend, regardless of their interest in our activities. The link to the Google Meet is shared 30 to 60 minutes before the meeting begins on Facebook and Discord. If you would like a link to the meeting sent to you please contact Isaac Bane at isaacbane@gmail.com. Please put "Firestorm Ink Meeting Link request" in the Subject line of the email.

Vindheim Passion

This is a guild of Middle Eastern musicians and dancers from the Baronies of Wiesenfeuer and Namron. People from outside of those baronies are welcome to join. This guild meets twice a month on the second and fourth Thursdays of the month. Week 1 is music practice, and week 2 is dance practice.

We invite any and all to join and learn with us!

Guilds

Brewer's Guild

Dear enthusiasts of fine beverages, It may be common knowledge for some and a surprise for others, that there exists a Brewer's Guild in Wiesenfeuer.

We have already experimented with several distinct brews. Frequently, we collaborate on the brewing process and subsequently divide the wort among the participants for fermentation at their respective homes. Meetings will be announced on Facebook & Discord

Woodworker's Guild

The Woodworkers' Guild serves as a hub for individuals eager to delve into the ancient craft of woodworking, offering both education and hands-on experience.

Attendance is open to all, and admission is complimentary. The host will supply all necessary tools, with the exception of those mentioned in advance. It's common not to wear specific attire, but participants are expected to be prepared for a potentially strenuous session and to expect a bit of sawdust. To find out about upcoming meetings and where they will be held, please get in touch with us through the Baronial Facebook group "The Woodworker's Guild of Wiesenfeuer," or directly contact Ivo Blackhawk, on Discord (Pikeman#7247), Facebook (Cisco Cividanes), or via email (engtrktwo@gmail.com).

Wiesenfeuer Fiber Guild

Do you have a fascination with all aspects of fiber? This includes everything from the origins of silk, to the cultivation of silkworms, the production of your own thread, the creation of various textiles, and much more. Have you ever pondered the source of linen or the process of coloring your own fabric? We're here to delve into the world of fiber, and we welcome you to join us on this journey. Should there be a specific area of interest you have, feel free to suggest it. Our community is active on Facebook.

Vlad's Paprika Chicken

Lady Vaduny

2.5 lbs chicken breasts cut into cubes (I use boneless and skinless)

1 tsp Extra Virgin olive oil

2 Tbsp butter

2 red onions sliced

3 Tbsp of Hungarian sweet paprika (I use smoked paprika)

2 Tbsp flour

1 cup of tomato sauce

1 cup sour cream

Salt and Pepper to taste

1 cup chicken stock

1 cup water

Heat the oil in a pot and brown the chicken. Remove the chicken and set aside.

In the same pot, add the onions, paprika, flour, butter, tomato sauce, salt, and pepper. Stir all together until the onions are softened and you no longer have too many lumps in the mix.

Add water and chicken stock, then the chicken. Bring to a boil and then let simmer for 20 minutes or until the chicken is cooked through.

Take the pot off the heat and stir in the sour cream. Serve hot.

I got this recipe from someone at the Dracula Museum in Bucharest, Romania and had to translate it from Romanian
