Talent is a flame. Genius is a fire.- Bernard Williams

Welcome

A group known as the Society for Creative Anachronism (SCA) includes the Barony of Wiesenfeuer.

Our group is committed to being an inclusive community that studies and recreates pre-seventeenth-century arts, warfare, skills, and culture from all over the world.

Participants' lives are enhanced as we learn about history through events, activities, and demonstrations.

The breadth and depth of the "arts and skills" of the pre-seventeenth century are immense.

The arts encompass a wide range of activities, such as creating instruments, leatherwork, calligraphy, and much more.

Everything created or accomplished during this time period is free game.

Throughout more than six hundred years of history, people have practiced and played a wide variety of games and talents, such as fighting, fencing, archery, throwing weapons, and much more.

The SCA is a participatory, hands-on historical education method. Learn to fire a bow like Robin Hood, or hit your (armored) buddies with sticks. Try a variety of handicrafts made by people who have honed their skills and methods for creating things the way they were done for centuries.

The SCA is all about having fun, even beyond the projects and tournaments, the royalty and rituals. The SCA is a fantastic opportunity to become engaged, meet new people, and share interests.

Therefore, to find out more, visit our website at <https://ansteorra.org/wiesenfeuer/>

Welcome to Wiesenfeuer!

"Only Honor Can Withstand the Flame"

Words from our Nobility

Welcome Everyone to the Barony of Wiesenfeuer, the Oklahoma City chapter for the Society for Creative Anachronism. It's wonderful to have you here with us. We are Isaac and Eadwyn, Baron and Baroness of Wiesenfeuer and our role is that of ceremonial leaders for the group as representatives of the Crown.

While September was really busy with all the events, they were a great time to see friends and meet new people. Elfsea's Baronial College fell during a nice cool spell for Fort Worth and many people put the outside thrown weapons range to good use throughout the day. The indoor classes also proved to be most popular and there was a variety of things to learn. Mooneschadowe's Trade day was held indoors this year and while it was smaller than last year, there was still some great trades to be had, mischief to manage, and conversations to carry out. Raven's Fort Defender of the Fort was held the same weekend and while it was hot and humid there were some fun and awesome championships to watch and participate in.

A big thank you to everyone that attended the Oklahoma Science Museum's event Tinkerfest. Your help made the demo go smoothly and we managed to show off several different aspects of our hobby. We are planning on holding a discussion on what worked well and what might work better next time. Early numbers of patrons through the doors at the Museum on Saturday was about 7,000.

Namron Protectorate and Kingdom Coronation at Will Roger Boy Scout Camp near Cleveland, OK is the next big thing. Everyone is invited to join us in camping as a big group, not sure where we'll be setting up yet on site. There's also a meal plan that's formed recently, please reach out to Rosalie and Torianna for more information on that.

Eldern Hills will be hosting their Samhain event and Investiture on October 26th. We're currently planning on day tripping that event and look forward to seeing many of you there.

November is going to be another busy month for Wiesenfeuer. We're helping to host both the Vindheim Missile Academy II on Nov 1st to 3rd and Queen's Champion on Nov 9th. If you would like to volunteer to help, please reach out to the event stewards. Many hands make light work for everyone.

Speaking of volunteers, planning for Yule Revel is in full swing. It will be on December 21st and the event stewards are looking for volunteers.

Fall event season is here. Don't forget to send in your award recommendations to us, the Prince and Princess of Vindheim, and the Crown of Ansteorra. Each group has their own google form to fill out and we're always happy to help anyone through the process. We did find out that the Vindheim form needed some maintenance, so if you send in an award request through it, be sure to click the option to get an email copy of your form sent to you, so you can easily follow up with their Highnesses to be sure they received it. Also, that copy you received is great for forwarding to us, so we can also add our voices to your recommendation. Remember, the Crown and their Highnesses have asked for at least two weeks before the event so the scribes have enough time to prepare the scrolls.

Our event itinerary for October Includes:

Oct 4th – 6th – Namron Protectorate and Kingdom Coronation (both)

Oct 25th – 27th – Eldern Hills – Samhain (both)

In Service,

Officer Reports

Seneschal

Greetings unto the Barony of Wiesenfeuer,

I don't know about you, but September flew by for me. But that's okay because we get to start off the first weekend of October with Namron Protectorate & Coronation. There is a Camp Together group on Facebook if you are interested, and I hope to see many of you there.

Our Populace meeting for the month of October will be held on October 7th at the Belle Isle Library in OKC. November's meeting will be on the 4th.

This is the monthly meeting to discuss upcoming activities and business. All are welcome and encouraged to attend. Medieval or Renaissance garb is encouraged, but not required. The first half hour will be socialization, and the meeting will begin at 7:00 pm.

Our monthly Officer and Financial Committee meeting will be held October 28th through Google Meet. This is the monthly officers meeting to discuss business. All are welcome to attend. Officer's meeting begins at 7:00 pm shortly followed by the Financial Committee meeting.

We have many Officer & Deputy positions open!

Some of the open Offices are: Archery Marshal, Social Media, Youth & Family Officer, Youth Chivalric Marshal, and Youth Rapier Marshal, so if an Officer position sounds interesting or fun, apply on the Kingdom website, or feel free to reach out to that Officer and ask how you can help or be a Deputy to start learning the ropes!

I still have some time in my Office, but my current Deputies are Officers in their own rights, so if you are interested in learning more about the Seneschal office, please don't hesitate to reach out to me.

Officer Reports

We received No Bids for our Baronial event set to occur on April 18-20, 2025 at Camp Stapley in Stillwater, so we are extending the deadline now to October 25th at 8:00pm.

We have the site, just need someone to project manage. If you have an idea for a tavern or wish to serve as an Event Steward, please submit a bid by email to Their Excellencies, our Exchequer, as well as the Seneschal.

If you have any questions, please ask.

Tinkerfest Demo at the Science Museum was this past weekend. A big thank you to everyone who participated and shared their passion and knowledge with the patrons. Your efforts in showcasing all the exciting activities and projects truly was wonderful to see.

Planning is under way for the Vindheim Missile Academy II event which will be held November 1-3rd at Cottonwood Flats in Guthrie, OK. As well as for the Queen's Champion event, which will be held the following weekend, November 9th at the HFV Wilson Center in Ardmore, OK, and for our Yule Revel event, scheduled for December 21st at Quail Springs United Methodist Church in OKC. If you can help make these events even more amazing, please reach out to the respective Event Stewards.

Great things are happening, but it takes hard work and effort to make those things happen. Consider submitting an award recommendation so those people can be recognized for their efforts.

If you ever have any questions or concerns about anything, please reach out to me. I am on Facebook and my phone number is published in this newsletter.

Herald

Good day, Wiesenfeuer!

Whether near or far, Baronial or Yule, the B and B are always looking for more award recommendations to recognize the service and skills of the populace. If you can think of someone who has been working hard or done cool things for the barony, please check the baronial awards page at

<https://ansteorra.org/wiesenfeuer/baronial-awards/>

to see what they might qualify for, and submit a recommendation through the google form, or by emailing the B and B at

Baron or Baroness@wiesenfeuer.ansteorra.org.

The Principality of Vindheim would also love if you sent in award recommendations so they may recognize the populace whenever the Prince and Princess are in attendance. If you think someone deserves a principality award, please visit <https://ansteorra.org/vindheim/awards/>

to check the Vindheim Order of Precedence, and click the link on the page to find the submission's google document form. And last, but certainly far from least, the you may find the Stellar Kingdom of Ansteorra's Order of Precedence at <https://ansteorra.org/awards/>

Their Stellar Majesties and Highnesses travel far and wide to celebrate with us and show their love to the populace, so let's make their jobs a little easier by pointing out those who have accomplished great things in the kingdom! As a reminder, any heraldic submission is still \$8 per item (name, badge, or device). You can register multiple names and badges if you want. If you have an idea for a name or design but don't fully have it nailed down yet, feel free to reach out to me to schedule an online or in-person consultation.

Guilds

Firestorm Ink

Our group consists of individuals from the Norman and Oklahoma City Metro area, gathering on a weekly basis to master and refine diverse skills utilized in creating medieval manuscripts, including calligraphy, painting, gilding, pigment paint production, and bookbinding.

The art we produce is primarily intended to honor the accomplishments of our fellow members across Ansteorra (OK and TX). We engage in crafting both completely original pieces and utilizing preprinted sheets that are ready to be painted.

Necessary supplies are generally available to assist newcomers in getting started. We convene in person on the first Tuesday of every month at Natural Grocers on SW 89th and Penn in Oklahoma City, and on the other Tuesdays, our meetings take place virtually. Everyone is welcome to attend, regardless of their interest in our activities. The link to the Google Meet is shared 30 to 60 minutes before the meeting begins on Facebook and Discord. If you would like a link to the meeting sent to you please contact Isaac Bane at isaacbane@gmail.com. Please put "Firestorm Ink Meeting Link request" in the Subject line of the email.

Vindheim Passion

This is a guild of Middle Eastern musicians and dancers from the Baronies of Wiesenfeuer and Namron. People from outside of those baronies are welcome to join. This guild meets twice a month on the second and fourth Thursdays of the month. Week 1 is music practice, and week 2 is dance practice.

We invite any and all to join and learn with us!

Guilds

Brewer's Guild

Dear enthusiasts of fine beverages, It may be common knowledge for some and a surprise for others, that there exists a Brewer's Guild in Wiesenfeuer.

We have already experimented with several distinct brews. Frequently, we collaborate on the brewing process and subsequently divide the wort among the participants for fermentation at their respective homes. Meetings will be announced on Facebook & Discord

Woodworker's Guild

The Woodworkers' Guild serves as a hub for individuals eager to delve into the ancient craft of woodworking, offering both education and hands-on experience.

Attendance is open to all, and admission is complimentary. The host will supply all necessary tools, with the exception of those mentioned in advance. It's common not to wear specific attire, but participants are expected to be prepared for a potentially strenuous session and to expect a bit of sawdust. To find out about upcoming meetings and where they will be held, please get in touch with us through the Baronial Facebook group "The Woodworker's Guild of Wiesenfeuer," or directly contact Ivo Blackhawk, on Discord (Pikeman#7247), Facebook (Cisco Cividanes), or via email (engtrktwo@gmail.com).

Wiesenfeuer Fiber Guild

Do you have a fascination with all aspects of fiber? This includes everything from the origins of silk, to the cultivation of silkworms, the production of your own thread, the creation of various textiles, and much more. Have you ever pondered the source of linen or the process of coloring your own fabric? We're here to delve into the world of fiber, and we welcome you to join us on this journey. Should there be a specific area of interest you have, feel free to suggest it. Our community is active on Facebook.
