Quote of the Month:

"Be the flame, not the moth."

— Giacomo Casanova

Welcome

A group known as the Society for Creative Anachronism (SCA) includes the Barony of Wiesenfeuer.

Our group is committed to being an inclusive community that studies and recreates pre-seventeenth-century arts, warfare, skills, and culture from all over the world.

Participants' lives are enhanced as we learn about history through events, activities, and demonstrations.

The breadth and depth of the "arts and skills" of the pre-seventeenth century are immense.

The arts encompass a wide range of activities, such as creating instruments, leatherwork, calligraphy, and much more.

Everything created or accomplished during this time period is free game.

Throughout more than six hundred years of history, people have practiced and played a wide variety of games and talents, such as fighting, fencing, archery, throwing weapons, and much more.

The SCA is a participatory, hands-on historical education method. Learn to fire a bow like Robin Hood, or hit your (armored) buddies with sticks. Try a variety of handicrafts made by people who have honed their skills and methods for creating things the way they were done for centuries.

The SCA is all about having fun, even beyond the projects and tournaments, the royalty and rituals. The SCA is a fantastic opportunity to become engaged, meet new people, and share interests.

Herald

Good day, Wiesenfeuer!

Whether near or far, Baronial or Yule, the B and B are always looking for more award recommendations to recognize the service and skills of the populace. If you can think of someone who has been working hard or done cool things for the barony, please check the baronial awards page at

<https://ansteorra.org/wiesenfeuer/baronial-awards/>

to see what they might qualify for, and submit a recommendation through the google form, or by emailing the B and B at

Baron or Baroness@wiesenfeuer.ansteorra.org.

The Principality of Vindheim would also love if you sent in award recommendations so they may recognize the populace whenever the Prince and Princess are in attendance. If you think someone deserves a principality award, please visit <https://ansteorra.org/vindheim/awards/>

to check the Vindheim Order of Precedence, and click the link on the page to find the submission's google document form. And last, but certainly far from least, the you may find the Stellar Kingdom of Ansteorra's Order of Precedence at <https://ansteorra.org/awards/>

Their Stellar Majesties and Highnesses travel far and wide to celebrate with us and show their love to the populace, so let's make their jobs a little easier by pointing out those who have accomplished great things in the kingdom! As a reminder, any heraldic submission is still \$8 per item (name, badge, or device). You can register multiple names and badges if you want. If you have an idea for a name or design but don't fully have it nailed down yet, feel free to reach out to me to schedule an online or in-person consultation.

In service,

Guilds

Firestorm Ink

Our group consists of individuals from the Norman and Oklahoma City Metro area, gathering on a weekly basis to master and refine diverse skills utilized in creating medieval manuscripts, including calligraphy, painting, gilding, pigment paint production, and bookbinding.

The art we produce is primarily intended to honor the accomplishments of our fellow members across Ansteorra (OK and TX). We engage in crafting both completely original pieces and utilizing preprinted sheets that are ready to be painted.

Necessary supplies are generally available to assist newcomers in getting started. We convene in person on the first Tuesday of every month at Natural Grocers on SW 89th and Penn in Oklahoma City, and on the other Tuesdays, our meetings take place virtually. Everyone is welcome to attend, regardless of their interest in our activities. The link to the Google Meet is shared 30 to 60 minutes before the meeting begins on Facebook and Discord. If you would like a link to the meeting sent to you please contact Isaac Bane at isaacbane@gmail.com. Please put "Firestorm Ink Meeting Link request" in the Subject line of the email.

Vindheim Passion

This is a guild of Middle Eastern musicians and dancers from the Baronies of Wiesenfeuer and Namron. People from outside of those baronies are welcome to join. This guild meets twice a month on the second and fourth Thursdays of the month. Week 1 is music practice, and week 2 is dance practice.

We invite any and all to join and learn with us!

Guilds

Brewer's Guild

Dear enthusiasts of fine beverages, It may be common knowledge for some and a surprise for others, that there exists a Brewer's Guild in Wiesenfeuer.

We have already experimented with several distinct brews. Frequently, we collaborate on the brewing process and subsequently divide the wort among the participants for fermentation at their respective homes. Meetings will be announced on Facebook & Discord

Woodworker's Guild

The Woodworkers' Guild serves as a hub for individuals eager to delve into the ancient craft of woodworking, offering both education and hands-on experience.

Attendance is open to all, and admission is complimentary. The host will supply all necessary tools, with the exception of those mentioned in advance. It's common not to wear specific attire, but participants are expected to be prepared for a potentially strenuous session and to expect a bit of sawdust. To find out about upcoming meetings and where they will be held, please get in touch with us through the Baronial Facebook group "The Woodworker's Guild of Wiesenfeuer," or directly contact Ivo Blackhawk, on Discord (Pikeman#7247), Facebook (Cisco Cividanes), or via email (engtrktwo@gmail.com).

Wiesenfeuer Fiber Guild

Do you have a fascination with all aspects of fiber? This includes everything from the origins of silk, to the cultivation of silkworms, the production of your own thread, the creation of various textiles, and much more. Have you ever pondered the source of linen or the process of coloring your own fabric? We're here to delve into the world of fiber, and we welcome you to join us on this journey. Should there be a specific area of interest you have, feel free to suggest it. Our community is active on Facebook.
